---

Hachette UK Goldilocks and the Three Bears is a story full of excitement, surprises and satisfying repetition. Along the way they learn to differentiate between big, medium and small, hot and cold, and discuss comparisons. It's never too early to introduce

children to the magic and wonder of fairy tales. Classic characters are brought to life at each turn of the page with spellbinding artwork and lyrical writing. A visual glossary at the beginning introduces new vocabulary and promotes understanding. A lively activity at the end invites discussion and will make even the very youngest children want to return to these story books again and again. Fairy tales are a vital introduction to the basics of storytelling like setting, characters and plot.
