KEY=COUNTDOWN - RANDOLPH JACOB

AS ELECTION DAY APPROACHES, THE BRITISH HAVE OVERPLAYED THEIR HAND

EXECUTIVE INTELLIGENCE REVIEW; VOLUME 45

Createspace Independent Publishing Platform Oct. 17-In the final countdown to the 2018 midterm elections, an important question on the minds of potential voters is exactly what really happened in 2016. Yes, a foreign power intervened massively to fix the election result beforehand. At the same time, that power created a backup plan to ensure that if Donald Trump were elected despite its efforts, it would be able to paralyze and destroy his incoming Administration and remove him from office. This foreign power was not Putin's Russia, but the British Empire. As EIR has documented in depth for the past two years, the phony evidentiary basis for the charges of Russian intervention and of Trump's "collusion" with Russia, originally consisted of nothing but false evidence planted on Trump associates by British agents on British soil. The tactical leader of the British plot was Sir Richard Dearlove, the former head of the British Secret Intelligence Service (MI6) who also led the fabrication of the "dirty dossier" on purported Iraqi weapons of mass destruction for the catastrophic Iraq War of 2003 to date. Christopher Steele fabricated his own "dossier" under the same Dearlove. British intelligence figures Alexander Downer, Stefan Halper, Joseph Mifsud and many others developed the entrapment of Trump-linked figures on British soil, sometimes summoning them to London for that purpose. Even the handover of Steele's dossier to the late Sen. John McCain's office occurred in Britain's former Dominion of Canada, not in the United States. On Oct. 15, the nationally prominent lawyer Joseph diGenova, a former U.S. Attorney for Washington, D.C., gave an explosive interview to WMAL radio there. The following is a paraphrase of some of his remarks. DiGenova: This is why the British are scared. . . . British MI6 conducted illegal electronic surveillance on U.S. citizens at the request of the FBI and [CIA's] Brennan. That's how they found out [George] Papadopoulos was not interested in Hillary's emails or anything else. Illegal spying by the Brits. That's why the Brits are going crazy. That's a remarkable issue. We talk about domestic surveillance all the time. But when you stretch out to work with foreign governments- read "collude"-to spy on an American citizen, that really opens up an entirely different can of worms. It opens up a huge criminal liability on the part of American intelligence officials, especially Brennan. Brennan actually visited London, before all this started, and visited MI6 and GCHQ before it started. . . . WMAL: The President has chosen not to declassify certain documents. . . . DiGenova: Trump won't declassify certain documents because two foreign governments asked him not to. This is a different President. He is now in full control of his Presidency. He is playing everyone in his orbit. He knows exactly what needs to be made public, and is holding it close to his vest. He is playing it like a masterful Stradivarius-for when it will have maximum impact; to use it at the maximum moment. Trump is in full control of his Presidency. You saw it last night with Lesley Stahl, when he said, "I'm President, and you're not." Throwing it in her face. . . . Obama's illegal spying will have two political consequences. Trump understands the coup against him. . . . He is not trying to measure the election; he understands that the coup was so massive; why Susan Rice did her famous email to herself on inauguration day. Why you see stories of her [saying], of course the White House knew about the Russiagate thing. They were involved in it, so that if Trump refused to accept election results, they'd have a way to undercut his legitimacy.

THE NEW TRUMP STANDARD

Creators Publishing Larry Elder believes in the American people's power to overcome almost any circumstance -- if only government would stop telling them they can't. In this column collection, Elder takes on a range of controversial issues -- from the minimum wage to Confederate monuments, from Obamacare to national anthem protests -- with his signature wit and uncommon good sense.

DIPLOMATIC AND MEDIATED ARGUMENTS IN THE NORTH KOREAN CRISIS

ENGAGING THE HERMIT KINGDOM

Springer Nature *This book examines media coverage and public diplomacy regarding the North Korea nuclear controversy, with a focus on the history of military and diplomatic efforts to resolve tensions on the Korean Peninsula. Chapters consider both legacy and social media coverage in the United States, South Korea, Japan, and China, as well as the power of visual images and the role of military and hard power in shaping public understanding and events in the region.*

A VERY STABLE GENIUS

DONALD J. TRUMP'S TESTING OF AMERICA

Bloomsbury Publishing *THE NUMBER ONE BESTSELLER * UPDATED WITH NEW REPORTING * 'It's all here in this stunning first draft of the history of the presidency of Donald Trump' Sydney Morning Herald 'An icy, lingo-like glimpse of the emotional and moral nullity that may be the source of Trump's power' Observer 'A damning, well-reported, well-sourced and clearly written haymaker' Sunday Times Drawing on nearly three years of reporting, hundreds of hours of interviews and more than two hundred sources, including some of the most senior members of the administration, friends and first-hand witnesses who have never spoken before, Philip Rucker and Carol Leonnig take us inside some of the most controversial moments of Trump's presidency. They peer deeply into Trump's White House - at the aides pressured to lie to the public, the lawyers scrambling to clear up norm-breaking disasters, and the staffers whose careers have been reduced to ashes - to paint an unparalleled group portrait of an administration driven by self-preservation and paranoia. Rucker and Leonnig reveal Trump at his most unvarnished, showing the unhinged decision-making and incompetence that has floored officials and stunned foreign leaders. They portray unscripted calls with Vladimir Putin, steak dinners with Kim Jong-un, and calls with Theresa May so hostile that they left her aides shaken. They also take a hard look at Robert Mueller, Trump's greatest antagonist to date, and how his investigation slowly unravelled an administration whose universal value is loyalty - not to country, but to the president himself. Grippingly told, A Very Stable Genius is a behind-the-scenes account of Trump's vainglorious pursuit of power in his first term.*

COUNTDOWN TO SOCIALISM

Encounter Books *The Democratic Party has changed beyond recognition. Once the party of anti-communism and tax-cutting under President Kennedy, it is now dominated by a surging socialist movement and led by a presidential candidate who vows to "transform" America. On a near-daily basis, the Democrats are issuing radical proposals to socialize medicine, industry, and higher education. So how can the Democrats win elections when their agenda is so far to the left of the American people? That's easy—it's because the means of public debate are being manipulated. In Countdown to Socialism, Congressman Devin Nunes exposes the nexus between the Democratic Party, the mainstream media, and the social media corporations. These three entities cooperate to blast out the Democrats' message and downplay their extremism while suppressing and censoring conservative points of view. Tens of millions of Americans are only seeing one side of the debate. The information they get from newspapers and social media is not "news"—it's contrived content designed to help one political party and punish its opponents. In the run-up to the most consequential election of our lifetime, read this book to learn how your information is being skewed and regulated to force America onto the path to socialism.*

IF YOU GIVE A PIG THE WHITE HOUSE

A PARODY FOR ADULTS

Castle Point Books *A coiffed and blustery pig has shoved his way into the White House! A cleverly worded and illustrated picture book, this is the adult parody of the beloved children's cautionary tale, If You Give a Pig a Pancake. Watch in dismay as the presidential pig gets into trouble, binges on too much Fox News and fast food, and cavalierly threatens national security. If You Give a Pig the White House both lovingly caricatures the original children's book series and shows just what can happen when a greedy anti-hero tracks his hooves all over America.*

HOW DEMOCRACIES DIE

WHAT HISTORY REVEALS ABOUT OUR FUTURE

Penguin UK *Two Harvard professors explain the dangerous world we face today Democracies can die with a coup d'état - or they can die slowly. This happens most deceptively when in piecemeal fashion,*

with the election of an authoritarian leader, the abuse of governmental power and the complete repression of opposition. All three steps are being taken around the world - not least with the election of Donald Trump - and we must all understand how we can stop them. In *How Democracies Die*, Harvard professors Steven Levitsky and Daniel Ziblatt draw insightful lessons from across history - from the rule of General Augusto Pinochet in Chile to the quiet undermining of Turkey's constitutional system by President Recep Erdogan - to shine a light on regime breakdown across the twentieth and twenty-first centuries. Notably they point to the dangers of an authoritarian leader faced with a major crisis. Based on years of research, they present a deep understanding of how and why democracies die; an alarming analysis of how democracy is being subverted today in the US and beyond; and a guide for maintaining and repairing a threatened democracy, for governments, political parties and individuals. History doesn't repeat itself. But we can protect our democracy by learning its lessons, before it's too late.

GOODNIGHT TRUMP

A PARODY

Hachette UK Say goodnight to America's manchild-in-chief with this bestselling and wickedly funny parody. In the very classy room There was a golden mirror And a silver spoon And a broadcast of -- A half-baked story from a fake newsroom . . . Goodnight Trump opens in the very classy golden bedroom of the White House, where it is bedtime for the 45th President of the United States. Readers can encourage this very stable genius to bid goodnight to some of his favorite treasures: a drawer overflowing with subpoenas, a Russian nesting doll that opens page by page to reveal a secret message, a thriving swamp just outside his window, and much more. Turn out the lights on Trump's America with this hilarious yet poignant call to action.

THE SHADOW COMMANDER

SOLEIMANI, THE US, AND IRAN'S GLOBAL AMBITIONS

Simon and Schuster When the US assassinated Qassem Soleimani in January 2020, he was one of the most powerful men in Iran. The military spearhead for Iranian foreign policy, he enacted the wishes of the country's Supreme Leader, establishing the Islamic Republic as a major force in the Middle East. He masterminded interventions in Afghanistan, Iraq, Lebanon, Syria and Yemen, supporting Iran's allies and campaigning against the Taliban, US forces, Israel and ISIS. But all this was a long way from where he began - on the margins of a country whose ruler was regarded as a friend of the West. In this gripping account, Arash Azizi examines Soleimani's life, regional influence and future ambitions. He breaks new ground through interviews with Iranians, Afghans, Iraqis and Syrians who knew Soleimani for years, including his personal driver, the aides who accompanied him to his Moscow meeting with Vladimir Putin, and his brother. Through Soleimani, Azizi reveals the true nature of Iran's global ambitions, providing a rare insight into a country whose actions are much talked about but seldom understood.

WORLD REPORT 2020

EVENTS OF 2019

Seven Stories Press The best country-by-country assessment of human rights. The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

FIVE RINGS

THE SUPER BOWL HISTORY OF THE NEW ENGLAND PATRIOTS (SO FAR)

University Press of New England Since 2001 the Patriots have played in eight Super Bowl championships and won five, a run of excellence unparalleled in all of professional sports. In a league designed to ensure that no one franchise can dominate over time, New England won for over a decade and a half. A dynasty that began with an improbable run to a championship in 2001 has rebuilt, rebooted, and retooled several times over, winning most recently in 2017. But during those years, no other franchise reached the same level of controversy, drama, and turmoil - or even came close. Jerry Thornton, bestselling author of *From Darkness to Dynasty*, provides an all-access pass to the Patriots' years of unparalleled greatness from the unique perspective of an observant, obsessive, utterly dedicated fan.

THE MATRIARCH

BARBARA BUSH AND THE MAKING OF AN AMERICAN DYNASTY

Twelve INSTANT NEW YORK TIMES BESTSELLER "[The] rare biography of a public figure that's not only beautifully written, but also shockingly revelatory." -- *The Atlantic* A vivid biography of former First Lady Barbara Bush, one of the most influential and under-appreciated women in American political history. Barbara Pierce Bush was one of the country's most popular and powerful figures, yet her full story has never been told. *THE MATRIARCH* tells the riveting tale of a woman who helped define two American presidencies and an entire political era. Written by USA TODAY's Washington Bureau chief Susan Page, this biography is informed by more than one hundred interviews with Bush friends and family members, hours of conversation with Mrs. Bush herself in the final six months of her life, and access to her diaries that spanned decades. *THE MATRIARCH* examines not only her public persona but also less well-known aspects of her remarkable life. As a girl in Rye, New York, Barbara Bush weathered criticism of her weight from her mother, barbs that left lifelong scars. As a young wife, she coped with the death of her three-year-old daughter from leukemia, a loss that changed her forever. In middle age, she grappled with depression so serious that she contemplated suicide. And as first the wife and then the mother of American presidents, she made history as the only woman to see -- and advise -- both her husband and son in the Oval Office. As with many women of her era, Barbara Bush was routinely underestimated, her contributions often neither recognized nor acknowledged. But she became an astute and trusted political campaign strategist and a beloved First Lady. She invested herself deeply in expanding literacy programs in America, played a critical role in the end of the Cold War, and led the way in demonstrating love and compassion to those with HIV/AIDS. With her cooperation, this book offers Barbara Bush's last words for history -- on the evolution of her party, on the role of women, on Donald Trump, and on her family's legacy. Barbara Bush's accomplishments, struggles, and contributions are many. Now, Susan Page explores them all in *THE MATRIARCH*, a groundbreaking book certain to cement Barbara Bush as one of the most unique and influential women in American history.

THE DIPLOMAT IN THE CORNER OFFICE

CORPORATE FOREIGN POLICY

Stanford University Press In *The Diplomat in the Corner Office*, Timothy L. Fort, one of the founders of the business and peace movement, reflects on the progress of the movement over the past 15 years—from a niche position into a mainstream economic and international relations perspective. In the 21st century global business environment, says Fort, businesses can and should play a central role in peace-building, and he demonstrates that it is to companies' strategic advantage to do so. Anchoring his arguments in theories from economics and international relations, Fort makes the case that businesses must augment familiar notions of corporate responsibility and ethical behavior with the concept of corporate foreign policy in order to thrive in today's world. He presents a series of case studies focusing on companies that have made peace a goal, either as an end in itself or because of its instrumental value in building their companies, to articulate three different approaches that businesses can use to quell international conflict—peace making, peace keeping, and peace building. He then demonstrates their effectiveness and proposes policies that can be utilized by business, civil society, and government to increase the likelihood of business playing a constructive role in the conciliatory process. This book will be of enormous use not only to students and scholars but also to leaders in NGOs, government, and business.

MELANIA AND ME

THE RISE AND FALL OF MY FRIENDSHIP WITH THE FIRST LADY

Gallery Books #1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

TRUMPOCALYPSE

THE END-TIMES PRESIDENT, A BATTLE AGAINST THE GLOBALIST ELITE, AND THE COUNTDOWN TO ARMAGEDDON

Hachette UK From the authors of the international bestseller *The Babylon Code* comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency, and why the globalist elite and Deep State will stop at nothing—assassination, military coup, staged economic collapse, or worse—to overthrow him. "Trumpocalypse!" It's the media-coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III—an unprecedented nuclear apocalypse ending the world as we know it. But is the media telling us the truth? No, say internationally-recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize-nominated investigative journalist Troy Anderson. America's most insidious enemies are not hostile nations; they are elite globalists—the "Establishment" that is making the "1 percent" even richer while working- and middle-class people watch their incomes and net worth's flatline or plummet. The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception. Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical, economic and military affairs experts, faith leaders, and biblical scholars, McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions—government, education, entertainment, international banking, and even the media. *Trumpocalypse* explores the enigmatic prophecies and "biblical codes" involving Trump, and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end-time narrative unfolds, as many people with prophetic gifts are predicting, and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse. It further reveals why Trump and millions of "deplorables" are fighting to stop the hidden agenda of the Establishment, and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end-times awakening that millions are praying for. Here is an invitation to join the anti-Establishment surge—what evangelist Franklin Graham calls "the Christian revolution"—and discover how to fulfill your own destiny in the run-up to the Second Coming of Jesus Christ.

DONALD TRUMP AND HIS ASSAULT ON TRUTH

THE PRESIDENT'S FALSEHOODS, MISLEADING CLAIMS AND FLAT-OUT LIES

Scribner A NATIONAL BESTSELLER In perilous times, facts, expertise, and truth are indispensable. President Trump's flagrant disregard for the truth and his self-aggrandizing exaggerations, specious misstatements, and bald-faced lies have been rigorously documented and debunked since the first day of his presidency by The Washington Post's Fact Checker staff. *Donald Trump and His Assault on Truth* is based on the only comprehensive compilation and analysis of the more than 16,000 fallacious statements that Trump has uttered since the day of his inauguration. He has repeated many of his most outrageous claims dozens or even hundreds of times as he has sought to bend reality to his political fantasy and personal whim. Drawing on Trump's tweets, press conferences, political rallies, and TV appearances, The Washington Post identifies his most frequently used misstatements, biggest whoppers, and most dangerous deceptions. This book unpacks his errant statements about the economy, immigration, the impeachment hearings, foreign policy, and, of critical concern now, the coronavirus crisis as it unfolded. Fascinating, startling, and even grimly funny, *Donald Trump and His Assault on Truth* by The Washington Post is the essential, authoritative record of Trump's shocking disregard for facts.

THE TRUMP COLORING BOOK

Simon and Schuster "Let's Make Coloring Great Again!" AS SEEN ON CNN! Whether he's crossing the Delaware or playing chess with Putin, see Donald Trump like you've never seen him before! Over 50 drawings of Trump for you to color—any way you want! YOU decide what color his superhero costume is! YOU decide what shade his hair is! Are you For or Against? It's up to you! Now's your chance to show The Donald in his true colors! *The Trump Coloring Book* makes a great gift for all the Americans in your life!

THE TRUMPING OF AMERICA

A WAKE UP CALL TO THE FREE WORLD

FriesenPress Trump alone is not to blame... How does it reflect on North American societal values when wealth trumps humanity, selfish individualism trumps compassion, the need to be entertained and to win trumps the truth, and racism and misogyny are rewarded with the most powerful position in the world? The political rise of Donald Trump, from the cutthroat Republican primary process to his move to the White House, has ushered in a new age of politics in the United States. This is a comprehensive analysis of the events surrounding the 2016 presidential election and the unprecedented first year of

Donald Trump's presidency. Pamela Hines highlights the growing distortion of American democracy, which threatens political systems around the world. As a Canadian living just across the border, Hines provides a unique perspective on the international impact of the election; explores the roles of religion, racism, nationalism, and gender bias; and critiques the media and its reckless coverage of Trump's ascension. The Trump presidency is a wake-up call to citizens of the free world. Democracy is at risk, yet power remains in the hands of the people. This assault on democracy can be curtailed only if voters make informed decisions and understand the consequences of their choices—while they still have the right to choose.

TALLINN MANUAL 2.0 ON THE INTERNATIONAL LAW APPLICABLE TO CYBER OPERATIONS

Cambridge University Press *The new edition of the highly influential Tallinn Manual, which outlines public international law as it applies to cyber operations.*

I ALONE CAN FIX IT

DONALD J. TRUMP'S CATASTROPHIC FINAL YEAR

Penguin *The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. "Chilling." - Anderson Cooper "Jaw-dropping." - John Berman "Shocking." - John Heilemann "Explosive." - Hallie Jackson "Blockbuster new reporting." - Nicolle Wallace "Bracing new revelations." - Brian Williams "Bombshell reporting." - David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.*

THE INTERNATIONALISTS

HOW A RADICAL PLAN TO OUTLAW WAR REMADE THE WORLD

Simon and Schuster *"A bold and provocative history of how an overlooked 1923 treaty was among the most transformative events in modern history. On a hot summer afternoon in 1928, the leaders of the world assembled in Paris to outlaw war. Within the year, the treaty signed that day, known as the Peace Pact, had been ratified by nearly every state in the world. War, for the first time in history, had become illegal the world over. But the promise of that summer day was fleeting. Within a decade of the signing of the Pact, each state that had gathered in Paris to renounce war was at war. And in the century that followed, the Peace Pact was dismissed as an act of folly and an unmistakable failure. This book argues that that understanding is inaccurate, and that the Peace Pact ushered in a sustained march toward peace that lasts to this day. [This book] tells the story of the Peace Pact by placing it in the long history of international law from the seventeenth century through the present. It details the brutal world of conflict the Peace Pact helped extinguish and the subsequent era where tariffs took the place of tanks. Accessible and gripping, this hook will change the way we view the history of the twentieth century--and show how we must work together to protect the global order the internationalists fought to make possible."--Jacket.*

A WARNING

Hachette UK *An unprecedented behind-the-scenes portrait of the Trump presidency from the anonymous senior official whose first words of warning about the president rocked the nation's capital. On September 5, 2018, the New York Times published a bombshell essay and took the rare step of granting its writer anonymity. Described only as "a senior official in the Trump administration," the author provided eyewitness insight into White House chaos, administration instability, and the people working to keep Donald Trump's reckless impulses in check. With the 2020 election on the horizon, Anonymous is speaking out once again. In this book, the original author pulls back the curtain even further, offering a first-of-its-kind look at the president and his record -- a must-read before Election Day.*

It will surprise and challenge both Democrats and Republicans, motivate them to consider how we judge our nation's leaders, and illuminate the consequences of re-electing a commander in chief unfit for the role. This book is a sobering assessment of the man in the Oval Office and a warning about something even more important -- who we are as a people.

INTERIOR STATES

ESSAYS

Anchor Winner of The Believer Book Award for Nonfiction "Meghan O'Gieblyn's deep and searching essays are written with a precise sort of skepticism and a slight ache in the heart. A first-rate and riveting collection." --Lorrie Moore A fresh, acute, and even profound collection that centers around two core (and related) issues of American identity: faith, in general and the specific forms Christianity takes in particular; and the challenges of living in the Midwest when culture is felt to be elsewhere. What does it mean to be a believing Christian and a Midwesterner in an increasingly secular America where the cultural capital is retreating to both coasts? The critic and essayist Meghan O'Gieblyn was born into an evangelical family, attended the famed Moody Bible Institute in Chicago for a time before she had a crisis of belief, and still lives in the Midwest, aka "Flyover Country." She writes of her "existential dizziness, a sense that the rest of the world is moving while you remain still," and that rich sense of ambivalence and internal division inform the fifteen superbly thoughtful and ironic essays in this collection. The subjects of these essays range from the rebranding (as it were) of Hell in contemporary Christian culture ("Hell"), a theme park devoted to the concept of intelligent design ("Species of Origin"), the paradoxes of Christian Rock ("Sniffing Glue"), Henry Ford's reconstructed pioneer town of Greenfield Village and its mixed messages ("Midwest World"), and the strange convergences of Christian eschatology and the digital so-called Singularity ("Ghosts in the Cloud"). Meghan O'Gieblyn stands in relation to her native Midwest as Joan Didion stands in relation to California - which is to say a whole-hearted lover, albeit one riven with ambivalence at the same time.

COMPROMISED

COUNTERINTELLIGENCE AND THE THREAT OF DONALD J. TRUMP

The FBI veteran behind the Russia investigation draws on decades of experience hunting foreign agents in the United States to lay bare the threat posed by President Trump.

HEROES OF THE SKIES

Hachette UK Since the dawn of aerial combat in the First World War, the heroism of the men who put their lives at risk in the air has known no bounds. There were no more heroic airmen than the fighter pilots and bomber crews of the Second World War - men who sacrificed their own lives in order to save their crew or who, although in extreme pain, managed to get their aircraft home rather than risk becoming PoWs. In telling the stories of more than eighty such men, *Heroes of the Skies* paints a picture of aerial combat from the First World War right through to Afghanistan, and allows us to celebrate the extraordinary feats of our flying heroes.

HATE INC

WHY TODAY'S MEDIA MAKES US DESPISE ONE ANOTHER

THE UNITED STATES IN THE INDO-PACIFIC

OBAMA'S LEGACY AND THE TRUMP TRANSITION

Manchester University Press This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. This edited collection examines the political, economic and security legacies of former US President Barack Obama in Asia and the Pacific, following two terms in office between 2009 and 2017. In a region that has only become more vivid in the American political imagination since Obama left office, this volume interrogates the endurance of Obama's legacies in what is increasingly reimagined in Washington as the Indo-Pacific. Advancing our understanding of Obama's style, influence and impact throughout the region, this volume explores dimensions of US relations and interactions with key Indo-Pacific states including China, India, Japan, North Korea and Australia; multilateral institutions and organisations such as the East Asia Summit and ASEAN; and salient issue areas such as regional security, politics and diplomacy, and the economy. How far has the Trump administration progressed in challenging or disrupting Obama's Pivot to Asia? What differences can we discern in the declared or effective US strategy towards Asia and to what extent has it radically shifted or displaced Obama-era legacies? Including contributions from high-profile scholars and policy practitioners such as Michael Mastanduno, Bruce Cumings, Maryanne Kelton, Robert Sutter

and Sumit Ganguly, contributors examine these questions at the halfway point of the 2017–21 Presidency of Donald Trump, as his administration opens a new and potentially divergent chapter of American internationalism.

SPECIAL FORCES HEROES

Hachette UK *This ebook edition contains the full text version as per the book. Doesn't include original photographic and illustrated material. This book tells the stories of forty heroes, all awarded bravery medals for their conduct during Special Forces missions over the last 150 years. Often covert hit-and-run operations involving very small numbers of highly skilled men, those who partake in these missions know that their goals involve a high level of risk. They are men who would die for their country, no questions asked. With many incredible stories, particularly from the Second World War, including the Cockleshell Heroes, and other conflicts from the twentieth century, such as the Iranian Embassy siege, this collection of real-life action adventure brings the bravery of Britain's heroes to life. Every medal in Lord Ashcroft's extensive collection tells a story and these are some of the most thrilling.*

UNMAKING THE PRESIDENCY

DONALD TRUMP'S WAR ON THE WORLD'S MOST POWERFUL OFFICE

Farrar, Straus and Giroux *"This is a book for everyone who has developed an unexpected nostalgia for political 'norms' during the Trump years . . . Other books on the Trump White House expertly detail the mayhem inside; this book builds on those works to detail its consequences." —Carlos Lozada (one of twelve books to read "to understand what's going on") "Perhaps the most penetrating book to have been written about Trump in office." —Lawrence Douglas, The Times Literary Supplement The definitive account of how Donald Trump has wielded the powers of the American presidency The extraordinary authority of the U.S. presidency has no parallel in the democratic world. Today that authority resides in the hands of one man, Donald J. Trump. But rarely if ever has the nature of a president clashed more profoundly with the nature of the office. Unmaking the Presidency tells the story of the confrontation between a person and the institution he almost wholly embodies. From the moment of his inauguration, Trump has challenged our deepest expectations of the presidency. But what are those expectations, where did they come from, and how great is the damage? As editors of the "invaluable" (The New York Times) Lawfare website, Susan Hennessey and Benjamin Wittes have attracted a large audience to their hard-hitting and highly informed commentary on the controversies surrounding the Trump administration. In this book, they situate Trump-era scandals and outrages in the deeper context of the presidency itself. How should we understand the oath of office when it is taken by a man who may not know what it means to preserve, protect, and defend something other than himself? What aspects of Trump are radically different from past presidents and what aspects have historical antecedents? When has he simply built on his predecessors' misdeeds, and when has he invented categories of misrule entirely his own? By setting Trump in the light of history, Hennessey and Wittes provide a crucial and durable account of a presidency like no other.*

TRUMP IS F*CKING CRAZY

(THIS IS NOT A JOKE)

Penguin *Witty, acerbic, hard-hitting, and timely, Keith Olbermann's Donald Trump commentaries come adapted from his hit GQ series The Resistance. Since Donald Trump's presidential nomination, Keith Olbermann has emerged as one of the web's most popular anti-Trump screedists—each installment of his GQ web series The Resistance receives nearly four million views, and his fiercely progressive monologues have garnered a new generation of fans and followers. In TRUMP IS F*CKING CRAZY, Olbermann takes our Commander in Chief and his politics apart with journalistic acuity and his classic in-your-face humor. With more than 50 individual essays adapted from his GQ commentaries, including new up-to-the-minute material, TRUMP IS F*CKING CRAZY is essential reading for concerned citizens who—like Olbermann—refuse to normalize or accept our new political reality.*

WHERE LAW ENDS

INSIDE THE MUELLER INVESTIGATION

Random House *In May 2017, Robert Mueller was tapped to lead an inquiry into Russian interference in the 2016 presidential election, coordination by foreign agents with Donald Trump's campaign, and obstruction of justice by the president. For the next twenty-two months the investigation was a black box and the subject of endless anticipation and speculation--until April 2019, when the special counsel's report was released. Weissmann-- a key player in the Special Counsel's Office-- pulls back the curtain to reveal exactly what went on inside the investigation, including the heated debates, painful deliberations, and mistakes of the team-- not to mention the external efforts by the president and Attorney General William Barr to manipulate the investigation to their political ends. -- adapted*

HERE'S THE DEAL

A MEMOIR

Simon and Schuster *Among the Trump era's savviest insiders, one name stands especially tall: Kellyanne. As a highly respected pollster for corporate and Republican clients and a frequent television talk show guest, Kellyanne Conway had already established herself as one of the brightest lights on the national political scene when Donald Trump asked her to run his presidential campaign. She agreed, delivering him to the White House, becoming the first woman in American history to manage a winning presidential campaign, and changing the American landscape forever. Who she is, how she did it, and who tried to stop her is a fascinating story of personal triumph and political intrigue that has never been told...until now. In Here's The Deal, Kellyanne takes you on a journey all the way to the White House and beyond with her trademark sharp wit, raw honesty, and level eye. It's all here: what it's like to be dissected on national television. How to outsmart the media mob. How to outclass the crazy critics. How to survive and succeed male-dominated industries. What happens when the perils of social media really hit home. And what happens when the divisions across the country start playing out in one's own family. In this open and vulnerable account, Kellyanne turns the camera on herself. What she has to share—about our politics, about the media, about her time in the White House, and about her personal journey—is an astonishing glimpse of visibility and vulnerability, of professional and personal highs and lows, and ultimately, of triumph.*

THE SUBLIMITY OF DOCUMENT

CINEMA AS DIORAMA

Oxford University Press, USA *"The Sublimity of Document: Cinema as Diorama is a collection of in-depth, substantive interviews with filmmakers devoted to documenting places and events that most of us never get to see--often, places and events that have considerable influence on our lives. The 27 interviews offer an engaging panorama of the recent history and geography of cinema devoted to documenting the world around us, as well as an in-depth look at the challenges and accomplishments of filmmakers willing to go anywhere on the planet (or on the internet!) to document what they believe we need to see"--*

OUR BROKEN ELECTIONS

HOW THE LEFT CHANGED THE WAY YOU VOTE

Encounter Books *Behind the deeply contentious 2020 election stands a real story of a broken election process. Election fraud that alters election outcomes and dilutes legitimate votes occurs all too often, as is the bungling of election bureaucrats. Our election process is full of vulnerabilities that can be — and are — taken advantage of, raising questions about, and damaging public confidence in, the legitimacy of the outcome of elections. This book explores the reality of the fraud and bureaucratic errors and mistakes that should concern all Americans and offers recommendations and solutions to fix those problems.*

SPECIAL OPS HEROES

Hachette UK *Special Ops Heroes tells the extraordinary stories behind Lord Ashcroft's collection of SAS and other Special Forces medals - the largest of its kind in the world. The action-packed stories span some sixty years from the exploits of the newly-formed SAS early in the Second World War to the end of the twentieth century. It features several remarkable groups of medals for some of the most audacious escapades of the Second World War as well as more recent medals awarded for bravery in Northern Ireland, Darfur and at the Iranian Embassy Siege in London.*

#DELETED

BIG TECH'S BATTLE TO ERASE A MOVEMENT AND SUBVERT DEMOCRACY

Hachette UK *Uncover the hidden systems created by the most powerful tech companies in the world that are determined to stop Donald Trump. Journalist Allum Bokhari has spent four years investigating the tech giants that dominate the Internet: Google, Facebook, YouTube, Twitter. He has discovered a dark plot to seize control of the flow of information, and utilize that power to its full extent—to censor, manipulate, and ultimately sway the outcome of democratic elections. His network of whistleblowers inside Google, Facebook and other companies explain how the tech giants now see themselves as*

"good censors," benevolent commissars controlling the information we receive to "protect" us from "dangerous" speech. They reveal secret methods to covertly manipulate online information without us ever being aware of it, explaining how tech companies can use big data to target undecided voters. They lift the lid on a plot four years in the making—a plot to use the power of technology to stop Donald Trump's re-election.

THE REAL PSYCHOLOGY OF THE TRUMP PRESIDENCY

Springer Nature *The United States has never had a president quite like Donald J. Trump. He violated every rule of conventional presidential campaigns to win a race that almost no one, including at times he himself, thought he would win. In so doing, Trump set off cataclysmic shock waves across the country and world that have not subsided and are unlikely to as long as he remains in office. Critics of Trump abound, as do anonymously sourced speculations about his motives, yet the real man behind this unprecedented presidency remains largely unknown. In this innovative analysis, American presidency scholar and trained psychoanalyst Stanley Renshon reaches beyond partisan narrative to offer a serious and substantive examination of Trump's real psychology and controversial presidency. He analyzes Trump as a preemptive president trying to become transformative by initiating a Politics of American Restoration. Rigorously grounded in both political science and psychology scholarship, The Real Psychology of the Trump Presidency offers a unique and thoughtful perspective on our controversial 45th president.*

KNOW YOUR VALUE

WOMEN, MONEY, AND GETTING WHAT YOU'RE WORTH (REVISED EDITION)

Hachette UK *The bestselling motivational guide that TheAtlantic.com calls "a rallying cry for women to get the money they deserve." Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for -- and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of Morning Joe, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face -- and play into. Now expanded to address gender dynamics in the #MeToo era, Know Your Value blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), Know Your Value provides vital advice to help women be their own best advocates.*

TALLINN MANUAL ON THE INTERNATIONAL LAW APPLICABLE TO CYBER WARFARE

Cambridge University Press *The result of a three-year project, this manual addresses the entire spectrum of international legal issues raised by cyber warfare.*

LIBERAL PRIVILEGE

JOE BIDEN AND THE DEMOCRATS' DEFENSE OF THE INDEFENSIBLE
