The New Spiritual Exercises

In the Spirit of Pierre Teilhard de Chardin

Paulist Press This book presents a spiritual renewal system for contemporary believers based on Ignatius' Spiritual Exercises and inspired by the modern insights of Jesuit priest-scientist Pierre Teilhard de Chardin.

A New Introduction to the Spiritual Exercises of St. Ignatius

Wipf and Stock Publishers Although oriented primarily to those less familiar with them, this book offers fresh insights for those experienced in the 'Spiritual exercises.' It includes explanations of their dynamics and correlations between the events of Ignatius' conversion experiences and certain aspects of the 'Exercises.' The meditations on the Kingdom and the Two Standards are viewed from the vantage of contemporary culture. Thus the medieval model of the lord-vassal relationship and the male-dominated imagery are illuminated with the help of insights from Jung. Deeper psychological insight into dying to self in our attachments and desires is linked to our contemplations on the suffering and death of Jesus. The suitability for lay people to make the 'Exercises' is suggested in their adaptation to an open setting of daily life. Finally, a developing personal encounter with Christ in the present is delineated as central to Ignatian spirituality.

Spiritual Exercise

A Simplified Version of the Basic Lessons on Practical Christian Living

Christian Fellowship Publishers Have you ever exercised your spirit? As children of God, have you discovered the secret of spiritual growth? The Bible exhorts us: "Exercise thyself unto godliness: for bodily exercise is profitable for a little; but godliness is profitable for all things, having promise of the life which now is, and of that which is to come" (1 Tim 4.7b-8). Here is a book that will help you to exercise your spirit on the basic lessons of practical Christian living. By faithfully and prayerfully going through these subjects, you will discover the secret to spiritual maturity. To get the best benefit, it is suggested that you take only one lesson a week. Read it, meditate on it, and pray over it till the Holy Spirit brings you into the truth. Thus, you will exercise your spirit over these fifty-two lessons in one year.

Manresa

Or, the Spiritual Exercises of St. Ignatius, for General Use

Fire of Love

Encountering the Holy Spirit

Paulist Press "Fire of Love invites us to recognize the power and ever-expanding presence of the Spirit in our own lives, in the life of the church, in the religious traditions of the world, in the world itself, and in God's evolving creation. The author maintains that the whole world, including the wider creation and cosmos, is the Spirit's sphere of influence." "Augustine and Aquinas, the Hebrew prophets and the Hindu Upanishads, Gandhi and Muhammad, Teilhard de Chardin and theologians of the Eastern Orthodox traditions - all enter the conversation as this book challenges us to pay greater attention to the Spirit in the mysterious workings of our lives."--BOOK JACKET.

Saint Ignatius Loyola and the Holy Spirit in the Spiritual Exercises

Counsels of the Holy Spirit

A Reading of St Ignatius's Letters

Messenger Publications Many books have already been written on spiritual counselling, especially in the Ignatian tradition. But very few consider how Ignatius gave spiritual advice in his letters, directed to various and specific situations. If God really leads us in our spiritual journey, as Ignatius believed, what is the role of the spiritual adviser? What part is played by the numerous rules given in the Spiritual Exercises? The letters show that Ignatius really wanted to give scope to his correspondents and to their awareness of the work of the Holy Spirit within them. Ignatius deployed a "Pedagogy of Consolation" in which his correspondents were trained to exercise their own spiritual agency by discovering God's abundant gifts. It was clear to Ignatius that a counselling relationship was first grounded in God's freedom but also in the freedom of the person who asks for assistance. In six chapters, Patrick C. Goujon focuses on eight letters. He offers a careful reading which emphasizes what makes giving spiritual help possible in a conversation. We are shown how Ignatius deals with decision-making and with obstacles in the spiritual life. He is also revealed giving encouragement and correction and advising about how to offer these to others. His aim is to help people grow in freedom which, in turn, permits them to live according to God's will. Through his letters, we are allowed to enter not only Ignatius's study, the famous camerata in Rome, but also into his heart. "This volume is an excellent introduction to the letters of Ignatius of Loyola (...) making it an important scholarly contribution not only for those interested in Ignatian spirituality, but also for those interested in the history of spirituality more broadly", Mark Rotsaert, ARSI

Activate

Spiritual Exercises to Engage with God and Become the Church of Acts

Manifest Publications Spiritual Activities for Groups and Churches Activate is a book of spiritual exercises that will change the dynamic of your life with God. Each Activity is designed to help you draw closer to the heart of God, improve your ability to listen to and work with the Holy Spirit, and equip you with spiritual power for doing the works that Jesus did. The spiritual exercises in Activate include devotional meditations, soaking in God's presence, prophesying, casting out demons, laying hands on the sick, sharing the Good News, loving your enemies, and many others. These exercises can accompany the chapters of ACTS, a Bible study on the Book of Acts, or be done independent of the ACTS study. You and your church group are led step by step through each Activity so that you can break through barriers of resistance and encounter God in ways that you never have before. If you desire to go deeper in your experiences with God, then it is time for you to be Activated!

The Spiritual Exercises of ECK

ECKANKAR Would you like to enjoy greater self-confidence? Dream consciously? Solve problems from the inside out? Spiritual Exercises for Married Couples: Finding Our Way Together: a Retreat for Companions

Lulu.com A spiritual and psychological method of decision-making and discernment about life-styles based upon the centuries-old Christian Spiritual Exercises of St. Ignatius of Loyola; updated and made more relevant for married couples and companions.

Spiritual Exercises Based on Paul's Epistle to the Romans

Wm. B. Eerdmans Publishing Paul's letter to the Romans is often regarded as the most profoundly doctrinal book in the Bible. While not overlooking its complex theology, Joseph Fitzmyer here shows Romans to be also a wellspring of devotional insight, accessible and deeply rewarding to all Christians. In this book Fitzmyer recasts the text of Romans into the form of meditations for devotional reflection in spiritual retreats, Bible studies, church classrooms, small groups, and other prayerful gatherings. Styled after the famous Spiritual Exercises of St. Ignatius Loyola, the book includes twenty-four meditations that can be divided in a variety of ways and fit to a range of reading schedules. Accompanying each meditation are questions to encourage reflection on the passage of Romans being considered and also a colloquy in the form of a psalm or New Testament hymn that matches the sentiment of the Pauline passage. A truly fulfilling approach to spirituality, Fitzmyer's Spiritual Exercises demonstrates the role of Scripture in properly ordering the Christian life.

Teilhard de Chardin, The Divine Milieu Explained

A Spirituality for the 21st Century

Paulist Press A series of ground-breaking spiritual methods that integrate science and faith according to the evolutionary spirituality of Teilhard de Chardin's The Divine Milieu.

Teilhard de Chardin - Seven Stages of Suffering

A Spiritual Path for Transformation

Do you seek meaning in suffering, a fresh purpose for your life, the courage to endure your pain, and ways to bring healing to the people you care about? These revolutionary words of the Jesuit priest Pierre Teilhard de Chardin offer a totally new way of finding positive meaning in suffering: Human suffering, the sum total of suffering poured out at each moment over the whole earth, is like an immeasurable ocean. But what makes up this immensity? Is it blackness, emptiness, barren wastes? No, indeed: it is potential energy. Suffering holds hidden within it, in extreme intensity, the ascensional force of the world.

Spiritual Exercises of the Heart

Reformation Heritage Books This book contains 78 insightful reflections on God, His ways, and other aspects of the Christian life. Each meditation encourages the practice of self-examination and prayer, and stimulates us to a more diligent examination of God's Word. Table of Contents: Christian Retirement Insensibility to Eternal Things The Fall The Prohibition in Paradise Unbelief The Total Depravity of the Heart The Deceitfulness of the Heart Keeping the Heart The Blessedness of a New Heart The Immensity of God The Divine Sovereignty The Two Covenants The Love of God The Gift of a Savior The Design of the Gospel Perverted Views of the Gospel The Nature of Christianity Neglecting the Gospel Inadequate Views of Human Nature Two Common Errors The Cause of Skepticism The Almost Christian Conversion The New Creature Christian Unity Following the Lord Fully The Two Great Instruments in the Conversion of Sinners The Two Sources The Two Pillars The Two Ways Mercy Rejoicing Against Judgment Intellectual and Spiritual Light Knowledge and Wisdom Passive Impressions and Active Habits Union to Christ The Christian Character Christian Motives Christian Conversation Christian Privilege Agreement Necessary to Communion Separation From the World The Importance of Self-Knowledge The Spirit of Prayer The Cautions and Warnings of Scripture Self-Deception Lukewarmness Forgetfulness of God Watchfulness The Danger of Riches The Thorns in the Parable The Parable of the Rich Man and Lazarus The Three Enemies Indwelling Sin Trials Affliction The Character of Martha and Mary The Character of the Bereans The Living Water The Burning Bush Adoption Faith Hope Love Joy Peace Humility Meekness Purity Godly Fear The Believer's Aim and Hope True Happiness True Religion Election Spiritual Vision Heaven The Blessedness of the Saints Christian Obedience The Day of Judgment

Sacred Listening

Discovering the Spiritual Exercises of Ignatius Loyola

Baker Books A profound call to Christian discipleship. An intensive course in Christian faith. A creative freedom to serve God that is deeply grounded in Scripture. These are ways to describe Sacred Listening, James L. Wakefield's adaptation of the classic Spiritual Exercises of Ignatius Loyola. Central to the Society of Jesus (Jesuits), the Spiritual Exercises is a manual used to direct a month-long spiritual retreat. Now adapting these time-honored Exercises specifically for Protestant Christians, James L. Wakefield encourages readers to integrate their secular goals with their religious beliefs and helps them reflect on the life of Jesus as a model for their own discipleship. Combining scholarship with classic forms of spirituality, Sacred Listening will interest church leaders and lay Christians who want to deepen their faith.

An Experience of Life in the Spirit

Ten Days in the Tradition of the Spiritual Exercises

The Ignatian Adventure

Experiencing the Spiritual Exercises of St. Ignatius in Daily Life

Loyola Press NOW AVAILABLE IN SPANISH AS La aventura ignaciana! Third Place, Prayers & Spirituality category ACP Excellence in Publishing Awards, 2012 There is no better guide than St. Ignatius Loyola if one desires to discover how faith and everyday life can thrive together. In The Ignatian Adventure, Kevin O'Brien, SJ, follows St. Ignatius's lead and offers today's time-strapped individual a unique way of "making" the Spiritual Exercises in daily life. The first part of O'Brien's book provides helpful background information, including a brief history of St. Ignatius, an explanation of the Spiritual Exercises and their purpose, and a description of different ways to make the Exercises. The book's core offers 32 weeks of prayer and meditations to draw participants into a deeper encounter with God. But what truly sets this book apart from other 19th annotations is how O'Brien has woven throughout the chapters his own personal accounts of living out the Exercises in everyday life. Through his deeply moving stories, readers discover how the Exercises intersect with the real world. The Ignatian Adventure is an ideal resource for spiritual directors, but its user-friendly, down-to-earth style also makes it perfect for any individual seeking a deeper life of prayer.

Teilhard de Chardin on Love

Evolving Human Relationships

The authors offer a "first" summary of Teilhard's thoughts on love, a central element in his evolutionary spirituality, presented in accessible language for the ordinary reader. They explore the implications of Teilhard's evolutionary perspective on love as it affects friendships, marriages, parent-child relationships, and teams (larger groups).

Hans Urs von Balthasar on the Spiritual Exercises

An Anthology

Ignatius Press "I would like one day," Hans Urs von Balthasar wrote in 1952, "to write a book on Ignatius of Loyola, the saint of whom I will always consider myself the least of sons." The Jesuit-formed theologian from Switzerland—widely considered one of the greatest thinkers and spiritual writers of modern times—never got the chance to fulfill this dream. Instead, Balthasar's whole theology, from Theo-Drama to Dare We Hope "That All Men Be Saved", is imbued with the influence of Saint Ignatius, founder of the Society of Jesus and author of the Spiritual Exercises, a multi-week retreat guide that has rejuvenated Catholic spirituality since the sixteenth century. Throughout Balthasar's priestly life, he led countless retreatants in the Ignatian Exercises, accompanying them in their discernment of God's call. This anthology is an aid for those either giving or making an Ignatian retreat. Full of citations and equipped with four indexes, as well as many texts never before translated into English, it sifts

Balthasar's writings for insights into almost every element of Ignatius' "libretto", sometimes diving into themes scarcely explored by others. Moreover, it maps out those hidden strains of Jesuit spirituality that run unnoticed through the theologian's oeuvre. Yet the book may help anyone at all who wants to engage more deeply with Jesus or come to grips with Church doctrine, for as Balthasar himself says, the Spiritual Exercises are both a "great school of Christocentric contemplation" and a "genuine interpretation of the deposit of the faith".

The Cry of the Earth and the Cry of the Poor

Hearing Justice in John's Gospel

SCM Press Despite the explicit proclamation in John's Gospel of the 'Word made flesh' it is hard to preach such an esoteric Gospel in a way which offers something concrete, relevant and timely for congregations. Focused around the lectionary readings from the Gospel, "The Cry of the Earth and the Cry of the Poor" suggests that far from being a Gospel which sits at a safe remove from every day life, it can in fact be preached as an urgent call to hear the voices of the oppressed in our world. Encouraging preachers to engage in the ancient practice of lectio divina, the book offers an accessible resource to help address the divorce between what is heard from pulpit, and the urgent social and ecological justice concern of our times.

Where Do I Find God Stories

Each of Us Is a New Story of God

Createspace Independent Pub These stories from a diversity of persons and occupations beautifully illustrated richness of the spiritual journey, as the wide variety of paths into this mystery called "God," or Creator, Lord, Yahweh, Allah, Spirit, or whatever. The stories illustrate the richness of the advice of St. Ignatius of Loyola in his famed Spiritual Exercises to "find God in Everything." We also see how grace and spirit workThe hallmark significance that each journey is truly unique in both revealed and honed in these stories. Our stories exemplify teaching from scripture: "The Kingdom is within,;" (Luke 17:20-21) said Jesus. Then he made this practical by identifying himself with the broken in society in Matthew 25: "Whatsoever you do to the least of my brethren, you do to me."We are stirred eventually to discover HOW we are made in God's image in a personal search. We are made diversely so we find our way into Mystery diversely.

A Reprint of the Worcester Edition with Valuable Additions and a Copious General Index, to Which, for the First Time, Has Been Added, at Great Expense, a Complete Index of Scripture Texts

Spiritual Exercises

Joining Body and Spirit in Prayer

Paulinas In homage to St. Ignatius, Nancy Roth offers a rationale and overview of contemporary prayer practices that prepare the soul in the here and now through a variety of exercises that honour the link between "body" and "spirit" and lead the body to express itself in prayer.

Spiritual Exercises Reclaimed, 2nd Edition, The

Uncovering Liberating Possibilities for Women

Paulist Press This new anniversary edition is a companion to the Spiritual Exercises that does justice to women's experience across contexts and social locations. While acknowledging obstacles that the Exercises hold for women in various contexts, the authors provide fresh interpretations of every aspect of this spiritual classic. They bring together feminist consciousness, a broad knowledge of psychology and theology, and the compassionate insight of experienced spiritual guides.

Awakening the Creative Spirit

Bringing the Arts to Spiritual Direction

Church Publishing, Inc. Designed to help spiritual directors and others use expressive arts in the context of spiritual direction.

The Exercise of Our Spirit

Living Stream Ministry "The exercise of our spirit is for godliness, which is the manifestation of God in the flesh. God is Christ, who is in our spirit, so we need to deal with our spirit. Our spirit must be a spirit of a subdued and submissive will, of a properly exercised emotion, and of a clear, sound, and sober mind. This exercise also requires a good, pure, and single heart, one that seeks only the Lord Himself, and it requires love and faith. All these matters are the preparation for our exercise of the spirit."

God Finds Us

An Experience of the Spiritual Exercises of St. Ignatius Loyola

Loyola Press In God Finds Us, author Jim Manney makes the Spiritual Exercises more accessible than ever by revealing his inner monologue of thoughts while he did the Exercises and giving everyday, relevant examples of sin, discernment, and meditating on the love of God. In his previous book, A Simple, Life-Changing Prayer, Manney presented the daily Examen to readers in a way that made them feel empowered to make it a part of their regular prayer life. Now he offers God Finds Us to share his experiences of making the Spiritual Exercises in a down-to-earth, accessible narrative. Manney includes pertinent biblical examples that help us make the connections between how we pray, view sin, and make appropriate life decisions today.

A Companion to Jesuit Mysticism

BRILL In A Companion to Jesuit Mysticism, Robert A. Maryks provides thirteen unique essays discussing the Jesuit mystical tradition, a somewhat neglected aspect of Jesuit historiography that stretches as far back as the order's co-founder, Ignatius of Loyola, his spiritual visions at Manresa, and ultimately the mystical perspective contained in his Spiritual Exercises.

The Spiritual Exercises of St. Ignatius of Loyola

With Points for Personal Prayer from Jesuit Spiritual Masters

Tan Books It's time to take your spiritual pulse, re-orient yourself to your Creator, and seek His guidance to live your faith more seriously. And there is no better way to do so than by delving into Saint Ignatius' classic Spiritual Exercises, which started the modern retreat movement and played a pivotal role in the conversions of many saints to a radical following of Christ. This book is one of very few that

can truly be said to have changed the world. Now, let it change you! This beautiful deluxe edition has been edited for the modern reader by Father Sean Salai, S.J., and contains a new preface to help orient readers to this timeless classic. Arranged as a DIY retreat, it is an essential part of developing a fruitful and consistent interior life, a soldier-saint's battle plan for spiritual warfare. Peppared with quotes from Jesuit saints and spiritual masters, this new deluxe edition of The Spiritual Exercises brings St. Ignatius' powerful spirituality to a new generation of Christians striving to become saints themselves.

The Spiritual Exercises of Saint Ignatius of Loyola

Contexts, Sources, Reception

BRILL In *The Spiritual Exercises of Saint Ignatius Loyola: Contexts, Sources, Reception*, Terence O'Reilly examines the historical, theological and literary contexts in which the Exercises took shape.

Protestant Spiritual Exercises

Theology, History and Practice

Church Publishing, Inc. *Protestant Spiritual Exercises*

At Home with the Spirit

On Retreat in Daily Life, Tom O'Hara, S.J. A 24-week retreat for deepening prayer and experience of God, built on the Spiritual Exercises of St. Ignatius Loyola, designed for ordinary men and women, to be done at home or on their own time.

Zen and the Spiritual Exercises

Orbis Books The practices of the East meet those of the West in this intriguing book on the relationship between Zen meditation and the Spiritual Exercises of St. Ignatius Loyola. Ruben Habito, a Zen Master as well as an expert in Ignatian spirituality, brings these two hallowed paths to enlightenment together in this intriguing book designed not only for believers in either tradition, but for seekers and beginners as well. Both comparing and contrasting Zen traditions of meditation and enlightenment with St. Ignatius' famous Exercises for attaining Divine Love, Habito offers suggestions on how the two traditions share the same goals and how each might benefit from the other or from their shared practice. As the reader follows Habito through the stages of purgation of false desires, illumination of one's true path, and the generous desire to give back what one has been given through the Divine, Habito shares illuminating and instructive stories, literary and spiritual reflections, and thought-provoking ways on how to update Zen and Ignatian spirituality to meet the needs and desires of a contemporary seeker.

The Garden of the Soul: Or, A Manual of Spiritual Exercises and Instructions for Christians [by Richard Challoner] ... To which are Added, the Vespers for Sundays, Not in Any Former Edition

The garden of the soul, or, A manual of spiritual exercises and instructions for Christians [by R.Challoner]. New, and amended ed

The Spiritual Exercises of St. Ignatius Adapted to an Eight Days Retreat and Six Triduums

Createspace Independent Pub Although this book is intended for Jesuits, all Christians can benefit from the Spiritual Exercises of Saint Ignatius. The original exercises are meant for a month long retreat. By being reorganized for eight days, more people can take advantage of these holy exercises. The Text of the Spiritual Exercises of St. Ignatius, as translated into English from the Spanish Autograph, and edited for private circulation by Rev. John Morris, S. J., is printed in a small volume of only 125 pages. That little work contains all that the Saint composed in the Grotto of Manresa, and he never afterward wrote any additions to the text. But in explaining his Exercises to his first companions, and to others who made the retreat under his direction, he would adapt the details to their characters and the various circumstances. His followers did the same, without writing further additions or commentaries on the original text; they followed in their practice the traditional method as it had come to them from Their saintly founder. In the course of time, as was natural, considerable departures from the first process took place, some of which induced the danger of gradually losing the very spirit of the original Exercises. Among the learned men of our Society who labored most successfully to check such tendency, one of the most distinguished was the Father General John Roothaan, who in 1834 addressed a circular letter to all his subject, earnestly warning them against this peril. At the same time he furnished them a masterly work on the original Spanish and Latin texts, which he accompanied with a most valuable commentary. For those preferring a Latin guide book, whether in making the Exercises themselves, or in explaining them to others, no work is more commendable than that masterpiece of Father Roothaan. Still, both before and since its publication, many other editions of the Exercises and commentaries on the same have been printed, both in Latin and in various modern languages, with full approbation and warm commendations of the Superiors of the Society; and excellent reasons appear to exist why successive generations of Jesuits should continue their efforts to enrich this valuable literature. In particular the eight days retreat, which all our members perform every year, gains additional interest and impressiveness when a wider range is presented, affording a choice among a large number of approved guide books to direct them through this fertile region of spirituality. The spirit permeating all of these must ever be the same, so too the main outline of the truths proposed and the general plan of the Exercises. Yet experience shows that there remains a wide room for variety in comments, suggestions and practical applications. Therefore, when the time for each one's annual retreat comes round, there is shown by many Fathers an earnest desire for some late publication on the subject, that will lend new zest to the familiar solid doctrine. To satisfy such reasonable wishes is the chief reason why the present pages are modestly presented to his brethren by THE AUTHOR

The Works of President Edwards

Walking with Him

A Biblical Guide Through Thirty Days of Spiritual Exercises

Loyola Press Divided into four parts, corresponding to the four weeks of the Spiritual Exercises. Each theme is unfolded by a general exposition. This is followed by short "points for meditation" that are meant for the personal use of the retreatant.

The Garden of the Soul: Or, A Manual of Spiritual Exercises, and Instructions, for Christians ... By ... Dr. Richard Challoner
