But it seems Nikki has touched his heart, and surprisingly, Cole agrees to help in the only way he can - by taking Nikki to the Everneath himself. As they descend into the heart of the Everneath Nikki and Cole discover that their journey will be more difficult than they'd anticipated, and more deadly. Nikki vows to stop at nothing to save Jack - even if it means making an incredible sacrifice of her own... But Cole tricked Nikki as they journeyed through the labyrinth of the Everneath, and now she's started turning into an Everliving just like him. Desperate to find a way to reverse the process, Nikki and Jack try everything they can think of. Even Cole becomes an unlikely ally, but for how long? eternity in the Underworld-or does she have what it takes to bring down the Everneath once and for all? Neverfall [Harper Collins](#) A thrilling new novella from the author of the Everneath series! Jack is trapped for eternity in the Tunnels while Nikki has managed to evade Cole's grasp . . . for now. But Cole is more desperate than ever to find answers about Nikki, his best chance for taking over the throne of the underworld. How did she survive the Feed? Cole's quest leads him to the other side of the world, to a mysterious, dangerous society known as the Delphinians, whose price for information might be higher than Cole can pay—a price that could destroy Nikki. But when Cole attempts to steal the answers instead, his mission ends in disaster. Faced with centuries in a Delphinian dungeon, Cole is confronted with questions he's been too scared to ask himself: Is he really obsessed with the throne—or is he obsessed with Nikki? And can she really give him a new beginning as the Everneath's king . . . or will she instead bring about his tragic end? Everbound [Harper Collins](#) In Brodi Ashton's breathtaking sequel to Everneath—about which New York Times bestselling author Ally Condie said, "Ashton's lovely storytelling and strong-on-her-own-terms main character set this one apart. Ever since Nikki Beckett watched as her boyfriend, Jack, sacrificed himself to save her, taking her place in the dark Tunnels of the Everneath for eternity, she's been living a borrowed life. My Calamity Jane [HarperTeen](#) Hold on to your hats: The authors who brought you the New York Times bestseller My Plain Jane, which [Booklist](#) praised as "delightfully deadpan" (starred review) and [Publishers Weekly](#) called "a clever, romantic farce" (starred review), are back with another irreverent historical adventure. Welcome to 1876 America, a place bursting with gunslingers, outlaws, and garou--better known as werewolves. And where there are garou, there're hunters: the one and only Calamity Jane, to be precise, along with her fellow stars of Wild Bill's Traveling Show, Annie Oakley and Frank "the Pistol Prince" Butler. After a garou hunt goes south and Jane finds a suspicious-like bite on her arm, she turns tail for Deadwood, where there's talk of a garou cure. But rumors can be deceiving--meaning the gang better hightail it after her before they're a day late and a Jane short. In this perfect next read for fans of A Gentleman's Guide to Vice and Virtue, bestselling authors Cynthia Hand, Jodi Meadows, and Brodi Ashton bring their signature spark to the side-splittin', whopper-filled (but actually kind of factual?) tale of Calamity Jane. Heldring writes with insight and restraint."—The Horn Book *The Thief* [HarperCollins](#) Nothing is overdone and not a word is out of place in this auspicious debut," wrote Kirkus in a starred review of *Instead of Three Wishes*, the first book by Megan Whalen Turner. Her second book more than fulfills that promise. The king's scholar, the magus, believes he knows the site of an ancient treasure. To attain it for his king, he needs a skillful thief, and he selects Gen from the king's prison. The magus is interested only in the thief's abilities. What Gen is interested in is anyone's guess. Their journey toward the treasure is both dangerous and difficult, lightened only imperceptibly by the tales they tell of the old gods and goddesses. Megan Whalen Turner weaves Gen's stories and Gen's story together with style and verve in a novel that is filled with intrigue, adventure, and surprise. *My Imaginary Mary* [HarperTeen](#) It's aliiiiiiiive! New York Times bestselling authors of *My Lady Jane* are back with the electric, poetic, and (almost) historical tale of the one and only Mary Shelley. Mary may have inherited the brilliant mind of her late mother, Mary Wollstonecraft, but she lives a drab life above her father's bookstore, waiting for an extraordinary idea that'll inspire a work worthy of her parentage--and impress her rakishly handsome (and super-secret) beau, Percy Shelley. Ada Lovelace knows a thing or two about superstar parents, what with her dad being Lord Byron, the most famous poet on Earth. But her passions lie far beyond the arts--in mechanical engineering, to be exact. Alas, no matter how precise Ada's calculations, there's always a man willing to claim her ingenious ideas as his own. Pan, a.k.a. Practical Automaton Number One, is Ada's greatest idea yet: a machine that will

change the world, if only she can figure out how to make him truly autonomous . . . or how to make him work at all. When fate connects our two masterminds, Mary and Ada learn that they are fae--magical people with the ability to make whatever they imagine become real. But when their dream team results in a living, breathing, thinking PAN, Mary and Ada find themselves hunted by a mad scientist who won't stop until he finds out how they made a real boy out of spare parts. With comic genius and a truly electrifying sense of adventure, Cynthia Hand, Brodi Ashton, and Jodi Meadows continue their campaign to turn the classics on their head in this YA fantasy that's perfect for fans of *Frankenstein* and *The Gentleman's Guide to Vice and Virtue*. *The Catastrophic History of You And Me* [Penguin](#) An addictively page-turning romance for fans of *Before I Fall* and *The Fault in Our Stars* Brie is the "biggest, cheesiest, sappiest romantic" who believes that everyone will find their perfect someone. So when Jacob, the love of Brie's life, tells her he doesn't love her anymore, the news breaks her heart--literally. But now that she's D&G (dead and gone), Brie revisits the living world to discover that her family has begun to unravel and her best friend has been keeping an intimate secret about her boyfriend. Somehow, Brie must handle all of this while navigating through the five steps of grief with the help of Patrick, her mysterious bomber-jacketed guide to the afterlife. But how is she supposed to face the Ever After with a broken heart and no one to call her own? "The debut is a fast, twisty, highly dramatic read about the turbulent nature of love."--*Romantic Times* "Rothenberg explores what happens in the afterlife when you aren't quite done with your life."--*San Francisco Chronicle* "The funniest, sweetest, most heartfelt, sigh-worthy and oh-so-romantic story I've ever read. The king is dying, his heir has just been murdered, and rebellion brews in the east. But the kingdom of Kolonya and the outer Reaches has one last option before it descends into leaderless chaos. Or rather, three unexpected options... Zofi has spent her entire life trekking through the outer Reaches with her people. She would do anything to protect the band, her family. But no one can ever find out how far she's already gone. Akeylah was raised in the Eastern Reach, surrounded by whispers of rebellion and abused by her father. Desperate to escape, she makes a decision that threatens the whole kingdom. Ren grew up in Kolonya, serving as a lady's maid and scheming her way out of the servants' chambers. But she could be hanged for treason if anyone ever discovers what she's done. When the king summons the girls, they arrive expecting arrest or even execution. Instead they learn the truth: they are his illegitimate daughters, and one must become his new heir.

**But someone in Kolonya knows their secrets, and that someone will stop at nothing to keep the sisters from their destiny...to rule. Kathleen Peacock's thrilling debut novel provides readers with a mystery that Kimberly Derting, author of The Body Finder, calls "clever and frightening," while Sophie Jordan, New York Times bestselling author of Firelight, raves: "Forget every werewolf book you've ever read.
