Jesus as God The New Testament Use of Theos in Reference to Jesus *Wipf and Stock Publishers* **Jesus as God stands as one of the significant exegetical-theological contributions of the century. With linguistic and exegetical skill befitting his ranking as a leading international scholar, Murray J. Harris discusses the New Testament us of the Greek term theos (God) as a christological title. Jesus as God The New Testament Use of Theos in Reference to Jesus** *Baker Academic* **New Testament scholar Murray Harris examines all New Testament references to Jesus as God, believing that the titles of Jesus encapsulate the early Christian understanding of the role and status of Jesus, and contending that the title of Theos has not received adequate attention from biblical scholars.**
Jesus as Theos A Textual Examination Theos Anthrōpophoros, Or, God Incarnate Shewing, that Jesus Christ is the Onely, and the Most High God, in Four Books : Wherein Also are Contained a Few Animadversions Upon a Late Namelesse and Blasphemous Commentary on the Epistle to the Hebrewes, Published Under the Capital Letters, G.M., Anno Dom. 1647 : in These Four Books the Great Mystery of Man's Redemption and Salvation, and the Wayes and Means Thereof Used by God are Evidently Held Out to the Capacity of Humane Reason, Even Ordinary Understandings. The Sin Against the Holy Ghost is Plainly Described; with the Cases and Reasons of the Unpardonableness, Or Pardonableness Thereof. Anabaptisme Is, by Scripture, and the Judgment of the Fathers Shewed to be an Heinous Sin, and Exceedingly Injurious to the Passion, and the Blood of Christ. ... Putting Jesus in His Place The Case for the Deity of Christ *Kregel Publications* **Putting Jesus in His Place is designed to introduce Christians to the wealth of biblical teaching on the deity of Christ and give them the confidence to share the truth about Jesus with others. Is Jesus Truly God? How the Bible Teaches the Divinity of Christ** *Crossway* **The question of Jesus's divinity has been at the epicenter of theological discussion since the early church. At the Council of Nicea in AD 325, the church fathers affirmed that Jesus the Son of God is "true God from true God." Today, creeds such as this are professed in**

churches across the world, and yet there remains confusion as to who Jesus is. To some, Jesus is a radical prophet—nothing more than a footnote in history. To others, Jesus is the only Son of God, fully God and fully man—the author of history entering history. Is Jesus Truly God? is an accessible resource, bridging the gap between the pulpit and the pew as it traces the rich roots of creedal Christology through the Scriptures, strengthening the reader's understanding of Jesus as fully God and fully man. The Gospel According to John Authorized King James Version *Canongate U.S.* The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

CLOSER TO GOD: Step by Step Empowering Provisions. Beliefs. By Ben J. Theo Step by Step Empowering Provisions. Beliefs. Lulu Press, Inc This publication provides helpful directions to get closer to God through Jesus Christ! A former atheist saved by God through Christ, Holy Spiritual author and mentor Ben J. Theo became extraordinarily empowered to draw closer to God from belief in Christ. He shares the transformative power of believing and testimony. Learn about his and other's super-natural empowerment and miraculous blessings! Using the Hebrew, Aramaic, and Greek manuscript words from which the common Holy Bible arose and dictionaries accessible to everyone, Seminary Professor Ben J. Theo uncovers deep definition for Biblical teaching that God's Holy Spirit provided to get closer to God through Jesus Christ. Pastor Ben J. Theo has been a wonderful counselor and proven Holy Spirit authority for original Biblical Christianity predating Catholicism and Protestantism. He volunteers as Councilor Bishop for the Christian Church of God from Jerusalem in continuation from the Holy Bible's internal record and book of Acts. He is a Rabbinical Master of Biblical Theology, Ecclesiology, and Divinity teachings for the Lion of Judah Discipleship Journey Seminary.

Theo-Dox Book 1: Topical Index Like a personal Bible index, created over years of regular reading and study, Theo-Dox Book 1: Topical Index is the Bible journal we all wish we had started ten years ago. Instead of having notes crammed into the margins of your Bible and scattered among journals and church bulletins, Theo-Dox provides a single place to log your findings so you can add to them over the years, and actually find them again later. The process is like a reverse word study. Instead of starting with a single word and then skipping around to verses in the Bible which include said word (and hoping you don't take them out of context), with Theo-Dox, you start with the Bible. As you read and study your Bible daily—using whatever Bible study program or reading plan you already use— and

you notice a verse that speaks to a particular topic, you record the verse under that topic. It may seem too small to matter, but as you continue to read and study, more verses are added to each topic, and observations become more apparent. These observations also represent the teachings of the entire canon of scripture, because they were not just a result of a single study, but many studies. While we may all wish we started recording our observations like this decades ago, alas. We cannot go back to plant a tree in the past, but we can plant one now, and look forward to its future fruit! I suspect that decades from now, like a well tended tree, your Theodox will benefit not only you, but it will be a tangible display of your commitment to God's Word and a treasure to generations to come. May He who reigns forever reveal Himself to you in the pages of His Word, for your good and for His glory! A Biblical Theology of the Holy Spirit *iUniverse*

Theology is a widely used term. Therefore, it is necessary to identify more closely the sense in which it is being used in this document. Biblical Theology in this document is based upon and faithful to the teachings of the Bible. "A Biblical Theology of the Holy Spirit" is a study of the Spirit of God throughout the Old and New Testaments of the Bible. Theology is derived from two Greek works, theos and logos, theos meaning (God) and logos meaning (speech) and (doctrine). The doctrine covered in this document is not exhaustive, but with hope will bring honor and glory to God the Father and to his Son Jesus Christ. This doctrine of the Holy Spirit is also being written on the premise that it will appeal to common readers and lay persons, as well as seminarians and theology students. This is an attempt to explore the scriptures, give more knowledge and broaden the understanding of all individuals concerned and obtained accurate and infallible information concerning who the Spirit of God is and the functions of the Holy Spirit. CLOSER TO GOD, Step by Step Empowering Provisions, Loving others Step by Step Empowering Provisions, Loving others *Lulu Press, Inc* Come observe these in depth directions to get closer to God through Jesus Christ. directions to get closer to God through Jesus Christ! A former atheist saved by God through Christ, Holy Spiritual author and mentor Ben J. Theo became extraordinarily empowered to bless others from within high security prisons and continues to grow ministry to international magnitudes! He passionately shares steps and testimony to grow love for and from God to super-natural empowerment and miraculous blessings! Using the Hebrew, Aramaic, and Greek manuscript words from which the common Holy Bible arose and dictionaries accessible to everyone, Seminary Professor Ben J. Theo uncovers deep definition for Biblical teaching that God's Holy Spirit provided to get closer to God through Jesus Christ. Pastor Ben J. Theo has been a wonderful counselor and proven Holy Spirit authority for original Biblical Christianity predating Catholicism and Protestantism. He volunteers as Councilor Bishop for the Christian Church of God from Jerusalem in continuation from the Holy Bible's internal record and book of Acts. He is a Rabbinical Master of Biblical Theology, Ecclesiology, and Divinity (Holy Spirit filled Messiah quality) teachings for the Lion of Judah Discipleship Journey Seminary. *Bible and Cinema: Fifty Key Films Routledge Movies* which have drawn inspiration from the Bible, either directly or indirectly, have been extremely popular since the earliest days of cinema. *Bible and Cinema: Fifty Key Films* introduces a wide range of those movies, which are among the most important, critically-acclaimed and highest-grossing films of all time, including: *The King of Kings Ben-Hur The Passion of the Christ Frankenstein Close Encounters of the Third Kind 2001: A Space Odyssey Apocalypse Now Monty Python's Life of Brian*. Written by a team of international scholars, the fifty entries discuss the Biblical stories, characters or motifs depicted in each film making this book the ideal guide for anyone interested in the long-standing relationship between the Bible and film. *Pastoral Letter to Theo An Introduction to Interpretation and Women's Ministries Wipf and Stock Publishers* *A Pastoral Letter to Theo* addresses some of the fundamental concerns of recent research into biblical interpretation by Adele Berlin and Kenneth Archer. It also takes into account the communicative literary and rhetorical techniques that were prominent in the Greco-Roman world when the New Testament documents were composed. Elbert suggests that attention to levels of context, plot, repetition, and characterization or personification comprise a proper method for understanding a New Testament writer's original meaning and intent. Generally, the potentially groundbreaking thesis in much of Elbert's work is for a literary link between the "Spirit" language in Paul's letters and the later narrative of Luke-Acts. Specifically, *A Pastoral Letter to Theo* reflects heartfelt, pastoral concerns based on detailed contextual study of early Christianity and Christian experience. The book contextually examines in detail several passages pertaining to the ministry of women in missionary-minded early Christianity and concludes that this ministry was thought to be vital for the evangelistic enterprise. *Winks from Scripture Understanding God's Subtle Work Among Us Whitaker House* *Where's God when times are hard? He's winking to let us*

know He's with us! Life is mysterious and cryptic. It defies explanation, especially in times of suffering and distress. We wonder, Where is God in all of this? He's with us—and the Scriptures wink to show us His redemptive activity unfolding in our lives. In *Winks from Scripture*, Chris Palmer takes you through familiar New Testament stories and points out unfamiliar features that have the effect of a punchline. When the Scriptures wink, you'll be surprised, delighted, and challenged not to give up hope. "Biblical stories are loaded with mystery," Chris says. "That mystery keeps us asking questions about the story's details. In doing so, little ironies and nuances emerge that we hadn't seen before. This is God winking at us, letting us know He's there, guiding our lives." In *Winks from Scripture*, you will:

- Come to embrace mystery
- Learn how to appreciate uncertainty and integrate it into a vibrant life of faith
- Discover how God triumphs over suffering
- Observe how the New Testament writers understood the Old Testament through Jesus
- Renew your hope in God's beautiful plan of creation and redemption

Guided by careful scholarship and heartfelt, pastoral reflection, these thirty studies offer a fresh perspective to the most difficult questions of the Christian faith, certain to bring comfort to your soul. *The Deity of Christ Theology in Community* This multidisciplinary treatment of the doctrine of Christ's deity combines evangelical scholarship with substantial and accessible theological content. Volume 3 in the noted *Theology in Community* series. *Knowing Christ in the Challenge of Heresy A Christology of the Cults, a Christology of the Bible* University Press of Amer *Knowing Christ in the Challenge of Heresy* responds to the modern-day challenges to the biblical understanding of the person and work of Jesus by systematically and thoroughly documenting what many cults believe about Jesus, and countering with a biblical, exegetical response. The author carefully details the nature of heresy in the quest to know Christ, patterning his response after the early Christian Church's encounters with heresy. Like the early Christians, he turns to the Bible for answers, resulting in a deeper understanding of the person of Christ. He discusses the areas of the pre-existent deity of Christ, the incarnate deity of Christ, and places special emphasis on what many cults think of Christ, and their challenge to the Church. He provides a biblical response to these questions, secondarily creating a useful sourcebook containing what many religious organizations think of Christ, as well as biblical passages that depict Jesus as fully God, fully man, and fully able to save all who call upon Him. *Commonly Misunderstood Bible Verses Clear Explanations for the Difficult Passages* Harvest House Publishers The instruction and wonder of the Bible can be clouded when readers are uncertain about the meaning of some verses. Bible scholar and popular author Ron Rhodes (more than 1 million copies in combined sales) draws on his many years of studying and teaching Scripture to empower readers with knowledge, background, and truth. With clear and helpful explanations, Rhodes: identifies the most troublesome verses reveals important principles to help interpret them addresses the stumbling blocks from Genesis to Revelation helps readers

become familiar with God's message clarifies the different literary genres of the Bible Whether read to satisfy curiosity, pursue deeper Bible study, or prepare for discussions with non-believers, this practical resource will open up the promises and meaning of God's Word and gives readers confidence in all of Scripture. **The God of Jesus A Comprehensive Examination of the Nature of the Father, Son and Spirit** *WestBow Press* Jesus said the Father is the one and only true God (John 5:43-44, 17:3). Apostle Paul taught the same thing (1 Corinthians 8:4-6, 11:3, 1Timothy 2:5). Jesus said the Father is greater than Him and that He receives his life from the Father (John 14:28, 5:26). Yet Christian theology teaches Jesus is also the one and only true God, is equal with the Father, and has existed eternally with the Father in an indwelling relationship of Father, Son, and Spirit. The Bible repeatedly speaks of "God the Father." You will not find the phrase God the Son or God the Spirit in the Scriptures. The Bible consistently speaks of the Son of God and Spirit of God but never speaks of the Father of God. In **The God OF Jesus**, it will be demonstrated that the reason the Bible never speaks of God the Son, God the Spirit, or the Father of God, is because the Father, and only the Father, IS God. It will be clearly shown who Jesus is and what the Spirit is in relation to who God is. **CLOSER TO GOD, Step by Step Empowering Provisions, Assembly Power Step by Step Empowering Provisions, Assembly Power** *Lulu Press, Inc* Grow strong in the Holy Spirit by these in depth directions and teachings. This publication aims to help you get closer to God through Jesus Christ. A former atheist saved by God through Christ, Holy Spiritual author and mentor Ben J. Theo became extraordinarily empowered to draw closer to God from assembly service and its power. He shares the transformative power of believing and testimony. Learn about this super-natural empowerment and its miraculous blessings! Using the Hebrew, Aramaic, and Greek manuscript words from which the common Holy Bible arose and dictionaries accessible to everyone, Seminary Professor Ben J. Theo uncovers deep definition for Biblical teaching that God's Holy Spirit provided to get closer to God through Jesus Christ. Pastor Ben J. Theo has been a wonderful counselor and proven Holy Spirit authority for original Biblical Christianity predating Catholicism and Protestantism. He volunteers as Councilor Bishop for the Christian Church of God from Jerusalem in continuation from the Holy Bible's internal record and book of Acts. He is a Rabbinical Master of Biblical Theology, Ecclesiology, and Divinity teachings for the Lion of Judah Discipleship Journey Seminary. **New Discoveries in the Divine Inspiration of the Bible** *Charisma Media* Werner Adrian takes you on a most unique journey through the Bible, one in which you will discover numeric figures within the Scriptures that contain hidden names and coded messages that reveal astounding truths about Christ and His connection to every book of the Bible. Prepare to be enlightened, inspired, and comforted as you encounter new evidence that God's Word was prepared not by man but by God Himself Show Less **CLOSER TO GOD, Step by Step Empowering Provisions, Eternal Ambassadors Step by Step Empowering Provisions, Eternal**

Ambassadors *Lulu Press, Inc* Get closer to God through Jesus Christ and profound insight from applying these in depth directions and teachings A former atheist saved by God through Christ, Holy Spiritual author and mentor Ben J. Theo became extraordinarily empowered to draw closer to God from becoming united to God's eternal ambassadors (apostles). He helps become eternal ambassadors as recorded in the Holy Bible. He shares the transformative power of believing and testimony. Learn about this super-natural empowerment and its miraculous blessings! Using the Hebrew, Aramaic, and Greek manuscript words from which the common Holy Bible arose and dictionaries accessible to everyone, Seminary Professor Ben J. Theo uncovers deep definition for Biblical teaching that God's Holy Spirit provided to get closer to God through Jesus Christ. Pastor Ben J. Theo has been a wonderful counselor and proven Holy Spirit authority for original Biblical Christianity predating Catholicism and Protestantism. He volunteers as Councilor Bishop for the Christian Church of God from Jerusalem in continuation from the Holy Bible's internal record and book of Acts. A former atheist saved by God through Christ, Holy Spiritual author and mentor Ben J. Theo became extraordinarily empowered to draw closer to God from baptism. He shares the transformative power of believing and testimony. Learn about this super-natural empowerment and its miraculous blessings! Using the Hebrew, Aramaic, and Greek manuscript words from which the common Holy Bible arose and dictionaries accessible to everyone, Seminary Professor Ben J. Theo uncovers deep definition for Biblical teaching that God's Holy Spirit provided to get closer to God through Jesus Christ. Pastor Ben J. Theo has been a wonderful counselor and proven Holy Spirit authority for original Biblical Christianity predating Catholicism and Protestantism. He volunteers as Councilor Bishop for the Christian Church of God from Jerusalem in continuation from the Holy Bible's internal record and book of Acts. He is a Rabbinical Master of Biblical Theology, Ecclesiology, and Divinity teachings for the Lion of Judah Discipleship Journey Seminary. **The Fellowship of the Throne in John's Apocalypse A Theo-Political Inquiry into Authority and Society and their Christological Bond** *Langham Monographs* What relevance does the book of Revelation hold for our lived reality within secular societies? In this book, Dr Fabián Santiago explores concepts of authority, society, and political power against the backdrop of the Apocalypse and in conversation with Oliver O'Donovan's political theology. Santiago offers a reading of Revelation that does not bypass its exegetical complexities, but instead allows for new possibilities of engagement. He investigates the conception of authority presented in Revelation - a conception centered on the throne of God and transformed by the exalted Jesus - and argues that this divine

authority ultimately correlates with the Fellowship of the Throne, a liturgical community mediated by the risen Christ. An excellent resource for students of political theory and theology, Christology, and biblical narrative, this book offers a powerful theo-political critique of secular discourse on the nature of political authority. **Snapshots from the Book of Revelation** *Ambassador International* Dr. Theodore C. Danson Smith went to be with Christ in May 2018, after a lifetime of Christian service. Theo—as he was known—had a burning passion for the Word of God and for making its message better known via both the spoken and the written word. His sermons on the intriguing—and at times mysterious—book of Revelation were preached in various churches throughout Great Britain and were very well received. These sermons have now been put into print as part of Theo’s legacy to the wider church of God. You now have these in your hand to aid your understanding and enjoyment of the last book in the inspired volume. They are what they say: **Snapshots from the Book of Revelation. The Bible Doctrine of God, Jesus Christ, the Holy Spirit, Atonement, Faith, and Election To which is Prefixed Some Thoughts on Natural Selection Natural Theology and the Truth of Revelation Pastored or Pimped HOW TO LEAVETHE CHURCH AND FIND GOD** *African Social Awareness Publications* A 30 year study about the history of church hypocrisy, and the Pastors that disseminate it. Using the Law of First Mention, the origin of the heresies we hear in the pulpits of the world today are investigated and documented, to assist the reader with separating religious fact from fable. The Pastors representing the most popular denominations of Christianity and Islam in the USA were researched and rated from best to worst, Pastor to Pimp based on how well their doctrine represented the true gospel of Christ when compared the most ancient biblical texts and manuscripts. This gives the reader the opportunity to make decisions about their salvation from independent 3rd party sources, who are outside the jurisdiction or control of a Pastor and or church members. It is the most comprehensive bible study tool dedicated to the subject of Pastors ever written. **Jehovah's Witnesses, Jesus Christ, and the Gospel of John** *Baker Publishing Group (MI)* "...And the word was a god.' This mistranslation of John 1:1 by Jehovah's Witnesses has been vigorously refuted by Christians, and rightly so. Now, because the JWs have changed their line of reasoning in defending this key text, past refutations are obsolete. The new JW arguments are more sophisticated and their line of reasoning is far more subtle. To meet these new and dangerous misconceptions, this book focuses on the implications of the mistranslation of John 1:1 and John 8:58. Fallacies are exposed and dismissed in precise language that can be easily misunderstood by laypersons who have no knowledge of Greek. The misconceptions and mistranslations so enthusiastically propounded by JWs no longer need to be intimidating. Christians can intelligently and easily counterattack, using the clear and convincing evaluations given in this book" -- BACK COVER. **Jesus and the Presence of Mystery, a New Translation of the Book of Matthew Living with Respect and Love Living with Mystery**The etymology

of the Greek word THEOS is a mystery. Or so says current Greek scholarship. And like its etymology, THEOS itself involves mystery. My earlier translation of the Etymological New Testament used an extensive range of sources, both historical and modern, in order to provide the maximum amount of information concerning the linguistic roots of many NT words. Thus, THEOS was rendered ultra-literally as "Placer." But this translation has a different purpose. *Jesus and the Presence of Mystery*, a New Translation of the Book of Matthew (JPM) intends to be a less literal rendition of Matthew's Story. It is a thorough updating of *The Immanence Bible, Book of Matthew. (TMB)* In this book you will read of "realm of Mystery" rather than the traditional "kingdom of God." The word God, in English, has an etymology completely distinct from its Greek counterpart. With a fresh, yet essentially literal translation of both BASILEIA and THEOS, we can hear Jesus of Nazareth speaking of this new Realm that he claims is now bursting upon the human scene. And his invitation is for us to become "learners" or "thinkers" (rather than the traditional "disciples") of this new way of life. The Greek word MATHETES is derived from the root word for learning rather than the idea of discipline. In the same way, the phrase "kingdom of heaven" is more literally "realm of upward vision" in JPM. We are challenged to think about how to live in accord with the highest vision of human life. Though *Jesus and the Presence of Mystery* is an essentially literal translation of Matthew, it also provides additional information in some contexts. For example, in the beginning genealogy of Matthew 1, when we come to the mention of Ruth, the text notes that she was a "minority Moabite." And further, when her grandson, David, is listed, we read that he was therefore "part Jewish and part Moabite." King David never rejected his mixed heritage of Moab and Judah. Like its antecedent, this translation renders the Greek word KURIOS as Presence; thus the phrase "the Presence of Mystery." For an explanation of the translation "Presence", as well as many others, see the introduction to *The Immanence Bible, Compact Edition: Book of Matthew*. If we have ears to hear, perhaps we can yet catch the message of this first century sage...and, in our listening, find a challenge to rethink our lives. *Revisiting the Corruption of the New Testament Manuscript, Patristic, and Apocryphal Evidence* *Kregel Academic* How much did the theological arguments of the church affect the copying of the New Testament text? Focusing on issues of textual criticism, this inaugural volume of the *Text and Canon of the New Testament* series offers some answers to that question and responds to some of Bart Ehrman's views about the transmission of the New Testament text. *Revisiting the Corruption of the New Testament* will be a valuable resource for those working in textual criticism, patristics, and New Testament apocryphal literature. *The Innocence of Pontius Pilate How the Roman Trial of Jesus Shaped History* *Oxford University Press* The gospels and ancient historians agree: Jesus was sentenced to death by Pontius Pilate, the Roman imperial prefect in Jerusalem. To this day, Christians of all churches confess that Jesus died 'under Pontius Pilate'. But what exactly does that

mean? Within decades of Jesus' death, Christians began suggesting that it was the Judaeen authorities who had crucified Jesus--a notion later echoed in the Qur'an. In the third century, one philosopher raised the notion that, although Pilate had condemned Jesus, he'd done so justly; this idea survives in one of the main strands of modern New Testament criticism. So what is the truth of the matter? And what is the history of that truth? David Lloyd Dusenbury reveals Pilate's 'innocence' as not only a neglected theological question, but a recurring theme in the history of European political thought. He argues that Jesus' interrogation by Pilate, and Augustine of Hippo's North African sermon on that trial, led to the concept of secularity and the logic of tolerance emerging in early modern Europe. Without the Roman trial of Jesus, and the arguments over Pilate's innocence, the history of empire--from the first century to the twenty-first--would have been radically different. This Is How You Should Pray A Commentary on the Lord's Prayer Jesus is speaking of many subjects through the Lord's Prayer: the heavens and the earth, the kingdom of God and about the will of God and the daily bread needed by the people of God, redemption from sin and etc. Unfortunately, most of today's Christians are praying with vain repetitions in their religious life, they do not know what place heaven is, of what place is being spoken of as the earth, and what is the daily bread that must be eaten by God's people. Doulos Theos C, a.k.a Pastor Chun Soo Nam, teaches from the original Hebrew and Greek versions of the Bible at Euijeung Lecture Hall in Seoul, Korea. He is the author of *The Path Canaan (A Commentary on the 10 Commandments, Death and Life (The Hidden Secret of Holiness in the Bible), Conversation of the Gods, The Letter of Christ from China, The Letter of Christ from Heaven, and many other books. Three Crucial Questions about Jesus* *Wipf and Stock Publishers* Murray J. Harris's *Three Crucial Questions about Jesus* deals with three pillars of the Christian faith in creatively different ways. Harris so frames these christological studies that they serve as model apologetic approaches for defending the validity of Christianity. - Did Jesus exist? Harris first addresses Jesus' historical existence, surveying four early classical writers for evidence that a person named Jesus of Nazareth lived in Israel in the first century. - Did Jesus rise from the dead? In debate format, Harris counters the most convincing arguments that Jesus did not return from the dead. The debaters discuss, among other issues, the so-called swoon theory, alternative explanations for the empty tomb, psychological explanations for the recorded appearances, and the Shroud of Turin - Is Jesus God? Finally, Harris amasses the New Testament evidence that teaches that Jesus is God, thereby countering those who believe that Jesus' godhood has been read into the Bible by overzealous believers. Harris discusses the divine status claimed by or accorded to Jesus, the divine functions exercised by Jesus, and the divine title God used of Jesus. *Theo's Odyssey* *Arcade Publishing* An international bestseller being published in more than 20 countries, "Theo's Odyssey" is an extraordinary journey through the world's religions that does for spirituality what

"Sophie's World" did for philosophy. Theo and Izzy the Word Seekers It's Story Time! Do you have a favorite story? Whether you are a child or an adult, people from all stages of life experience storytelling as a cultural activity. As an ancient method of communication, every culture has stories and narratives that share ideas and information to entertain, educate, and encourage moral values. While traveling around the world, Theo & Izzy the Word Seekers made memorable friendships. Join them as they enjoy story time with their new friends: Mateo, Naomi, Mealea, and Nikolai. Writing in language that is inclusive and rich in culture, children will easily remember the engaging stories and illustrations. As these six children study the Bible together, they will show that Jesus loved to tell stories. Have fun with Theo & Izzy the Word Seekers as they share their understanding of the valuable lessons Jesus taught to the people. An added bonus to enjoying our parables is using the Theo & Izzy Draw and Write Journal to make writing a daily habit. Theo & Izzy the Word Seekers, It's Story Time! is a book by children, for children to learn about God. It is our prayer that you grow in God's Word daily. *The Dictionary Of The Bible Simon and Schuster* A standard reference work, providing concise descriptions of biblical characters, terms, and places, as well as pertinent illustrations and charts *God's Grand Plan of the Ages Chicago Bible Students* "God's Grand Plan of the Ages" captures the highlights of the more comprehensive book *The Divine Plan of the Ages*. Though brief in nature, this 96-page booklet shares a satisfying explanation of age-old questions: Why does a God of love permit the evil we see in the world? Why are there tsunamis and earthquakes that kill thousands—and wars that kill millions? Why must we experience pain, heartache and finally death? When will God's Kingdom come and His will be "done on earth as it is in heaven?" "God's Grand Plan of the Ages" also covers the signs of the "Time of the End" prophesied in the book of Daniel (Daniel 12:1-4). Daniel's prediction that knowledge would be increased is happening before our very eyes as we see the Brain Age coming in at an unprecedented rate. Though technology has been a blessing in many ways, man's selfishness and greed is also leading the world to an ever increasing "time of trouble, such as never was since there was a nation." What a comfort to know, that this trouble is a prophetic sign indicating that we are on the brink of the "Golden Age" that mankind has longed for since the dawn of history! God's Kingdom will be more wonderful, more glorious, more all encompassing, than all the dreams of philosophers, poets and sages. There will be a world of peace (Psalm 46:9) The healing of all the defects of humanity (Isaiah 35:5,6) Moral integrity will be planted in every heart (Jeremiah 31:33) All the dead of past ages will be raised to life again (1 Cor. 15:22) Sorrow, pain, tears and death itself will cease (Revelation 21:4) "No eye has seen, no ear has heard, no mind has conceived, what God has prepared for those who love him" (1 Corinthians 2:9) We hope you will receive a blessing from reading this booklet. We also recommend reading *The Divine Plan of the Ages*, available FREE on a DVD offered on the back of the booklet. It is but the first book in a series of six that covers

every major doctrine of the Bible as a topical study with a harmony that is unprecedented in Christian literature. This six-volume set is also available FREE on the DVD—or at cost, in a hard bound edition. **Journal of Latin American Theology, Volume 12, Number 1** *Wipf and Stock Publishers Special Issue on Being Faithful to God in the Era of Trump* What does it look like to live as citizens under God's reign and as seekers of God's justice in today's world? Donald Trump was inaugurated as the US president on January 20, 2017. Whenever there is a new person in that position, it is good for followers of Jesus Christ to pause and reflect under the light of Scripture regarding not only the new president's policies but also our own responsibilities as the people of God. This issue of the *Journal of Latin American Theology* is our invitation to pursue that hard work of reflection and action. The resounding message is that Christians today need to express a faithful public witness that Jesus Christ is Lord. The articles herein discuss certain facets of such faithfulness: what it means to be the people of God, just stewardship of money in light of international trade agreements, living simply and working hard to care for the planet God has entrusted to us, Christ-centered as opposed to fear-based relations between native-born and foreigners, understanding and acting upon the biblical connection between shalom and justice, and responding carefully to those who face scarcity in the land of plenty. May our readers be equipped to live as more faithful representatives of God's all-encompassing reign.

God & Churchill How the Great Leader's Sense of Divine Destiny Changed His Troubled World and Offers Hope for Ours *NavPress* When Winston Churchill was a boy of sixteen, he already had a vision for his purpose in life. "This country will be subjected somehow to a tremendous invasion . . . I shall be in command of the defences of London . . . it will fall to me to save the Capital, to save the Empire." It was a most unlikely prediction. Perceived as a failure for much of his life, Churchill was the last person anyone would have expected to rise to national prominence as prime minister and influence the fate of the world during World War II. But Churchill persevered, on a mission to achieve his purpose. **God and Churchill** tells the remarkable story of how one man, armed with belief in his divine destiny, embarked on a course to save Christian civilization when Adolf Hitler and the forces of evil stood opposed. It traces the personal, political, and spiritual path of one of history's greatest leaders and offers hope for our own violent and troubled times. More than a spiritual biography, **God and Churchill** is also a deeply personal quest. Written by Jonathan Sandys (Churchill's great-grandson) and former White House staffer Wallace Henley, **God and Churchill** explores Sandys' intense search to discover his great-grandfather—and how it changed his own destiny forever.

I Believe in Trinity A Study of Vertical Equality in the Godhead *Xlibris Corporation* Trinity is not a biblical word, but it is a biblical truth. It describes the essential nature of the Godhead and explains the idea that the fullness of God indwells Yahweh, Jesus, and the Holy Spirit. However, rather than limiting his discussion to the horizontal equality between

Yahweh, Jesus, and the Holy Spirit, which can lead to the erroneous conclusion that Jesus is Yahweh in the flesh and that the Holy Spirit is the risen Christ, the author focuses on the vertical equality demonstrated between Yahweh and God, Jesus and God, and the Holy Spirit and God. This approach will lead serious students of the Bible to the more accurate conclusion that the horizontal equality between Yahweh, Jesus, and the Holy Spirit is not because each is a form of the other two but because the fullness of the Godhead (Colossians 2:9, KJV) dwells vertically and concurrently in each.
