Keep in Step with the Spirit (second edition)

Finding Fullness In Our Walk With God

Inter-Varsity Press *Since we live by the Spirit, let us keep in step with the Spirit (Galatians 5:25). The Holy Spirit empowers us, guides us, and enables us to grow and endure in our relationship with the Father through Jesus Christ. Often the most misunderstood member of the Trinity, the person of the Spirit continues to attract attention today amidst church revivals and renewals. In this new edition of his classic Keep in Step with the Spirit, J. I. Packer seeks to help Christians reaffirm the biblical call to holiness and the Spirit's role in keeping our covenant with God. Packer guides us through the riches and depth of the Spirit's work, assesses versions of holiness and the charismatic life, and shows how Christ must always be at the centre of true Spirit-led ministry. A new chapter explores Christian assurance. With abiding relevance and significance, Keep in Step with the Spirit sets forth vital knowledge for healthy and joyous Christian living, through understanding and experience of God the Holy Spirit. Here is a book for every serious believer to read and re-read.*

Rediscovering Holiness

Know the Fullness of Life with God

Gospel Light Publications *"There was a time," writes renowned theologian J. I. Packer in this classic book on biblical holiness, "when all Christians laid great emphasis on God's call to holiness. But how different it is today! To listen to our sermons and to read the books we write, and then to watch the zany, worldly, quarrelsome way we behave, you would never imagine that once the highway of holiness was clearly marked out for Bible-believers." In this revised and updated edition of Rediscovering Holiness, the highway is once more clearly marked out for a new generation of readers, pointing to true freedom and joy, both now and in eternity. Rest and War

Rhythms of a Well-Fought Life

Thomas Nelson *Struggle well. Fight for progress. Know the one who has fought for you. You don't have to live in this world long before discovering that the pursuit of intimacy with God occurs within the context of adversity. It is a fight. Yet it is a fight in which our King has won the decisive victory! You have been set free...into a raging battle! But there's good news: your struggles do not mean you're doomed, rather they're actually a sure sign that you are alive. Now you must learn to struggle well, for Jesus did not free you from the fight, he freed you for the fight. Rest & War is a field guide for the spiritual life; a book of ancient methods of transformation transposed into a modern key. Borne out of pastor Ben Stuart's personal life-experiences and decades in ministry, Rest & War offers biblical and practical guidance for: Battling what's holding you back while building what will propel you forward Trading patterns of thinking that diminish intimacy with God for ones that encourage it Fighting sin and cultivating an environment that allows you to flourish Designing your everyday schedule based on your God-given purposes to bring more meaning into your routines God has called you into the good fight of life; step into it boldly, strategically. Flee evil and pursue intimacy with your Creator. Uproot what is broken and cultivate what is life-giving. Make war on what is destructive, and rest in the God who loves you. Are you ready to walk elegantly through the battlefield of life?*

Walking in the Spirit

Crossway *Walking in the Spirit is a journey into what the Bible teaches about life in the Holy Spirit. Author Kenneth Berding uses the apostle Paul and his words in Romans 8 to model what it looks like to live both empowered and set free by the Spirit. Written at an accessible level, Berding speaks to a wide audience as he seeks to connect readers to the life of the Spirit. His practical guide covers a variety of topics, showing readers how to set their minds on the things of the Spirit, put to death the deeds of the body, be led by the Spirit, know the fatherhood of God, and hope and pray in the Spirit. Berding applies the Bible to life through many of his own personal experiences, helping readers make connections to their own spiritual journeys. Discussion questions for each chapter facilitate personal reflection and small-group study.*

A Spiritual Portrait of a Believer

A Comparison Between the Emphatic "I" of Romans 7, Wesley and the Mystics

Cambridge Scholars Publishing *The focus of this study is to discover the identity of the emphatic 'I' of Rom 7 with the added purpose of attempting to 'draw' a spiritual portrait of a mature Christian believer. To accomplish this purpose, the process is as follows: An examination of Rom 7, within its context, is conducted. This examination is followed by an attempt at determining the experience of the emphatic 'I' found within Rom 7. The next step in the process is to compare the experience of the emphatic 'I' of Rom 7, as found within its context of Rom 1-8 with what Paul wrote elsewhere on the experience of new life in Christ for Christian believers. The purpose of this comparison is to discover if Paul had a 'consistent' portrait of spirituality and Christian maturity. The final step is to compare the experience described by Paul, both in Rom 7 and in the wider Pauline Corpus, with the experience which John Wesley called 'perfection,' and with the Mystical experience called the 'spiritual marriage.' The study of Romans, Wesley, and the Mystics, coupled with the wider study of the secondary literature showed that there is a remarkable consistency in the teaching and understanding that the closer a Christian believer gets to God, the more this Christian believer is aware of his or her own sinfulness. Paul, in describing the experience of the emphatic 'I,' is describing a person who is becoming more and more aware of his or her own sinfulness. The conclusion to be drawn from this study is that the identity of the empathic 'I' is of a regenerate Christian believer, one who is growing ever closer and closer to God and at the same time is in 'pain' over the remaining effects of sin.*

Breaking Pride

Tearing Down Walls, Walking in His Grace

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

My Journeys to the Spirit World

Createspace Independent Publishing Platform *How does it happen? How does someone raised Roman Catholic find himself journeying to the spirit world, interacting with spirit guides, and performing soul retrievals? This book is Paul J. McAllister's answer to that question. What makes the book interesting is that, unlike many how-to shamanic books, My Journeys To The Spirit World focuses on the author's personal journeying experiences. Between June 2011 and June 2013 the author made approximately 200 journeys to the spirit world; journaling each visit immediately after it occurred. This book presents the thirty plus most memorable journeys. It includes details of his interactions with power animals and spirit guides, the intentions for each journey, and the beneficial results of contacting the spirit world. In Chapter One the author describes initial spirit contacts he had while vacationing in Hawaii in 2011. Back on the mainland two weeks later, Paul was awakened from a sound sleep by Hawaiian spirits and given the opportunity to follow a new path. He accepted their invitation. In Chapter Two, the author briefly describes his personal spiritual quest. Following Catholicism into adulthood, the author's life took a turn into alternative spiritual ideas including years spent studying Rosicrucianism, Buddhism, Transcendental Meditation, the Order of the Golden Dawn, and ultimately shamanic practice. Chapter Three relates how he began journeying on his own. The author describes purchasing Awakening to the Spirit World by Sandra Ingeman and Hank Wesselman, reading their instructions on journeying, and using the accompanying CD to journey easily into and out of the spirit world. After several months, he decided to verify his experiences and signed up for a class titled "Introduction to Shamanic Journeying" by Lauren Torres, a certified teacher of shamanic practices. Chapters Four and Five describe the author's success in confirming his own experiences through that training. Paul describes his journeys during four shamanic training courses as well as his own personal journeys during this timeframe. The author uses Chapter Six as an introduction to the process of healing by describing his experiences during three years as a practitioner of chakra healing. This chapter also sets the stage for discussions of soul retrievals and soul retrieval training which are covered in Chapter Seven. Chapter Eight describes four soul retrievals and includes positive post retrieval comments from each of the clients. Chapter Nine discusses the use of drums, rattles, dreams, omens, other forms of divination, and how these tools compliment healing and soul retrievals. Chapter Ten focuses on a discussion of our outmoded definition of reality, the fact that journeying is the inherent right of all human beings, and how journeying will help us discover our individual purpose which in turn will help us implement the destiny of all humanity. My Journeys To The Spirit World, is not a dry, intellectual approach to shamanic journeying. Rather it is an exciting, sometimes emotional retelling of the author's personal view of the journeying process. It is the wonderful culmination of a life long spiritual search.*

Think Like a Monk

Train Your Mind for Peace and Purpose Every Day

Simon & Schuster *Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.*

The Gospel for the Visual Learner

The Fork Illustration

Trafford Publishing Are you a visual learner? Do you more readily understand and remember concepts when they have been graphically illustrated for you? If the answers to these questions are "yes," then this book is for you! The Gospel for the Visual Learner vividly illustrates that Christianity exists in an entirely different realm than religion. In addition, the Fork Illustration provides a framework upon which you can visualize not only how you gain entrance into a life of grace, but also how you are called to continually appropriate grace for daily living. In every moment of your life, you are functionally living in one of the three positions represented on the Fork. Understanding what these positions are and how movement is made from one to another is foundational for vital spiritual living. If you are a non-believer who is unsure of the claims of Biblical Christianity, be encouraged you to read and see if you can locate your position on the Fork. Perhaps you have viewed Christianity as something far different from what Scripture asserts it to be. If you are a Christian, be challenged to read and evaluate your functional living in light of these three possible options. It could be that you are self sufficiently living like an adult who needs no help. Perhaps you are defiantly running from your Father. In either case, as you read, ask the Spirit to remind you of your position as God's dearly loved child.

Faith and Physics

The Scientific Basis for Spiritual Belief

Pleasant Mountain Press Can educated people embrace the concepts of spirituality, mysticism, paranormal phenomena, and even magic in light of the overwhelming and undeniable tenets of modern science? As revealed in this book, the answer is a resounding yes . Faith and Physics takes the reader on a step-by-step journey through the often startling world of modern physics, showing how recent scientific evidence not only supports, but in many cases, demands an acceptance of spiritual, mystical, and paranormal principles. If you, like many modern people, have yearned to believe in something beyond the mundane day-to-day physicality of life, but have feared that to do so would be tantimont to intellectual suicide, this book will prove that you need not choose between modern certainty and mystical doctrine, for both are completely consistent.

God's Will

Finding Guidance for Everyday Decisions

Baker Books Seeking God's guidance is a focus for many believers. We want to know what God has planned for our lives. Are we making the right decision? Are we in his will? For some people, knowing God is guiding their lives makes them relax and enjoy the ride. But others fear making the wrong choice and find themselves paralyzed as they wait for signs from above. J. I. Packer and Carolyn Nystrom answer these fears with God's Will. With solid biblical footing, they shed light on the notion of God's guidance in response to the many misunderstandings well-meaning Christians can have. Readers seeking God's will in major life decisions, as well as anyone interested in understanding how God guides us, will welcome this practical and inspiring book.

Wipf and Stock Publishers How should we see the Spirit at work in spiritual leaders today? How did the Spirit work through spiritual leaders in the Bible? Grassroots Unity in the Charismatic Renewal

Wipf and Stock Publishers This book explores the nature of grassroots unity in the British charismatic renewal in the 1970s and its significance to ecumenism. The study is based on the five international conferences of the Fountain Trust and focuses on two grassroots activities: worship in general and the celebration of the Eucharist in particular. Worship in this setting nurtured unity through charisms, but the Eucharist exposed the inadequacy of this grassroots unity because of doctrinal and ecclesiological differences. This book aims to suggest a way forward by searching for the complementarity of institution and charisms, and Christology and Pneumatology in a charismatic context. It argues that the two emphases of the charismatic renewal, charisms, and the Holy Spirit, complement the institutional commitments of the church and ecumenism. The concepts of *Christus praesens* and *Spiriti praesens* are considered intrinsic to the charisms, and thus Christology and Pneumatology should both be considered significant for ecumenism. The study finally discusses the complementarity of ecumenical institutions and the charismatic renewal, the convergence of ecumenical streams, and continuity in modern ecumenical history.

Growing in Christ

Crossway *Growing in Christ explains just that—how to grow in Christ. As this book shows, we mature spiritually by carefully learning and thoughtfully living the essentials of the Christian faith that are too often taken for granted or overlooked in our daily lives. These essentials—so beautifully summarized in the Apostle's Creed, the Lord's Prayer, and the Ten Commandments—provide the heart of the book, which Dr. Packer explores and applies to daily life in a clear and refreshing way. Study questions and Bible passages follow each chapter for further individual or group study. Speaking to Christians of all backgrounds and denominations, the newly converted as well as the lifelong believer, Dr. Packer reminds us that Christianity is not instinctive. Ours is a faith that must be learned, and we must never stop striving to mature.*

You Were Born for This

Seven Keys to a Life of Predictable Miracles

Multnomah *His New York Times phenomenon The Prayer of Jabez changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles—not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? You Were Born for This starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. You Were Born for This will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today—and I expect to!"*

The Strange Case of Dr. Jekyll and Mr. Hyde

BookRix *The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.*

The Vegan Bible

The Vegan Guide to the Holy Scriptures

Createspace Independent Publishing Platform *The Vegan Guide to the Holy Scriptures* leads you down a path towards *The Garden of Eden*. That fantasy land of Peace and Loving-kindness may be our next evolutionary step. Most people realize that the way the world of Death and Disease has taken over is not right or healthy in any way. The Veganism Movement will heal mankind thus healing the world as well. The modern thinking Vegan is ready to meet and overcome any non-Vegan resistance by learning every thing connected to the purpose of Veganism. There is a spiritual side of Veganism to consider and *The Vegan Bible* is a great place to begin researching the real history of our Mother earth and Father God. Most people never knew that the God of *The Holy Bible* is Vegan. This one little fact changes the face of society from innocent meat eaters to a mob of evil dead-flesh worshipers, especially the ones that refuse to accept the truth of our Vegan world. Don't be one of them. The right way is always the best way to live and enjoy the good health and clean conscious that the Vegan way of life represents. Now you will have all of the Vegan Holy Scriptures at your fingertips to rise over anyone whom decides to support their meat eating habits by miss-quoting *The Holy Scriptures*. *The Vegan Bible* proves that God and Jesus Christ are Vegans as well as some of the Holiest Prophets. Was Cain really the cold hearted monster we were taught he was or was he just an angry Vegan unwilling to control his temper? And who is this Lord God character that keeps on trying to ruin everyone's lives? Was Jesus Christ targeted by the religious leaders of His time for taking a firm stand against animal sacrifices? Did He offer his life as a one time human sacrifice to try and save them. By threatening the financial security of those selling the sacrificial animals this put a price on his head. His teachings of Love were not only aimed at people but they were for all living creatures. His personal sacrifice did put an end to most religiously motivated animal sacrifice in the world. Before Jesus Christ there was only a blood thirsty Lord God to pay off with daily sacrifices which was for sale at the Holy Temples. Now we face a world lost in a cloud of ignorance teaching our children it is normal and right to consume dead animal flesh and this has got to stop. We must learn everything there is to know about Veganism so we can begin to heal our world and save our souls. I have dedicated the rest of my life to the study and research of the Ancient Vegan Creation Story as it is found in every copy of the Bible that exist. Proving that we have an all-loving Father God that is Vegan was only the beginning of what I have discovered. The magnitude of this one important fact has yet to reach the ears of the normal every day church goer. The implications of the facts presented in the pages of *The Vegan Bible* is destined to cause some uproar with the religious institutions and their religious dogma. Why was it such a crime in the dark ages to be a Christian? Did the term Christian mean Vegan and were they hunted, tortured, burned and killed for the same reason that Jesus Christ was. Have you ever seen a normal person go into a fit of rage when you tried to explain Veganism to them? *The Vegan Bible* will help answer many religious questions and provide morally correct Vegan answers. It used to be just a matter of Faith but now the Medical Science is proving our Vegan heritage. Veganism is growing and it will influence the greater populations of every country. I hope that you are ready for *The Vegan Apocalypse*. Thank You.

Comfort for Christians

Sovereign Grace Publishers, *The work unto which the servant of Christ is called is many sided. Not only is he to preach the Gospel to the unsaved, to feed God's people with knowledge and understanding (Jer. 3:15), and to take up the stumbling stone out of their way (Isa. 57:14), but he is also charged to "cry aloud, spare not, lift up thy voice like a trumpet, and show My people their transgression" (Isa. 58:1 and cf. 1 Tim. 4:2). While another important part of his commission is stated in, "Comfort ye, My people, said your God" (Isa. 40:1). What an honorable title, "My people!" What an assuring relationship: "your God!" What a pleasant task: "comfort ye My people!" A threefold reason may be suggested for the duplicating of the charge. First, because sometimes the souls of believers refuse to be comforted (Psa. 77:2), and the consolation needs to be repeated. Second, to press this duty the more emphatically upon the preacher's heart, that he need not be sparing in administering cheer. Third, to assure us how heartily desirous God himself is that His people should be of good cheer (Phil. 4:4). God has a "people," the objects of His special favor: a company whom He has taken into such intimate relationship unto Himself that He calls them "My people." Often they are disconsolate: because of their natural corruption's, the temptations of Satan, the cruel treatment of the world, the low state of Christ's cause upon earth. The "God of all comfort" (2 Cor. 1:3) is very tender of them, and it is His revealed will that His servants should bind up the brokenhearted and pour the balm of Gilead into their wounds. What cause have we to exclaim "Who is a God like unto Thee!" (Micah 7:18), who has provided for the comfort of those who were rebels against His government and transgressors of His Law. The contents of this little volume have appeared from time to time in our monthly magazine during the last thirty years. They were, previously, sermons which we preached long ago in the U.S.A. and Australia. Here and there is an expression (especially where Prophecy is touched upon) that we would not use today; but since the Lord was pleased to bless them in their original form to not a few of His distressed people, we have not revised them. May it please Him to speak peace by them to afflicted souls today, and the glory shall be His alone. Pink (1890-1953) was a Baptist Preacher in England, Australia, and the United States. He is most famous for his book *The Sovereignty of God*. After its advent, he, assisted by his editor Mr. I. Herendeen, launched his yearly publication, *Studies in the Scriptures* in 1921. Paul's Idea of Community

Spirit and Culture in Early House Churches

Baker Academic *This highly readable investigation of the early church explores the revolutionary nature, dynamics, and effects of the earliest Christian communities. It introduces readers to the cultural setting of the house churches of biblical times, examines the apostle Paul's vision of life in the Christian church, and explores how the New Testament model of community applies to Christian practice today. Keeping the Ten Commandments

Crossway *They're often mistakenly considered God's "rules"-his outdated list of do's and don'ts that add up to a guilt-ridden, legalistic way of life. But as beloved author and Bible scholar J. I. Packer probes the purpose and true meaning of the Ten Commandments, you'll discover that these precepts can aptly be called God's blueprint for the best life possible. They contain the wisdom and priorities everyone needs for relational, spiritual, and societal blessing-and it's all coming from a loving heavenly Father who wants the best for his children. Not only does Packer deliver these truths in brief, readable segments, but he includes discussion questions and ideas for further study at the end of each chapter. This book will challenge you to view the commandments with new eyes and help you to understand-perhaps for the first time-the health, hope, and heritage you're offered there.*

Open to the Spirit

God in Us, God with Us, God Transforming Us

WaterBrook *World-renowned New Testament scholar offers a straightforward examination of what the Bible says about the Holy Spirit. Who exactly is the Holy Spirit? What does he do in our lives? How can we know him more deeply, and is it possible to tap into his power? Should we pray to the Holy Spirit? Is it possible to be aware of his promptings and speaking into our lives? Dr. Scot McKnight answers these questions and more in this comprehensive examination of what the Bible says about this divinely important, but often confusing member of the Trinity. This is the third work in a three-part series examining some of the more mysterious components of the Christian faith. Scot's *The Heaven Promise* examines the afterlife. *The Hum of Angels* elucidates the Bible's teaching on God's supernatural messengers and protectors. Now, *Open to the Spirit* examines the most mysterious member of the Trinity. Scot blogs at Patheos, a large multi-perspective blog format. It serves many influential voices from many faith and non-faith traditions. Scot's blog draws primarily a Christian readership; one that is looking for intellectual engagement and thoughtful analysis of Scripture, Theology, and Culture.*
