Echo Park

Grand Central Publishing In 1993 Marie Gesto disappeared after walking out of a supermarket. Harry Bosch worked the case but couldn't crack it, and the twenty-two-year-old was never found. Now, more than a decade later, with the Gesto file still on his desk, Bosch gets a call from the District Attorney. A man accused of two heinous murders is willing to come clean about several others, including the killing of Marie Gesto. Taking the confession of the man he has sought-and hated-for thirteen years is bad enough. Discovering that he missed a clue back in 1993 that could have stopped nine other murders may just be the straw that breaks Harry Bosch.

Echo Park

Bestseller Connelly's compelling 12th Harry Bosch novel (after 2005's The Closers) offers some new wrinkles on a familiar theme?the aging detective haunted by the one who got away. In Bosch's case, the elusive quarry is the man who abducted a 22-year-old equestrian, Marie Gesto, in 1993. Having returned to active duty as a member of the LAPD Open-Unsolved Unit, Bosch repeatedly pulls the file to see if he can discover something new and give some small solace to the victim's parents. When a chance police stop of a suspicious vehicle nets serial killer Raynard Waits, who's carrying body parts in his van, Bosch assesses the murderer's claim that he was responsible for killing Gesto, too. The weary and cynical detective soon suspects that Waits is trying to barter information for a reduced sentence of life imprisonment. Political motivations connected with the upcoming DA election also cloud the investigation. Smooth prose and plausible characters?even the secondary figures?elevate this several notches above the standard cop vs. serial-killer thriller.

The Closers

Hachette UK In this #1 New York Times bestseller, Detective Harry Bosch joins LA's elite Open/Unsolved Unit to help piece together the mysterious death of a teenage girl. He walked away from the job three years ago. But Harry Bosch cannot resist the call to join the elite Open/Unsolved Unit. His mission: solve murders whose investigations were flawed, stalled, or abandoned to L.A.'s tides of crime. With some people openly rooting for his failure, Harry catches the case of a teenager dragged off to her death on Oat Mountain, and traces the DNA on the murder weapon to a small-time criminal. But something bigger and darker beckons, and Harry must battle to fit all the pieces together. Shaking cages and rattling ghosts, he will push the rules to the limit -- and expose the kind of truth that shatters lives, ends careers, and keeps the dead whispering in the night . . .

Lost Light

Hachette UK In this New York Times bestseller, retired LAPD detective Harry Bosch wants justice for a murdered production assistant -- but without his police badge, can he take down a powerful and ruthless killer? The vision has haunted him for four years -- a young woman lying crumpled in death, her hand outstretched in silent supplication. Harry Bosch was taken off the Angella Benton murder case when the production assistant's death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the L.A.P.D., Bosch is determined to find justice for Angella. Without a badge to open doors and strike fear into the guilty, he's on his own. And even in the face of an opponent more powerful and ruthless than any he's ever encountered, Bosch is not backing down.

The Overlook

Hachette UK An execution on the overlook above the Mulholland Dam entangles Bosch with FBI Agent Rachel Walling and Homeland Security. The brilliant thirteenth Harry Bosch novel from the award-winning No. 1 bestselling author. When a physicist is murdered in LA, it seems the killer has no fear of publicity, leaving the body on the Mulholland overlook, a site with a stunning view over the city. And when it's discovered that the victim turned over a quantity of a lethal chemical to his killer before he died, Harry knows he has more than just a single death to worry about. Alongside the forces of Homeland Security, Harry realises he must solve the murder or face unimaginable consequences.

To make matters worse, Harry Bosch recognises the victim. Billy Meadows was a fellow 'tunnel rat' in Vietnam, running against the VC and the fear they all used to call the Black Echo. Crime Beat

A Decade of Covering Cops and Killers

Little Brown From Michael Connelly's first career as a prize-winning crime reporter comes this collection of the gripping, true stories that have inspired and informed his novels.

The Drop

Grand Central Publishing Harry Bosch has been given three years before he must retire from the LAPD, and he wants cases more fiercely than ever. In one morning, he gets two. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics. Councilman Irvin Irving's son jumped or was pushed from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many as three decades, and a political conspiracy that goes back into the dark history of the police department.

Innocent Blood

The Black Box

Little, Brown In this "superb" thriller, Detective Harry Bosch links the bullet from a recent crime to the unsolved killing of a young female photographer during the 1992 L.A. riots (Wall Street Journal). In a case that spans 20 years, Harry Bosch links the bullet from a recent crime to a file from 1992, the killing of a young female photographer during the L.A. riots. Harry originally investigated the murder, but it was then handed off to the Riot Crimes Task Force and never solved. Now Bosch's ballistics match indicates that her death was not random violence, but something more personal, and connected to a deeper intrigue. Like an investigator combing through the wreckage after a plane crash, Bosch searches for the "black box," the one piece of evidence that will pull the case together. Riveting and relentlessly paced, The Black Box leads Harry Bosch, "one of the greats of crime fiction" (New York Daily News), into one of his most fraught and perilous cases.

To make matters worse, Bosch has just received a note, eerily reminiscent of the ones the Dollmaker used to taunt him with, giving him a location where a body can be found. The Burning Room

Hachette UK In this #1 New York Times bestseller, Detective Harry Bosch and his rookie partner investigate a cold case that gets very hot . . . very fast. In the LAPD's Open-Unsolved Unit, not many murder victims die a decade after the crime. So when a man succumbs to complications from being shot by a stray bullet ten years earlier, Bosch catches a case in which the body is still fresh, but any other clues are virtually nonexistent. Even a veteran cop would find this one tough going, but Bosch's new partner, Detective Lucia Soto, has no homicide experience. A young star in the department, Soto has been assigned to Bosch so that he can pass on to her his hard-won expertise. Now Bosch and Soto are tasked with solving a murder that turns out to be highly charged and politically sensitive. Beginning with the bullet that has been lodged for years in the victim's spine, they must pull new leads from years-old evidence, and these soon reveal that the shooting was anything but random. As their investigation picks up speed, it leads to another unsolved case with even greater stakes: the deaths of several children in a fire that occurred twenty years ago. But when their work starts to threaten careers and lives, Bosch and Soto must decide whether it is worth risking everything to find the truth, or if it's safer to let some secrets stay buried.
