## **KEY=BLUEJACKETS - BUCKLEY GALVAN**

---

**The Bluejacket's Manual, 25th Edition** For well over a century, this venerable book has been a mandatory part of every Sailor's sea bag. When it first appeared in 1902, there were instructions on rowing and sailing, "sighting telescopes," and "wig-wag" code, all subjects of importance to the Bluejackets of the day. This new edition reflects technologies, cultural attitudes, and terminology that would be foreign to those turn-of-the-century Sailors, but the relevance of this long-standing reference and instructional guide remains. Written by a Sailor whose service included sea duty in patrol craft, destroyers, cruisers, and aircraft carriers as both an officer and a "white hat," this newest edition has been overhauled once again to reflect the current state of the ever-evolving U.S. Navy, including changes in uniforms, ratings, ships, aircraft, and personal policies, among many others. Primarily intended to serve Sailors (from seamen to admirals), this book has long been used by potential recruits, Navy buffs, and a cadre of dedicated collectors. **The Bluejackets' Manual** *Naval Inst Press* In 1902 when Lt. Ridley McLean first wrote this "sailor's bible," he described it as a manual for every person in the naval service. One hundred years later, it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel--from seaman to admiral. New technology is artfully blended with ancient heritage, facts and figures are augmented by helpful advice, and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century. Updated throughout, the book provides the latest Navy ratings, uniforms, ships, aircraft, and weapons as well as current Navy policies on hazing, fraternization, education, and physical fitness, and a completely new chapter explaining the Navy's mission in terms of its rich heritage. **The Bluejackets' Manual** *US Naval Institute Press* **The Bluejackets' Manual** *US Naval Institute Press* **Containing information on the US Navy's customs and ceremonies, this new edition includes details of the**

recent technological advances in today's Navy. The book has sections covering weapons, ships and aircraft, training procedures and the code of military justice. The Bluejackets' Manual *Рипол Классик* The Bluejackets' Manual, United States Navy 1927 The Bluejackets' Manual, United States Navy, 1927, Seventh Ed., Rev. May 1927 The Bluejackets' Manual The Bluejackets' Manual United States Navy, 1918 The Bluejackets' Manual The Bluejackets' Manual The Bluejackets' Manual *Naval Inst Press* The Bluejackets' Manual United States Navy, 1944 The Bluejackets' Manual United States Navy, 1927 The Bluejackets' Manual *US Naval Institute Press* The Bluejackets' Manual, United States Navy, 1917 The Bluejackets' Manual United States Navy 1946 Naval Training Bulletin The Bluejackets' manual The Bluejackets' Manual The Bluejackets' Manual (1902) The Bluejackets' Manual - Primary Source Edition *Nabu Press* This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. The Bluejacket's Manual, 26th Edition The 26th edition of The Bluejacket's Manual continues the tradition of previous editions of this iconic work by serving as both an introduction to neophyte U.S. Navy Sailors and as a career-long reference work for all who wear the Blue and Gold. Readers of previous editions will note two significant changes in this latest rendition. The first recognizes the U.S. Navy's current emphasis on warfighting. While routine and administrative guidance--such things as uniforms, honors, and ceremonies, pay and benefits, standards of conduct, etc.--remain, this latest edition places greater emphasis on those aspects that Sailors are likely to encounter and must prepare for in the event of combat. The first chapter is titled and focused on warfighting, reflecting the emphasis on "Warrior Toughness" in the training curriculum at Recruit Training Command (AKA "boot camp") at Great Lakes, Illinois. Readers will find that this training emphasizes the psychological as well as practical aspects of preparation, providing a kind of "philosophy" that is tailored to Bluejackets who may well find themselves facing the challenges inherent to combat operations. Other chapters in the book--such as Weapons and Damage Control--complement this emphasis. The second major change to the book is its organization of information. The result is a more user-friendly book As always, the major purpose of revision is to bring the included information relevant and up to date. Readers will find coverage of those aspects of the Bluejacket's world that are evolving. Such things as cyberwar and drones are now included with the emphasis on warfighting. The Bluejacket's Manual, 26th Edition is a comprehensive yet manageable reference that will continue to serve the needs of the Navy and those who serve. Together the Johnsons flew and sailed to Borneo, to Kenya, and to the Congo, filming Simba and other popular nature movies with Martin behind the camera and Osa holding her rifle at the ready in case the scene's big game star should turn hostile. This bestselling memoir retraces their careers in rich detail, with precisely observed descriptions and often heart-stopping anecdotes. Illustrated with scores of the dramatic photos that made the Johnsons famous, it's a book sure to delight every lover of true adventure.
