THE THREE MARIAS

University of Texas Press Through this translation of As Três Marias the literary achievements of Rachel de Queiroz may at last be judged and appreciated by the English-reading public. Since none of her four novels has previously been translated into English, The Three Marias will be, for many non-Brazilians, an introduction to this nationally known South American author whose books have been widely praised for their artistic merits. Her literary works are colored by her projected personality, by an intense feeling for her own people, by an omnipresent social consciousness, and by personal experiences in the arid backlands of her native state of Ceará. Basing this story on certain of her own recollections from the nineteen-twenties, Rachel de Queiroz tells of a girl growing up in the seaport town of Fortaleza, in northeastern Brazil. Professor Ellison, whose special field is Brazilian and Spanish-American literature, has captured in his translation the author's graceful style and simplicity of language, and has successfully retained the perspective of an idealistic and gradually maturing girl.

MEN AND BEARS

MORPHOLOGY OF THE WILD

[Accademia University Press](#) The time of Carnival represents a “wild” time at the end of winter and pointing to the beginning of a new season. It is characterized by the irruption of border figures, animal masks, characters which recall the world of the dead and which bring within themselves the germ of a vital force, of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops. This wild domain shows itself under the shapes of a contiguity between human and animal: the costumes, the masks, refer to a world in which the characteristics of the human and those of the animal are fused and intertwined. Among these figures, in particular, emerge those of the Wild Man, the human being who takes on animal-like attributes and aspects, and of the Bear, the animal that, more than all the others, gets as close as possible to the human and seems to reflect a deformed image of it. Such symbolic images come from far off times and places to tell a story that belongs to our common origins. The bear assumes attributes and functions alike in very different cultural contexts, such as the Sámi of Finland or North-American hunter-gatherers, and represents a boundary between the world of nature and the human world, between the domain of animals and the difficult construction of humanity: a process continued for centuries, perhaps millennia, and which cannot still be said complete.

As he tells it, "I felt as if something living inside of me had been stolen, taken away and mistreated, then returned without all of its legs." THE DIARY OF A SUBMISSIVE

Michael Joseph Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive, following Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound, awakened sexuality. From the endorphin rush of her first spanking right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes- where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down.

THE WOLF WILL NOT COME

"Mom, are you sure the wolf will not come?" "Absolutely, my rabbit." "But how can you be so sure?" This clever story disarms childhood bedtime anxieties in an unexpected way. A small rabbit getting ready for bed questions his mother on how she can be so sure that the wolf will not come to their house. Meanwhile, on the opposite page, we follow the progress of the wolf indeed creeping closer and closer to them, foiling the mother's reassurances one by one. In a delightful twist, the rabbit's fears are defused and all ends well. The irresistible drawings and surprise ending put nighttime anxieties in light-hearted perspective.
