How to Read Tarot Cards An Essential Guide for Learning the Tarot Card Spreads, Tarot Card Meanings, and How to Read Tarot Cards for Yourself Or Others The world of Tarot works not through pronouncements of doom and gloom, made with assurances set in stone, but with skill and subtlety, employing feelings and emotions to listen to the message. As any practitioner will tell you, the future isn't a contract chiseled in concrete, but rather a wish scribbled in beach sand just before high tide. Tarot isn't used to predict one's future; rather it helps guide you in smaller yet more meaningful ways. For example, instead of telling you exactly where your life will be ten years from now, the cards can help you get where you want to be ten years from now, simply through pointing out the helpful and hindering forces, mindsets, and habits with which you currently surround yourself. The symbols and stories behind each card in a deck force introspection and contemplation upon you, making you examine the reality of your current situation and what changes need to be made. They push you to relate situations and deeper circumstances from your life along mentally drawn parallels within the cards. But how can you learn to read and interpret the cards so that you can fully understand - and even divulge to others - what the world of Tarot is trying to reveal? That's exactly what this book is going to show you. Let's get started! The Big Book of Angel Tarot The Essential Guide to Symbols, Spreads, and Accurate Readings *Hay House, Inc* Get even more depth from your angel tarot readings with Radleigh Valentine's comprehensive guide to the use of, and the in-depth symbolism behind, Angel Tarot Cards. An introduction to the Tarot: The art of Tarot card reading is centuries old and is believed to originate in Ancient Egypt. The name 'Tarot' is believed to be a reference to the Ancient Egyptian 'Book of Thoth' and have connections to Isis, one of the oldest goddesses present within the ancient culture. Tarot decks were traditionally used throughout Europe as simple playing cards and only became essential tools of Divination in the early 1500s. The earliest recorded use of Tarot cards as tools of Divination is present within the book 'The Oracles of Francesco Marcolino da Foril,' which dates back to 1540. Tarot Cards - What are they? Tarot Cards are pictorial representations and archetypes of events, energies and emotions we are likely to encounter throughout our lives. Tarot Cards can indicate determination, financial success, patience, new beginnings, joy, togetherness, loss, reflection, heartache and many other important ideals. The Tarot can help us to know ourselves more intimately and to understand why things happen to us. The Tarot acts as a mirroring of our own personal philosophy and psychology due to the fact that a card's meaning can only be unlocked by an individual's perception. A Tarot deck normally includes 78 cards: 22 Major Arcana cards and 56 Minor Arcana cards.
