I ADULTED!

STICKERS FOR GROWN-UPS

Rizzoli Publications A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color

removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life's little victories, *I Adulted!* is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.

CHILDREN'S NEEDS - PARENTING CAPACITY

CHILD ABUSE, PARENTAL MENTAL ILLNESS, LEARNING DISABILITY, SUBSTANCE MISUSE, AND DOMESTIC VIOLENCE

The Stationery Office This second edition of "Children's needs - parenting capacity" updates the original exploration of the research literature in the light of legal and policy changes in England and findings from more recent national and international research. The edition has also been expanded to cover parental learning disabilities and how it may impact on parenting and children's health and development. The findings show that these parenting issues affect

children differently depending on their age and individual circumstances. While some children grow up apparently unscathed, others exhibit emotional and behavioural disorders. This knowledge can inform practitioners undertaking assessments of the needs of children and their families and effective service responses. This publication is essential reading for practitioners, managers and policy makers concerned with improving the outcomes for children and families who are experiencing such problems.

THE UNINHABITABLE EARTH

A STORY OF THE FUTURE

Penguin UK ****SUNDAY TIMES AND THE NEW YORK TIMES BESTSELLER**** 'An epoch-defining book' Matt Haig 'If you read

just one work of non-fiction this year, it should probably be this' David Sexton, Evening Standard Selected as a Book of the Year 2019 by the Sunday Times, Spectator and New Statesman A Waterstones Paperback of the Year and shortlisted for the Foyles Book of the Year 2019 Longlisted for the PEN / E.O. Wilson Literary Science Writing Award It is worse, much worse, than you think. The slowness of climate change is a fairy tale, perhaps as pernicious as the one that says it isn't happening at all, and if your anxiety about it is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible, even within the lifetime of a teenager today. Over the past decades, the term "Anthropocene" has climbed into the popular imagination - a name given to the geologic era we live in now, one defined by human intervention in the life of the planet. But however sanguine you might be about the proposition that we have ravaged the natural world, which we surely have, it is another thing entirely to consider the possibility that we have only provoked it, engineering first in ignorance and then in denial a climate system that will now go to war with us for many centuries, perhaps until it destroys us. In the meantime, it will remake us, transforming every aspect of the way we live-the planet no longer nurturing a dream of abundance, but a living nightmare.

IMPROV PAPER PIECING

A MODERN APPROACH TO QUILT DESIGN

Lucky Spool Paper piecing blocks means they stand alone, mixed with other stand-alone style blocks in a quilt. Rarely are paper pieced designs repeated with other blocks to create a distinctly modern, secondary pattern that appears to be unrestrained. But Amy's paper-pieced patterns and 9 quilt designs combine both the precision of paper piecing and a spontaneous appeal. Design opportunities are opened through the repetition of paper-pieced blocks. This creates irresistible, modern quilts with precise--yet improvisational--flavor. Amy's patterns easily appeal to both the modern and the new traditional quilt maker alike.

TEXTS FROM MITTENS

A CAT WHO HAS AN UNLIMITED DATA PLAN... AND ISN'T AFRAID TO USE IT

Hanover Square Press Meet Mittens, the internet's favorite text-happy cat. Based on the viral blog by award-winning author Angie Bailey, *Texts from Mittens* is a series of comical text messages exchanged between a snappy, self-absorbed cat and his long-suffering human. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the "filthy beast" dog, Phil. The perfect gift for cat lovers and feline fans, *Texts from Mittens* perfectly captures the thoughts, schemes, and commentary from the internet sensation and world's favorite cat.
