A Beautiful Disaster Finding Hope in the Midst of Brokenness Brazos Press Interweaving biblical insights and personal narratives, this eloquently written book shows how God often uses suffering and desert experiences to form us into Christ's image. Marlena Graves shares her experiences of growing up poor in a house plagued by mental illness as a means to explore the forces God uses to shape us into beautiful people in the midst of brokenness. This book offers a window into suffering through the motif of desert spirituality, revealing how God can use our painful experiences to show himself faithful. While no one welcomes suffering, God often uses desert experiences--those we initially despise and wouldn't wish on anyone--to transform us into beautiful souls who better resemble Jesus. Graves shows how God can bring life out of circumstances reeking of death and destruction, whether those circumstances are crises or daily doses of quiet desperation. Readers who have experienced suffering and question God's purpose for it will benefit from this book, as will counselors, pastors, professors, and mentors. It includes a foreword by John Ortberg and Laura Ortberg Turner. **Beautiful Disaster Signed Limited Edition A Novel** Simon and Schuster Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time. **The Most Beautiful Disaster How God Makes Miracles Out of Our Mistakes** Faithwords Hope Carpenter nearly destroyed her family, her church, and her ministry by living a double life, but then God did something miraculous. Out of her brokenness, He made something beautiful. As co-pastor of one of the nation's largest megachurches, Hope Carpenter had perfected the roles of supportive wife, good mother, devoted worship leader, and dutiful homemaker. But inside, she was secretly ashamed, sad, and afraid. She didn't know who she was, and she didn't know how to ask for help without bringing down the whole façade. A series of bad choices led to multiple affairs; her husband kicked her out and announced from the pulpit of their church that their marriage was over. Hope was sure her life was done. But in her lowest moments, something beautiful happened. God met her there, and, with a lot of hard work, time, and mountains of therapy, she started to understand the pain that had caused her to act out. She and her family faced their brokenness together, and in powerful acts of forgiveness only God could have arranged, they all found real breakthrough and healing. Ron and Hope rebuilt their marriage and their family, and their ministry thrives today. In *The Most Beautiful Disaster*, Hope helps readers understand the lasting impact of childhood trauma and gives readers practical steps to uncovering the root of pain in their own lives. She shows how small decisions can lead to big changes, and helps readers find healing and wholeness in Scripture and prayer. Ultimately, readers will be led to hope, reconciliation, and true freedom. **The Most Beautiful Disaster How God Makes Miracles Out of Our Mistakes** Hachette UK Hope Carpenter opens up about her personal struggles that nearly destroyed her family, her church, and her ministry, but then God did something miraculous—out of her brokenness, He made something beautiful. How husbands and wives respond to these challenges determines the kind of people they will become and the kind of marriage they will have. *Making Marriage Beautiful* reveals how the pursuit of Christ results in profound transformation for both the individual and the marriage. Original. **The Color of Life A Journey toward Love and Racial Justice** Zondervan In this spiritual memoir, a white woman in an interracial marriage and mixed-race family paints a beautiful path from white privilege toward racial healing, from ignorance toward seeing the image of God in everyone she meets. Author and speaker Cara Meredith grew up in a colorless world. From childhood, she didn't think issues of race had anything to do with her, and she was ignorant of many of the racial realities (including individual and systemic racism) in America today. A colorblind rhetoric had been stamped across her education, world view, and Christian theology. Then as an adult, Cara's life took on new, colorful hues. She realized that white people in her generation, seeking to move beyond ancestral racism, had swung so far in believing a colorblind rhetoric that they tried to act as if they didn't see race at all. When Cara met and fell in love with the son of black icon, James Meredith, the power of love helped her see color. She began to notice the shades of life already present in the world around her, while also learning to listen in new ways to black voices of the past. After she married and their little family grew to include two mixed-race sons, Cara knew she would never see the world through a colorless lens again. Cara Meredith's journey will serve as an invitation into conversations of justice, race, and privilege, asking key questions, such as: What does it mean to navigate ongoing and desperately needed conversations of race and justice? What does it mean for white people to listen and learn from the realities our black and brown brothers and sisters face every day? What does it mean to teach the next generation a theology of justice, reconciliation, and love? What does it mean to dig into the stories of our past, both historically and theologically, to see the imago Dei in everyone? Plus, Cara offers an extensive Notes and Recommended Reading section at the end of the book, so you can continue learning, listening, and engaging in this important conversation. **A Beautiful Wedding A Beautiful Disaster Novella** Simon and Schuster "You know that Abby Abernathy unexpectedly became Mrs. Maddox. I want to belong, but I do not know how." There was a time when being a part of a church was not a decision you made but a reality you inhabited. But today belonging to the church has become a lost art, especially for millennials whose church experience is often summed up in one word: none. Erin Lane's church experience might be better described in two words: "It's complicated." Having grown up in a church, she has an appreciation for liturgy and covenant community. Having graduated from divinity school and taken a job in spiritual formation, she appreciates the structured, shared pursuit of theological and spiritual integrity. Having married a pastor, she sort of had church coming. Yet she wasn't always sure how to belong. With earnest persistence, Erin practiced the hard (and often surprising) lessons of community. Her story is an invitation to reclaim God's promise of inclusion and live like we belong to one another. **The Gospel of Peace in a Violent World Christian Nonviolence for Communal Flourishing** InterVarsity Press The gospel of Jesus Christ is the good news of peace. A Walking Disaster What Surviving Katrina and Cancer Taught Me About Faith and Resilience Templeton Press Is there a meaning to our suffering? Is hope realistic when tragedy befalls us? Is a return to normalcy possible after our life is uprooted by catastrophe? These are the questions that disaster psychologist Dr. Jamie Aten wrestled with when he was diagnosed with Stage IV colon cancer. In this gripping memoir, Aten shares the life-affirming and faith-renewing insights that he discovered during his tumultuous struggle against the disease. Aten's journey began in 2005 when Hurricane Katrina struck his community. After witnessing the devastation wrought by the storm, he dedicated his career to investigating how people respond to and recover from all manner of disasters. He studied disaster zones around the globe and founded the Humanitarian Disaster Institute at Wheaton College. His expertise, however, was little comfort when a fateful visit with his oncologist revealed advanced and aggressive cancer. "You're in for your own personal disaster" was his doctor's prognosis. Thrust into a battle for his life, with cancer cells and chemotherapy ravaging his body, Aten found his professional interest taking on new meaning. His ordeal taught him firsthand how we can sustain ourselves when burdened with seemingly unbearable suffering. Some of his counterintuitive insights include: to find hope, be cautious of optimism; when you want help the least is when you need it most; and spiritual surrender, rather than a passive act, is instead an act of profound courage. This last point speaks to the element of grace in Dr. Aten's story. As he struggled to understand the significance of his suffering, he found himself examining his Christian faith down to its bedrock and learned to experience the redeeming presence of God in his life. Dr. Aten has a natural exuberance that shines through his writing. Infused with his compassionate voice and humanitarian concern, *A Walking Disaster* is ultimately an inspirational story about the power of the human spirit to endure trauma with courage.
