Douglas Strachan A Hamewith Book Hamewith With Introd. by Andrew Lang and Two Illus. by R. Douglas Strachan Hamewith by Charles Murraray with intro. by Andrew Lang and two illus. by R. Douglas Strachan Hamewith The longing for home seems rooted in a human desire for healing and wholeness (shelter, control) in a world of influencing factors designed to distract and detach us from that purpose. Home can be a sacred place where internal and external worlds often collide in an age of rapid-fire technology, sweeping occupants into a sea of monochromatic choices. Hamewith, Scottish for homeward, aims to intersect the crossroads of color through creative writing, architecture, and art as these disciplines inform my poetry, a collection organized around the subject of

home such as: traveling away from home, renovating an old home, home as a safe place for tribulation, home as a person, place, or thing, and the boundaries of home to define life. Writing helped me understand the personal relationship I have with my home and the unique sense of place it imparts wherever I travel. After writing my first prose poem, I felt the pull to explore poetry, as opposed to my initial intent of narrative essays, as the genre of choice for my thesis work. I toyed briefly with the idea of working only in prose poetry, but in the end opted for the freedom and consequent emotional range of various poetic forms to direct my work.

Buddhism in the Light of Christ A Former Buddhist Nun's Reflections, with Some Helpful Suggestions on How to Reach Out to Your Buddhist Friends [Wipf and Stock Publishers](#)

Buddhism's influence is growing in the West, as seen in the widespread use of "Buddhist mindfulness apps" in people's attempts to unwind, or the casual use of words like "nirvana" and "karma" that have crept into the English language. Whether we meet it in the East or West, what is Buddhism? What is at the heart of its teachings? How does Buddhism differ from Christianity, and are they compatible? Through a collection of true short stories and testimonies, *Buddhism in the Light of Christ*--a sequel and companion to Esther Baker's first book, *I Once was a Buddhist Nun*--takes an insightful look at some core Buddhist beliefs and practices, and then reflects on them from a Christian viewpoint and biblical understanding. Esther tackles important questions such as: "How does the Buddhist goal nirvana and God differ?" and "Is Buddhism a form of idolatry?" Her responses reveal a penetrating understanding that helps to unravel and demystify the true nature of Buddhism. *Buddhism in the Light of Christ* also includes helpful suggestions on how to share Jesus with Buddhist friends, as well as important considerations regarding discipleship once a Buddhist has come to know Christ.
