The Printing Press Transforming Power of Technology Infobase Publishing Explains the mechanics of the first printing press, invented in Germany by Gutenberg in the fifteenth century, and describes the press's revolutionary impact on the world. Life Driven Purpose How an Atheist Finds Meaning Pitchstone Publishing (US&CA) Every thinking person wants to lead a life of meaning and purpose. For thousands of years, holy books have told us that such a life is available only through obedience and submission to some higher power. Today, the faithful keep popular devotionals and tracts within easy reach on bedside tables and mobile devices, all communicating this common message: "Life is meaningless without God." In this volume, former pastor Dan Barker eloquently, powerfully, and rationally upends this long-held belief. Offering words of enrichment, emancipation, and inspiration, he reminds us how millions of atheists lead happy, loving, moral, and purpose-filled lives. Practicing what he preaches, he also demonstrates through his own personal journey that life is valuable for its own sake—that meaning and purpose come not from above, but from within. From Out of the Flames A True Story of Survival WestBow Press "The last thing I remember is the girls playing with my hair. It is curled on my forehead and they stroke it gently while I fall asleep. I wake up suddenly, my body wracked with hot piercing pain. I'm in a car that's hurtling through the night, and all around me is darkness. I'm lying across someone's knees. The pain intensifies and shoots hot, raking talons down my body as I hear hideous screaming. It takes a moment before I realize I'm the one screaming, then I drop back into the deep depths of blackness." Dave Hammer is only five years old when tragedy strikes in the middle of the night on a long weekend. Horribly burned in a fire, Dave struggles to survive. This is the autobiography of a family's love, and one little boy's determination to live, setting the stage for an epic battle for life. Journey with Dave through the story of his life filled with inspiration and hope. The Wonderful Story of Henry Sugar and Six More Penguin UK In The Wonderful Story of Henry Sugar, seven tales of the bizarre and unexpected are told by the grand master of the short story, Roald Dahl. Enter a brilliant, sinister and wholly unpredictable world. Here you will find the suggestion of other-worldly goings on in a dark story about a swan and a boy; the surprising tale of a wealthy young wastrel who suddenly develops a remarkable new ability; and meet the hitchhiker whose light-fingers save the day. 'An unforgettable read, don't miss it' Sunday Times Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today. The Amazing Book is Not on Fire The World of Dan and Phil Random House Hello reader! In this book is a world. With everything from what we text each other, to the time we met One Direction and what really happened in Vegas... This is The Amazing Book Is Not On Fire! Phoenix Rising Stories of Remarkable Women Walking Through Fire Morgan James Publishing How do you go on after you've lost everything? True stories of surviving the Colorado wildfires and finding hope for the future. Over several terrifying summers, deadly wildfires raged across Colorado. Lives were lost, and the flames destroyed thousands of homes. When the smoke cleared and only rubble remained, survivors were left trying to find a way forward against devastating loss. The aftermath of that destruction would span many years, and its effects are still felt today. In Phoenix Rising, twenty women share their stories of fire, the terror they felt as flames engulfed their communities, and the dark desperation that followed. And how—in the ensuing weeks and months—they worked to recreate a life from the ashes. Their tales of fear and bravery, of deep compassion and heart-rending grief, offer an uplifting chronicle of human courage and resilience. "[A] gem of a book . . . When it comes to withstanding and making meaning of the most painful twists of this mysterious life, or enjoying its surprising rewards, nothing compares to the company of other women and their stories." —Megan Feldman Bettencourt, author of Triumph of the Heart: Forgiveness in an Unforgiving World Dan and Phil Go Outside Random House Dan Howell and Phil Lester, avoiders of human contact and direct sunlight, actually went outside. Travelling around the world on tour, they have collected hundreds of exclusive, intimate and funny photos, as well as revealing and captivating side notes, to show the behind-the-scenes story of their adventure. House on Fire The Fight to Eradicate Smallpox Univ of California Press "Bill Foege takes us inside the world's greatest public health triumph: the eradication of smallpox. It's a story of true determination, passion and courage. The story of smallpox should encourage all of us to continue the critical work of worldwide disease eradication."--Bill Gates, Co-Chair of the Bill & Melinda Gates Foundation "Bill Foege is one of the public health giants of our times. He was responsible for the design of the campaign that eradicated smallpox—the most important global health achievement in history and possibly the greatest feat in any field of international cooperation. His insights into the nature of this major event will undoubtedly help to meet the global health challenges of the 21st century."—Julio Frenk, M.D, PhD, Dean, Harvard School of Public Health "The eradication of a disease has long been the holy grail of global health and Bill Foege found it: more than any other person, he was responsible for the eradication of smallpox from the face of the earth. This is a story told by a remarkably humble man, about the extraordinary coalition that he helped to build, and the most impressive global health accomplishment the world has ever seen."—Mark Rosenberg, author of Real Collaboration: What It Takes for Global Health to Succeed "I am thrilled that Bill Foege, one of the great heroes of the smallpox eradication campaign, has written this important book. It tells a beautiful human story of an incredible public health triumph, and is full of lessons that could be applied to many of the global challenges we face today."—Helene D. Gayle MD, President and CEO, CARE USA "Bill Foege's House on Fire is the first-hand account of how a revised strategy to eradicate smallpox was tested, validated, and applied. Without the global adoption of this new surveillance strategy, the final deathblow to this longtime global menace might never have been dealt."—Adetokunbo O. Lucas, MD, DSc, author of It Was The Best of Times: From Local to Global Health "Smallpox is the most devastating disease the world has known, as it destroyed lives and shaped history over the centuries. House on Fire provides a day-to-day account by my friend Dr. Bill Foege of the battle required to defeat this wily and diabolic virus."--President Jimmy Carter The Performance of Justice Public Space and Political Power in Toulouse, 1250-1350 An Absolutely Remarkable Thing Hachette UK IF YOU CAME ACROSS AN ABSOLUTELY REMARKABLE THING AT 3 A.M. IN NEW YORK CITY . . . WOULD YOU KEEP WALKING? OR DO THE ONE THING THAT WOULD CHANGE YOUR LIFE FOREVER? ***** The Carls just appeared . . . While roaming the streets of New York City at 3 a.m., twenty-three-year-old April May stumbles across a giant sculpture she calls Carl. Delighted by its appearance - like a ten-foot-tall Transformer wearing a suit of samurai armour - April and her friend Andy make a video with it, which Andy uploads to YouTube. The next day April wakes up to a viral video and a new life. There are Carls in dozens of cities around the world - everywhere from Beijing to Buenos Aires - and April, as their first documentarian, finds herself at the centre of an international media spotlight. Now April has to deal with the pressure on her relationships, her identity and her safety that this new position brings, all while being on the front lines of the quest to find out not just what the Carls are, but what they want from us . . . Compulsively entertaining and powerfully relevant, An Absolutely Remarkable Thing grapples with how the social internet is changing fame and radicalisation; how our culture deals with fear and uncertainty; and how vilification and adoration can follow a life in the public eye. ***** 'A fun, contemporary adventure that cares about who we are as humans, especially when faced with remarkable events' Kirkus (starred review) 'Hank Green hasn't just written a great mystery adventure (though he has), and he hasn't just written the most interesting meditation on the internet and fame I've ever seen (but he did that too), Hank has written a book [that] expands your mind while taking you on a hell of a ride' Joseph Fink, author of Welcome to Night Vale 'An Absolutely Remarkable Thing is pure book joy' Lev Grossman, #1 New York Times bestselling author of the Magicians Trilogy 'Fun and full of truth. To be honest, I'm a little irritated at how good the book is. I don't need this kind of competition' Patrick Rothfuss, #1 New York Times bestselling author of The Kingkiller Chronicles Voices of the Reformation: Contemporary Accounts of Daily Life Contemporary Accounts of Daily Life ABC-CLIO This fascinating collection of primary source documents furnishes the accounts—in their own words—of those who initiated, advanced, or lived through the Reformation. Starting in 1500, Europe transformed from a united Christendom into a continent bitterly divided between Catholicism and Protestantism by the end of the century. This illuminating text reveals what happened during that period by presenting the social, religious, economic, political, and cultural life of the European Reformation of the 16th century in the words of those who lived through it. Detailed and comprehensive, the work includes 60 primary source documents that shed light on the character, personalities, and events of that time and provides context, questions, and activities for successfully incorporating these documents into academic research and reading projects. A special section provides guidelines for better evaluating and understanding primary documents. Topics include late medieval religion, Martin Luther, reformation in Germany and the Peasants' War, the rise of Calvinism, and the English Reformation. • Supports common core standards for English language arts/history and social studies by promoting critical thinking • Covers the people and events of the period in Germany, France, Italy, the British Isles, and elsewhere in Europe • Defines unfamiliar terms alongside of the documents that contain them • Features a chronology listing important dates and events pertaining to the Protestant Reformation A Collection Of Scarce and Valuable Tracts, On The Most Interesting and Entertaining Subjects: But Chiefly Such as Relate to the History and Constitution of These Kingdoms Selected from an Infinite Number in Print and Manuscript, in the Royal Cotton. I salute her."—John Pilger Giuliana Sgrena brings us inside the US occupation of Iraq as no other journalist has done. The leading Italian journalist, whose personal story was featured on 60 Minutes and in other major media worldwide, describes the real story of her capture, dramatic release, and shooting in 2004. While reporting for the Italian daily newspaper Il Manifesto in Iraq, Sgrena was taken hostage by a group of Iraqis on February 4, 2005, and held until March 4, 2005. On the day of her release, as she was being escorted to Baghdad International Airport by Italian security, US forces fired on her vehicle. The attack killed Major General Nicola Calipari, the number-two man in Italian military intelligence, as he shielded Sgrena. In the book, Sgrena describes her experience as a hostage and provides unique insights into the situation in Iraq under occupation, exposing US war crimes there. In her foreword to this edition, radio and television host and best-selling author Amy Goodman of Democracy Now! situates the attack on Sgrena in the context of the increased targeting of journalists in conflict zones around the world. Heir of Fire A&C Black The third instalment to the global #1 bestselling series. As the King of Adarlan's Assassin, Celaena Sardothien is bound to serve the tyrant who slaughtered her dear friend. Maas, is packed with more heart-stopping action, devastating drama and swoonsome romance, and introduces some fierce new heroines to love and hate. The Wonderful Wizard of Oz Hesperus Press Travel to the land of Oz with Dorothy and find out what inspired the forthcoming film blockbuster Oz: The Great and Powerful Remarkable stories, shewing the power of God's saving grace The Flames DigiCat The Flames is a sci-fi tale by Olaf Stapledon. A "flame" in a burning stone tells of life on the sun and following exile when the planets were formed. Excerpt: "I asked the flame if his kind had a special organ of extra-sensory perception. "Yes," he answered. "The seat of all the most developed functions of the personality is the slender tip or lash, which appears to you green-blue." Again I interrupted. "What colour would it appear to you if you were looking at another of your kind?" The flame then bent his slender tip down so that it came within his own range of vision, which seemed to be centred in the dark collar; and I myself, seeing through his "eyes" saw the curved organ brilliantly coloured in a manner indescribable in our language, since we have no experience of it." Under a Blood Red Sun The remarkable story of PT boats in the Philippines and the rescue of General MacArthur Casemate During the opening days of World War II in the Pacific, a small group of American sailors in the Philippines were propelled into the forefront of the fighting. They were manned with six small wooden torpedo (PT) boats and led by a courageous, larger-than-life character in Lieutenant John D. Bulkeley. The men of Torpedo Boat Squadron 3 faced insurmountable odds as they conducted a series of heroic operations against the navy and air power of Imperial Japan. As America's defense of the Philippines crumbled under the weight of a massive Japanese assault, the courageous activities of Bulkeley's men made headlines across the U.S. Often as the only good news coming from the bleak Pacific front. The unit achieved everlasting fame by evacuating General Douglas MacArthur from the front. Then the squadron continued to fight on until all six of its torpedo boats were lost under fire. The fate of the doomed American defenders was sealed when the Japanese won the battle for the islands in the spring of 1942. The exploits of the unit were immortalized in the blockbuster 1945 movie They Were Expendable, starring John Wayne and Robert Montgomery, but since then the saga of Bulkeley and his men has slipped into history. Under a Blood Red Sun revives the story of the Philippine PT-boats through the intertwined accounts of Bulkeley and his subordinate officers and men. It is a story of the courage and sacrifice of men thousands of miles from their homeland, representing American gallantry and fighting prowess, while giving the Japanese a taste of what was further to come their way. His consciousness revolves around being a member of a church whose beliefs he finds not only confusing but terrifying. Composed of a hodgepodge of requirements and restrictions (including a prohibition against doctors and hospitals), the underpinning tenet of Herbert W. Armstrong's Worldwide Church of God was that its members were divinely chosen and all others would soon perish in rivers of flames. The substantial membership was ruled by fear, intimidation, and threats. Anyone who dared leave the church would endure hardship for the remainder of this life and eternal suffering in the next. The next life, according to Armstrong, would arrive in 1975, three years after the start of the Great Tribulation. Jerry would be eleven years old. Jerry's parents were particularly vulnerable to the promise of relief from the world's hardships. When they joined the church, in 1960, they were living in a two-room apartment in a dangerous Chicago housing project with the first four of their seven children, and, most significantly, they both were blind, having lost their sight to childhood accidents. They took comfort in the belief that they had been chosen for a special afterlife, even if it meant following a religion with a white supremacist ideology and dutifully sending tithes to Armstrong, whose church boasted more than 100,000 members and more than \$80 million in annual revenues at its height. When the prophecy of the 1972 Great Tribulation does not materialize, Jerry is considerably less disappointed than relieved. When the 1975 end-time prophecy also fails, he finally begins to question his faith and imagine the possibility of choosing a destiny of his own. Into the Fire A Firsthand Account of the Most Extraordinary Battle in the Afghan War Random House "The story of what Dakota did . . . will be told for generations."—President Barack Obama, from remarks given at Meyer's Medal of Honor ceremony In the fall of 2009, Taliban insurgents ambushed a patrol of Afghan soldiers and Marine advisors in a mountain village called Ganjigal. Firing from entrenched positions, the enemy was positioned to wipe out one hundred men who were pinned down and were repeatedly refused artillery support. Ordered to remain behind with the vehicles, twenty-one year-old Marine corporal Dakota Meyer disobeyed orders and attacked to rescue his comrades. With a brave driver at the wheel, Meyer stood in the gun turret exposed to withering fire, rallying Afghan troops to follow. Over the course of the five hours, he charged into the valley time and again. Employing a variety of machine guns, rifles, grenade launchers, and even a rock, Meyer repeatedly repulsed enemy attackers, carried wounded Afghan soldiers to safety, and provided cover for dozens of others to escape—supreme acts of valor and determination. In the end, Meyer and four stalwart comrades—an Army captain, an Afghan sergeant major, and two Marines—cleared the battlefield and came to grips with a tragedy they knew could have been avoided. For his actions on that day, Meyer became the first living Marine in three decades to be awarded the Medal of Honor. Into the Fire tells the full story of the chaotic battle of Ganjigal for the first time, in a compelling, human way that reveals it as a microcosm of our recent wars. Meyer takes us from his upbringing on a farm in Kentucky, through his Marine and sniper training, onto the battlefield, and into the vexed aftermath of his harrowing exploits in a battle that has become the stuff of legend. Investigations ensued, even as he was pitched back into battle alongside U.S. Army soldiers who embraced him as a fellow grunt. When it was over, he returned to the States to confront living with the loss of his closest friends. This is a tale of American values and upbringing, of stunning heroism, and of adjusting to loss and to civilian life. We see it all through Meyer's eyes, bullet by bullet, with raw honesty in telling of both the errors that resulted in tragedy and the resolve of American soldiers, U.S. Marines, and Afghan soldiers who'd been abandoned and faced certain death. Meticulously researched and thrillingly told, with nonstop pace and vivid detail, Into the Fire is the unvarnished story of a modern American hero. Praise for Into the Fire "A story of men at their best and at their worst . . . leaves you gaping in admiration at Medal of Honor winner Dakota Meyer's courage."—National Review "Meyer's dazzling bravery wasn't momentary or impulsive but deliberate and sustained."—The Wall Street Journal "[A] cathartic, heartfelt account . . . Combat memoirs don't get any more personal."—Kirkus Reviews "A great contribution to the discussion of an agonizingly complex subject."—The Virginian-Pilot "Black Hawk Down meets Lone Survivor."—Library Journal
