With hundreds of thousands of dollars at stake every minute, table games pits are high-stress workplaces. Managing a workforce of dealers and attending to the needs of players brings stresses of its own. In 2015, the University of Nevada, Las Vegas's Center for Gaming Research received a grant from the UNLV University Libraries Advisory Board that enabled it to undertake an oral history project intended to capture the stories of table games managers, including both those currently working in the field and those who have retired. Drawn from these interviews, Tales from the Pit provides an overview of how the interviewees felt about a variety of topics, ranging from their experiences breaking in as new

dealers to their transitions to management and the changes the industry has seen over their careers. The current and former managers speak candidly about the owners, bosses, dealers, and players who made each day challenging. This book illuminates the past several decades of casino history through the words of those who lived and made it. **The Christian Union Amazing Arizona! Fascinating Facts, Legends & Tall Tales!** Cultural-Insight Books Arizona is unique among American states, not only in its geography and geology but also in the diversity of its climate, in its indigenous animal and plant life, and in the history of its first inhabitants-communities of Indians whose ancestors arrived on the scene more than 20,000 years ago. Arizona is also the youngest of the contiguous mainland states of America...precisely because of these very same factors. Its climate, geography and Indian tribes were major barriers that prevented the territory from becoming widely populated by the Spanish, Mexicans and early European-Americans, and from being used as a cross-roads by American fur/pelt trappers, gold prospectors and settlers who began pushing west in the mid-1800s. Now, it is exactly these same factors that make Arizona a great place to live as well as a world-famous travel destination. The stories of how Arizona finally became what it is today are as amazing as the lay and the beauty of the land. Great background reading for residents and visitors alike, and an ideal gift. **Outlook The Christian Union Great Gunfighters of the West** Signet Book An account of killers, both good men and bad men, that is as exciting as it is factual. **The Facts on File Companion to the World Novel 1900 to the Present** Infobase Publishing **Strange Pages from Family Papers** DigiCat DigiCat Publishing presents to you this special edition of "Strange Pages from Family Papers" by T. In less than ten years, more than 300,000 people made the journey to California, some from as far away as Chile and China. Many of them were dreamers seeking a better life, like Mifflin Wistar Gibbs, who eventually became the first African American judge, and Eliza Farnham, an early feminist who founded California's first association to advocate for women's civil rights. Still others were eccentrics—perhaps none more so than San Francisco's self-styled king, Norton I, Emperor of the United States. As *Gold Rush Stories* relates the social tumult of the world rushing in, so too does it unearth the environmental consequences of the influx, including the destructive flood of yellow ooze (known as "slickens") produced by the widespread and relentless practice of hydraulic mining. In the hands of a native son of the Sierra, these stories and dozens more reveal the surprising and untold complexities of the Gold Rush. "Seamlessly fuses academic rigor, original reporting and emotional intensity into one meditation on an era.... If the task of the historian is to be faithful to lost truths, then Noy's latest exploration succeeds on every level, and does so in a way that will keep readers wanting to dig deeper into the past."—Scott Thomas Anderson, *Sierra Lodestar* "An original and lively look

at all the usual suspects, plus bears, weather, women, Joaquín, disappointment and dissipation.... From conception to implosion, you get the detailed histories of the hotels built during those formative years, including the El Rancho Vegas, Hotel Last Frontier, Flamingo, Thunderbird, Wilbur Clark's Desert Inn, Sahara, Sands, Royal Nevada, Riviera, and the Dunes. In these sermons he used the card playing of the season for illustrations of spiritual truth. By having recourse to a series of similes, drawn from the rules of Primero and Trump, he illustrated his

subject in a manner that for some weeks after caused his pithy sentences to be recalled at well nigh every social gathering; and his Card Sermons became the talk both of Town and University. The novelty of his method of treatment made it a complete success; and it was felt throughout the University that his shafts had told with more than ordinary effect. But, of course, these sermons being preached in pre-Reformation days, were considered somewhat heretical, and Buckenham, the Prior of the Dominicans at Cambridge, tried to answer Latimer in the same view. As Latimer derived his illustrations from Cards, so did Buckenham from Dice, and he instructed his hearers how they might confound Lutheranism by throwing quatre and cinque: the quatre being the four doctors of the Church, and the cinque being five passages from the New Testament selected by the preacher. Says Latimer in the first of these sermons: "Now then, what is Christ's rule? Christ's rule consisteth in many things, as in the Commandments, and the Works of Mercy and so forth. And for because I cannot declare Christ's rule unto you at one time, as it ought to be done, I will apply myself according to your custom at this time of Christmas. I will, as I said, declare unto you Christ's rule, but that shall be in Christ's Cards. And, whereas you are wont to celebrate Christmas by playing at Cards, I intend, by God's grace to deal unto you Christ's Cards, wherein you shall perceive Christ's rule. The game that we will play at shall be called The Triumph, which, if it be well played at, he that dealeth shall win; the players shall likewise win; and the standers and lookers on shall do the same; insomuch that no man that is willing to play at this Triumph with these Cards, but they shall be all winners, and no losers." **The Bible of Dirty Jokes**

**Four Way Books** When Ketzal Weinrach's beloved brother Potsie goes missing in Las Vegas, she not only must try to find him, she must confront her family's shady history and their ties to the legendary Jewish mob, Murder, Inc., as well as her troubling relationship to her cousin Perry (who runs a strip club on the outskirts of Vegas), her long and apparently not-so-loving marriage to her recently departed husband Morty Tittelman (a self-styled professor of dirty jokes and erotic folklore), and her own failed career as a stand-up comic. **No Limit The Rise and Fall of Bob Stupak and Las Vegas' Stratosphere Tower** Anthony Curtis Of all the modern Las Vegas casino operators, none had more flair than Bob Stupak. The self-proclaimed "Polish Maverick" rose from humble origins as the son of a Pittsburgh boss gambler to head one of the largest privately owned casinos in Las Vegas, the infamous Vegas World. Stupak parlayed a small slot joint into a \$100 million-a-year gambling operation by manipulating the local and national media with outrageous stunts and promotions. His headline-grabbing handiwork is now the stuff of Las Vegas legend. Remember Vegas World's VIP Vacation? Stupak's cleverly worded advertisements flooded millions of mailboxes around the country and appeared in dozens of prominent national periodicals, including Playboy, Parade, and USA Today, attracting hordes of tourists to his out-of-the-way casino. Though the VIP Vacation became the most successful promotional campaign in the history of Las Vegas, it was also the most controversial. It prompted sanctions and fines from casino-industry regulators, but not before generating enough seed money to fund early construction of the \$550 million Stratosphere Tower, Hotel & Casino. Of all of Stupak's big ideas, the Stratosphere Tower was the biggest. It was to be the tower to end all towers, the greatest mousetrap in a city of great mousetraps. But the tallest observation

tower in the country was erected on a wobbly financial foundation of oppressive interest rates and sky-high debt, which ultimately turned the no-lose proposition into one of Las Vegas' most high-profile flops. **Doc Holliday The Life and Legend** John Wiley & Sons "You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday." -Publishers Weekly "An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West." -Booklist In *Doc Holliday: The Life and Legend*, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history. **Wicked Prescott** Arcadia Publishing *Swindlers, confidence men and outlaws--the mountain shadows and Ponderosa pines surrounding Prescott conceal their grim histories and crooked ways. The small hamlet turned mining town became Arizona's first capital in 1864, and with wealth and power came every type of vice and crime. One block west of the famed Whiskey Row, the roaring red-light district attracted ladies of easy virtue, who often became victims of crimes of passion and coldblooded murder. Legendary crook Fleming "Jim" Parker escaped from Yavapai County Jail on the back of the sheriff's stolen horse. Cattle rustlers terrorized nearby ranches, while tavern brawls and liquor-fueled shootouts dominated newspaper headlines. More than ten legal hangings brought criminals to justice. Local author Parker Anderson recounts these and more wicked misdeeds from Prescott's wild early days.*
