Overplayed

A Parent's Guide to Sanity in the World of Youth Sports

MennoMedia, Inc. As seen in Focus on the Family magazine. Should I sign up our seven-year-old son for the travel team? What should we do about our daughter's Sunday morning games? Am I the only one longing for a sane balance between children's sports, family time, and church commitments? David King and Margot Starbuck offer good news for Christian parents stressed out by these questions and stretched thin by the demands of competitive youth sports. Join King, athletic director at a Christian university, and Starbuck, an award-winning author and speaker, as they investigate seven myths about what's best for young athletes. Discover with them what it means to not be conformed to the patterns of the youth sports world. Listen in as they talk to other parents, pastors, and coaches about the peril and promise of children's sports. Learn practical ways to set boundaries and help kids gain healthy identities as beloved children of God--both on and off the field, and whether they win or lose. Equips parents with concrete tips such as: Eight questions to discuss on the way home from the game Five ways to ruin your child's sports experience Dinnertime conversation starters about your family's values The one question you can't not ask your child about youth sports Key Features: Challenges seven common myths about youth sports Offers wisdom for families on decisions such as choosing leagues and how many seasons to play Author Q&As address parents' common concerns about youth sports Bonus tips and resources for parents, coaches, and pastors Free downloadable study guide available here.

Changing the Game

The Parent's Guide to Raising Happy, High Performing Athletes, and Giving Youth Sports Back to Our Kids

Morgan James Publishing The modern day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of 13, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids.

The Essential Guide to Talking with Gifted Teens

Ready-to-Use Discussions About Identity, Stress, Relationships, and More

Free Spirit Publishing Like other kids their age, highly capable adolescents experience developmental challenges. They're forging identity, finding direction, exploring relationships, and learning to resolve conflicts. These are difficult tasks to do alone, no matter how smart one may be. The 70 guided discussions in this book are an affective curriculum for gifted teens. By "just talking" with caring peers and an attentive adult, kids gain self-awareness and self-esteem, learn to manage stress, build social skills and life skills, and discover they are not alone. Each session is self-contained and step-by-step; many include reproducible handouts. Introductory and background materials help even less-experienced group leaders feel prepared and secure in their role. For advising teachers, counselors, and youth workers in all kinds of school and group settings working with gifted kids in grades 6-12.

Back to the Roots: A Definitive Guide to Grassroots & Football Development

Roli Books Private Limited The book presents an insight into football development and every aspect of it is comprehensively covered with a special focus on grassroots football. Back to the Roots illustrates in detail the player development process, underlining and envisaging key aspects required for the successful and sustainable player development pathway. It highlights the importance of football in schools and training academies for young talent. The author, being associated with the game and its development for many years, presents a road-map for making football an integral part of the school education system. With an emphasis on the role of leadership in football development for bringing in a change or developing the game from every aspect, this book is a must read for everyone involved with the beautiful game - be it budding players, administrators, fans, policy makers, parents, coaches as well as young and old enthusiasts of the game.

Wrestling For Dummies

John Wiley & Sons The fast and easy way to pin down the sport of wrestling Wrestling is a fast-paced sport with many technicalities, rules, and ways to score points—making it difficult for spectators to follow the score and understand whistles and restarts. In Wrestling For Dummies, author and 2008 Olympic Gold medalist Henry Cejudo explains the scoring system and unique rules of wrestling to new competitors, confused parents, and fans of this ancient and captivating sport. Wrestling For Dummies also explains the rich history of the sport and covers the six styles of competitive wrestling and their distinction from the modern entertainment-based "pro wrestling." Covers Greco-Roman and freestyle wrestling Plain-English explanations of wrestling rules Details the history of wrestling Whether you're just getting started as a wrestler or enjoy it as a spectator sport, Wrestling For Dummies makes this sport accessible and easy to understand.

Original.

Parents' Guide to Accredited Camps

The Everything Parent's Guide to Dealing with Bullies

From playground teasing to cyber bullying, all you need to ensure your child's safety and happiness

Simon and Schuster Mocking. Namecalling. Physical aggression. These experiences are all forms of bullying that can wreak havoc on a child's self-esteem, safety, and general happiness. Both parents of bullied children and parents of bullies are in a difficult situation: They want to protect their children and control their behavior without making the problem worse. Parents need a comprehensive, up-to-date guide to ensure that their children's education and quality of life are not compromised. This book helps parents learn to: Recognize the signs of bullying Find out where bullying is taking place—at school, at a friend's house, or on the Internet Understand the differences between bullying among boys and girls Teach social skills and assertiveness techniques Communicate with the parents of bullies Get support from teachers, counselors, and other school administrators Handle bullying situations involving children with special needs Written by Deborah Carpenter, a social worker and assistant principal, this guide gives parents all the tools they need to recognize the problem, treat it properly, and prevent it from happening again.

The Parents Guide to Developing Young Athletes

How to Train Your Young Athletes for Short and Long Term Success

Createspace Independent Publishing Platform Are you limiting the overall growth of your young athlete? Parents today are all looking for the cutting edge that will help their young athlete become the best they can be, but unfortunately the majority of what is being taught today is dropping the ball in one major area. That one major area is they focus ONLY on short term skill success. If you're looking to help your athlete become better just for 1 year, this book is not for you. However if you're looking for success TODAY and for YEARS TO COME, than this guide will show you exactly how to make that happen. There are three pillars required to ensure your young athletes are successful on the playing field. Those pillars are training, nutrition and mindset. Each pillar is broken down in detail within this book and serve as the foundation towards true athletic success. No longer do parents have to be in the dark about what it takes to build a top athlete, this guide is your light towards getting there.

Survival Guide for Coaching Youth Basketball

Human Kinetics You volunteered to coach the basketball team, but are you really ready? How will you teach the fundamental skills, run effective practices, and harness the energy of your young team? Fear not: Survival Guide for Coaching Youth Basketball has the answers. Yes, the wildly popular and entertaining coaching guide is back in a new, updated, and expanded second edition. Longtime coaches Keith Miniscalco and Greg Kot return to share their experience and provide advice you can rely on from first practice to final shot. From evaluating players' skills and establishing realistic goals to using in-game coaching tips, it's all here—the drills, the plays, the fun. Develop your team's dribbling, passing, shooting, and rebounding skills with the Survival Guide's collection of the game's best youth drills. For plays and sets that young teams can actually run, flip to the Survival Guide's offensive and defensive playbook. And to get the most out of every practice, follow the ready-to-use practice plans. So worry not, coach. Survival Guide has helped countless coaches have rewarding and productive seasons—and a lot of fun along the way!

Learn about the Brand Extension, The Death of Al Wilson, Katie Vick, Evolution, the return of the WWE Hall of Fame, RAW's tenth anniversary spectacular, the rise of Brock Lesnar, and so much more. As usual the book is a monster, with over 300,000 words crammed in covering every pay per view, DVD release and special.

Routledge Handbook of Youth Sport

Routledge The Routledge Handbook of Youth Sport is a comprehensive survey of the latest research into young people's involvement in sport. Drawing on a wide diversity of disciplines, including sociology, psychology, policy studies, coaching, physical education and physiology, the book examines the importance of sport during a key transitional period of our lives, from the later teenage years into the early twenties, and therefore helps us develop a better understanding of the social construction of young people's lives. The book covers youth sport in all its forms, from competitive game-contests and conventional sport to recreational activities, exercise and lifestyle sport, and at all levels, from elite competition to leisure time activities and school physical education. It explores youth sport across the world, in developing and developed countries, and touches on some of the most significant themes and issues in contemporary sport studies, including physical activity and health, lifelong participation, talent identification and development, and safeguarding and abuse. No other book brings together in one place such a breadth and depth of material on youth sport or the engagement of young people in physical activity. The Routledge Handbook of Youth Sport is therefore important reading for all advanced students, researchers, practitioners and policy-makers with an interest in youth sport, youth culture, sport studies or physical education.

Sourcebook on Parenting and Child Care

Greenwood "This thorough and well-written source-book will be useful to professionals, parents, students, and acquisitions librarians. Nothing else available has its breadth of scope.... Recommended for academic and public libraries". -- Library Journal "An excellent reference book.... for all parents and organizations working to make the world a better place for children". -- Reviews from Parent Council The Sourcebook on Parenting and Child Care features "the best of the best" in reference material and other information sources, serving as both an outstanding collection tool for librarians and a one-stop

source for information for interested parents and professionals. Covering materials from noted childhood experts like Dr. Benjamin Spock and Penelope Leach, the sourcebook reviews sources on a variety of parenting topics ranging from motherhood and fatherhood to religious training and substance abuse. The author has divided the book into seven parts, each focusing on a specific subject area. Entries include the classics as well as recent literature, with the author's choices of "best" highlighted for easy reference. The chapters conclude with a directory of related organizations or resource centers. The reference section provides both print and nonprint reference tools, including electronic indexing and abstracting services, Interact resources, and commercial online networks.

More Than Just the Talk

Becoming Your Kids' Go-To Person About Sex

Baker Books Have Real Conversations With Your Kids About Sex The old ways of having the "sex talk" just won't cut it anymore. Sadly, the number one place today's young people go to for answers about sex is Google. Meanwhile, kids view nearly 14,000 sexual references a year on television, and 70 percent of teenagers have encountered pornography on the Internet. If we want our children to know the truth about healthy sexuality, we need to create a comfortable climate of continual conversations. Jonathan McKee will show you how to move beyond the initial awkwardness of this subject into an ongoing communication with your kids about God's amazing gift of sex. He equips you with what you need to talk openly about dating, temptation, porn, and purity, and you will find answers to tough questions and relevant Scripture on sexual issues. It's normal for kids to be curious about sexuality, and they need to know that their parents are the most reliable source of information. Be the one your kids turn to on this crucial topic. "In a world full of explicit lies, today's kids need parents who aren't afraid to tell them the explicit truth. This book provides parents with the tools they need to have these candid and continual conversations."--Dr. Kevin Leman, New York Times bestselling author of *Have a Happy Family by Friday* "Jonathan McKee is one of America's premier youth specialists, and this book will help you navigate the rough waters of teaching your kids healthy sexuality."--Jim Burns, PhD, president, HomeWord and author "Parents, take a deep breath. This book pulls no punches. But it will give you exactly what you need to walk alongside your kids at this time when they most need it."--Shaunti Feldhahn, social researcher, speaker, and bestselling author "A thorough, straightforward, and engaging resource that will both equip and inform a parent for effective, culturally relevant, and God-honoring conversations about sexuality and all its implications. It is a critical read in critical times."--Brian Berry, generation ministries pastor, Journey Community Church, La Mesa, California; and author "SO many parents I know don't feel equipped to talk to their kids about sex. This book helps you overcome the (guaranteed) awkwardness of conversations like that, and provides both tools AND motivation. I wish every parent would read it."--Scott Rubin, director of middle school ministry, Willow Creek Community Church "Jonathan McKee provides clarity and practical knowledge so that you and I can do more than just give a nervous 'talk' to our kids; we can be loving and consistent parents for them as well."--Terry Linhart, PhD, educator, author, Bethel College--Indiana "Kids need parents who are educated, aware, and relevant when it comes to sex. Thankfully, Jonathan McKee gives us powerful, poignant, and practical tools to help us win in this delicate and scary parenting arena."--Doug Fields, co-founder of DownloadYouthMinistry.com, youth pastor for thirty years at Saddleback & Mariners Church, speaker, and author "McKee is a frontline youth worker with current and regular interactions with Christian teenagers wrestling with the intersection of their faith and their sexuality. Never condescending, Jon brings his writing style to a subject I wish more parents were talking about with their teens."--Mark Oestreicher, partner, The Youth Cartel and author "Jonathan McKee's book helps us to remember that 'the talk' is a myth at best, and a terrible strategy at worst. A lifestyle of preparation, a strategic series of discussions, and a proactive commitment to conversation is what our kids need, and this book will help any parent to walk with their kids in confidence."--Chap Clark, professor of youth, family, and culture, Fuller Theological Seminary

Officiating Wrestling

Human Kinetics Few athletes can match the intensity that wrestlers bring to the mat. As a wrestling official, you're expected to bring that same intensity to your craft. That means knowing not only the rules but also the mechanics for applying them. *Officiating Wrestling* breaks down the mechanics of officiating the sport to ensure that you're in the right place at the right time to make the right call. Based on officiating mechanics devised and endorsed by the National Federation of State High School Associations (NFHS), *Officiating Wrestling* is the definitive guide for new and experienced high school wrestling officials. Included are guidelines for what's expected of you as a wrestling official, officiating procedures and responsibilities, pre- and postmatch duties, and equipment and safety regulations. Several chapters are dedicated to mechanics, supported by more than 100 photos and illustrations showing positioning, mechanics, and signals. Real-life cases demonstrate correct rulings, point out common officiating errors and how to avoid them, and challenge you to make the right call in match situations. A glossary of key wrestling terms is also included. *Officiating Wrestling* is not a rules book--it's a practical resource for implementing correct mechanics as developed and approved by the NFHS. An added bonus is a special section explaining freestyle for both men and women, as well as Greco-Roman, and the differences between these styles and folkstyle wrestling.

Suggested Reading

HarperCollins In this hilarious and thought-provoking contemporary teen standalone that's perfect for fans of Moxie, a bookworm finds a way to fight back when her school bans dozens of classic and meaningful books. Clara Evans is horrified when she discovers her principal's "prohibited media" hit list. The iconic books on the list have been pulled from the library and aren't allowed anywhere on the school's premises. Students caught with the contraband will be sternly punished. Many of these stories have changed Clara's life, so she's not going to sit back and watch while her draconian principal abuses his power. She's going to strike back. So Clara starts an underground library in her locker, doing a shady trade in titles like *Speak* and *The Chocolate War*. But when one of the books she loves most is connected to a tragedy she never saw coming, Clara's forced to face her role in it. Will she be able to make peace with her conflicting feelings, or is fighting for this noble cause too tough for her to bear? "Suggested Reading is a beautiful reminder that there is nothing simple about loving a book." —David Arnold, New York Times bestselling author of *Mosquitoland*
