**Vehicle Body Engineering Boy's Club** *Fantagraphics Books* This collection of slacker psychedelic comics spawned a thousand Internet memes. **Savita: The Tragedy that shook a nation** *Random House* **Seventeen weeks pregnant and facing a miscarriage, Savita Halappanavar and her husband Praveen walked into an Irish maternity ward in October 2012. Unwittingly, the couple also walked into that deeply controversial arena in which Ireland's legislative position on abortion remained unresolved. A week later, Savita was dead from septicaemia. Reports of her death and of the refusal to allow Savita a termination of her pregnancy sent shockwaves across Ireland and around the world. Once again the subject of abortion was catapulted to the very top of the agenda in Ireland. With the pro-life and pro-choice camps claiming the moral high ground, both sides in the bitterly contested battle sought to appropriate Savita's story and her image. In the midst of the ensuing rage and furore, the marches and protests, the threats and counter-threats that exploded across political and media platforms, Savita and the complete circumstances of her death were lost. In Savita: The Tragedy That Shook A Nation, Kitty Holland addresses this imbalance as she reveals the truth behind the headlines and explores many unanswered questions: Who was Savita? How significant was it that she was a non-Irish, non-Catholic woman in search of help on Irish soil? And how did her husband and her community's reaction to her death shape the parameters of the debate which followed? Holland's exposé also looks at how the tragic circumstances of Savita's death played a part in compelling the Irish Government to finally legislate on abortion and how activists on each side succeeded or failed in shaping that legislation. Short Stories for Children *Children's Book Trust* **A collection of stories by Indian authors set in India, including "The Goose Thieves, " "In a Guava Orchard, " "Varunkaka's Lemonade Pals, " and "Hanuman and I." Voyaging in Strange Seas The Great Revolution in Science *Yale University Press* **In 1492 Columbus set out across the Atlantic; in 1776 American colonists declared their independence. Between these two events old authorities collapsed and a new, empirical worldview had arrived, focusing now on observation, experiment and mathematical reasoning. This book takes us along on a voyage of discovery that ushered in the modern age. The Art of Painted Comics *Dynamite* The history of painters in comics goes back to the dawn of pulp magazine covers. From "The Shadow" and "The Spider" to "The Black Bat" and so many other characters, painter's works have graced the covers of comics and pulps, which have influenced many artists over the decades. This deluxe coffetable art book, edited and overseen by Alex Ross — one of the comic industry's most recognized painters, whose expertise has helped guide and define its contents — is the most important, most comprehensive prestige hardcover retrospective of the history of painters in comics, of all time. **FCBD 2019 DEADLY CLASS KILLER SET (ONE-SHOT) (NET)** *Image Comics* **It's not Summer Break yet! FCBD fans will be treated with a special one-shot standalone Deadly Class story. Readers of the ongoing comic series by Rick Remender and Wes Craig, viewers excited about SYFY channel's adaptation from Executive Producers the Russo Brothers (directors of Avengers: Infinity War), and new readers alike, will enjoy entering the world of King's Dominion School for the Deadly Arts, where the world's top crime families send the next generation of assassins to be trained. Murder is an art. Killing is a craft. At Kings Dominion School for the Deadly Arts, the dagger in your back isn't always metaphorical. Rating: Mature Thor Epic Collection Worldengine *Marvel Entertainment* **Collects Thor (1966) #491-502, Captain America (1968) #449, Iron Man (1968) #326, Avengers (1963) #396, Thor: The Legend. A truly explosive era for Thor! Visionary writer Warren Ellis and superstar artist Mike Deodato Jr. unite to change everything for a Thunder God forsaken by his father and left mortal in Manhattan. Death is coming for Thor ☐ and Ragnarok may not be far behind! But can he find solace ☐ and renewed vigor ☐ in the arms of the Enchantress? And together, can they save the World Tree, Yggdrasil? Then, William Messner-Loebs takes over with Deodato in bringing an epic chapter of Asgard's saga to a close! Prepare to bid farewell to a legend! Teaching Speaking A Holistic Approach *Cambridge University Press* **"Drawing on wide-ranging literature from a variety of relevant disciplines, as well as their own extensive experience in teaching spoken English, the authors give a fascinating, comprehensive, and insightful account of the nature of second language speaking skills. The research and theory they survey then serves as the basis for the principles, strategies, and procedures they propose for the teaching of spoken English. This book will, therefore, provide an invaluable resource for teachers, teachers in training, and researchers, providing both a state-of-the-art survey of the field as well as a source of practical ideas for those involved in planning, teaching, and evaluating courses and materials for the teaching of spoken English"-- Cyber Sexy Rethinking Pornography *Penguin Random House India Private Limited* **In 1946, American judge Potter Stewart famously said, 'I can't define pornography, but I know it when I see it.' Over seventy years later, the reverberations of this sentence are still felt across the world. From proposed porn bans to religious morality to women's rights, the assumption is that porn has a single, knowable definition. But if one man's pornography is another woman's erotica is another person's sex tape, what really counts as porn? And who gets to do the counting? In this alternative conversation around digital sexual expression in India, Richa Kaul Padte takes readers on an intimate tour of the sexy internet. From camgirls to fanfiction writers, homemade videos to consent violations, Cyber Sexy is an unflinching deep dive into the messy terrain of what it means to seek out pleasure online. The question of whether or not something counts as porn is, ultimately, left up to the reader. After all, you'll know it when you see it, right? Superman by Mark Millar *DC Comics* **Before his groundbreaking work on such legendary titles as Superman: Red Son, The Authority, Civil War and Wolverine: Old Man Logan, and his hit original titles Kick-Ass, Wanted and Kingsman: The Secret Service, the New York Times best-selling writer Mark Millar tackled one of DC's greatest heroes: Superman! This collection brings together timeless tales of the Man of Steel, from Superman's good-bye to Earth to Lois Lane's personal account of a life forever changed by the Big Blue Boy Scout. Explore the heart of Superman, and the root of Lex Luthor's obsession with him, in stories from Millar's Eisner-nominated run on Superman Adventures. Plus, reimagine the Man of Tomorrow, in a world where Detective Harvey Dent undergoes a metamorphosis from man to Superman. Superman by Mark Millar features art by Aluir Amancio (The Spirit), Georges Jeanty (Buffy the Vampire Slayer: Season Eight), Jackson Guice (Superman: The Death of Superman), Mike Manley (Batman), Sean Phillips (Sleeper), Mike Wieringo (The Flash) and more. Collects the greatest of Millar's earliest work on Superman: Team Superman #1, Tangent Comics: The Superman #1, Superman Adventures #19, #25-27, #30, #31, #36, #52 and stories from Superman 80-Page Giant #2 and DC One Million 80-Page Giant #1,000,000. Delivering Desire Michael: Being the token gay kid in the school was never gonna be an easy ride, I mistakenly thought my best friend Jared would be there for me through thick and thin. I never expected him to become the high school bully that made me hate who I am. One thing's for sure, Jared Collins had my heart, before he broke it in two, I'll never make that mistake again Jared: I can't get him out of my head. Michael Irwin was a temptation that I could not let myself give into. When you're parents are leaders of the church, being openly gay is never going to happen. Once high school is over and I'm out on my own, all bets are off. Michael Irwin is may not realise it yet, but he's mine. Policing Hate Crime Understanding Communities and Prejudice *Taylor & Francis* **In a contemporary setting of increasing social division and marginalisation, Policing Hate Crime interrogates the complexities of prejudice motivated crime and effective policing practices. Hate crime has become a barometer for contemporary police relations with vulnerable and marginalised communities. But how do police effectively lead conversations with such communities about problems arising from prejudice? Contemporary police are expected to be active agents in the pursuit of social justice and human rights by stamping out prejudice and group-based animosity. At the same time, police have been criticised in over-policing targeted communities as potential perpetrators, as well as under-policing these same communities as victims of crime. Despite this history, the demand for impartial law enforcement requires police to change their engagement with targeted communities and kindle trust as priorities in strengthening their response to hate crime. Drawing upon a research partnership between police and academics, this book entwines current law enforcement responses with key debates on the meaning of hate crime to explore the potential for misunderstandings of hate crime between police and communities, and illuminates ways to overcome communication difficulties. This book will be important reading for students taking courses in hate crime, as well as victimology, policing, and crime and community. Light on the Yoga Sutras of Patanjali *HarperCollins UK* **Note that due to the limitations of some ereading devices not all diacritical marks can be shown. BKS Iyengar's translation and commentary on these ancient yoga sutras has been described as the "bible" of yoga. This edition contains an introduction by BKS Iyengar, as well as a foreword by Godfrey Devereux, author of Dynamic Yoga. Thor By Kieron Gillen The Complete Collection *Marvel Entertainment* **Collects Thor (2007) #604-614, Siege: Loki And New Mutants (2009) #11. Loki has woven his intricate scheming throughout every level of Thor's existence. From Asgard to Oklahoma, from Latveria to Hell, the Trickster has involved the likes of Doctor Doom, Hela, Norman Osborn and even Mephisto to meet his sinister goals. But when his plans spiral out of control ☐ culminating in the Siege of Asgard and the return of an ancient evil so terrible it means certain disaster to even speak its name ☐ it's up to Thor and his fellow Asgardians to save the day! But who, if anyone, will save Loki? And what part does Dani Moonstar of the New Mutants have to play? It's hammer-swinging action on a grand and cosmic scale by one of today's most celebrated Asgardian chroniclers, fan-favorite scribe Kieron Gillen! Pro Application Lifecycle Management with Visual Studio 2012 *Apress* **You can have the best coders in the world working in your teams, but if your project management isn't up to scratch, your project is almost certain to be delayed, to come in over budget, and in some cases to fail entirely. By taking precise control of your application development process, you can make changes, both large and small, throughout your project's life cycle that will lead to better-quality finished products that are consistently delivered on time and within budget. Application lifecycle management (ALM) is an area of rapidly growing interest within the development community. Because its techniques allow you to deal with the process of developing applications across many areas of responsibility and across many different disciplines, its effects on your project can be wide ranging and pronounced. It is a project management tool that has practical implications for the whole team—from architects to designers, from developers to testers. Pro Application Lifecycle Management with Visual Studio 2012 focuses on the most powerful ALM tool available for the Microsoft .NET Framework: Visual Studio Team Foundation Server. It demonstrates the key concepts and techniques of ALM at first with a guide to the overall methodology, and then delves into architecture and testing--illustrating all of the concepts, tips and tricks using the tools TFS provides. The book serves as a complete guide to the ALM style--with no fluff and many relevant code samples and examples. After reading the book, you will understand how TFS can be used to generate continuous meaningful reporting on your project's health for the decision makers on your team************************

as well as for your project's sponsors. *Joothan An Untouchable's Life* Columbia University Press Omprakash Valmiki describes his life as an untouchable, or Dalit, in the newly independent India of the 1950s. "Joothan" refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a manifesto for the revolutionary transformation of society and human consciousness. *Isla and the Happily Ever After* Usborne Publishing Ltd Hopeless romantic Isla has had a crush on brooding artist Josh since their first year at the School of America in Paris. And, after a chance encounter in Manhattan over the summer break, romance might be closer than Isla imagined. But as they begin their senior year back in France, Isla and Josh are forced to face uncertainty about their futures, and the very real possibility of being apart. Set against the stunning backdrops of New York, Paris and Barcelona, this is a gorgeous, heart-wrenching and irresistible story of true love, and the perfect conclusion to Stephanie Perkins's beloved series. "Stephanie Perkins's characters fall in love the way we all want to, in real time and for good." - Rainbow Rowell, author of *Eleanor & Park* and *Fangirl* Python Scripts for Abaqus Learn by Example Polished Game Development From First Steps to Final Release Apress Learn the things you need for a complete game, such as translations and tutorials, and improve the things you've already written to raise their standard to a professional level. The edited collection includes chapters from prominent experts on various fields of Arabic linguistics. The contributors provide overviews of the state of the art in their field and specifically focus on ideas and issues. Not simply an overview of the field, this handbook explores subjects in great depth and from multiple perspectives. In addition to the traditional areas of Arabic linguistics, the handbook covers computational approaches to Arabic, Arabic in the diaspora, neurolinguistic approaches to Arabic, and Arabic as a global language. *The Routledge Handbook of Arabic Linguistics* is a much-needed resource for researchers on Arabic and comparative linguistics, syntax, morphology, computational linguistics, psycholinguistics, sociolinguistics, and applied linguistics, and also for undergraduate and graduate students studying Arabic or linguistics. *The Batman Adventures Annual (1994-)* #2 DC Comics Gotham City has long been called Hell, but that perception is nothing compared to what it becomes when Ra'os al Ghul brings Etrigan to the Earth. *Between The Revolution And The West A Political Biography Of Maxim M. Litvinov* Routledge This is the first complete biography of Maxim Litvinov, a Bolshevik revolutionary who began his professional life running guns into Tsarist Russia and eventually became the leading Soviet diplomat in the turbulent 1930s. His was a spectacular career, spanning some of the most dramatic decades of the twentieth century and including an unsuccessful effort to contain Hitler with the cooperation of the Western Allies. Litvinov's subsequent replacement as Soviet foreign minister by Molotov in 1939 signaled the dramatic shift in Soviet foreign policy that led directly to the outbreak of World War II. After the war, Litvinov's final public act was to bluntly warn the West of the danger presented by Stalin's cold war policies—a threat Litvinov even dared to compare with that posed by Hitler a decade earlier. Litvinov's career ended in the relative obscurity from which it had sprung, his consistently pro-Western policies no longer consonant with the reemerging Soviet hostility toward the West. Passing away from remarkably natural causes in 1951, Litvinov left behind a political legacy that lay dormant for forty years until its recent revival by Mikhail Gorbachev. *Between The Revolution and the West* is based on extensive research in the Soviet Union and the West, including previously unavailable archives and interviews with Litvinov's friends and family. *Hugh Phillips' work* casts light not only on Litvinov the man but also on Soviet foreign policy during crucial and dramatic times. *Silence of the Heart Dialogues with Robert Adams* Acropolis Books Incorporated One of the clearest presentations of India's Advaita Vedanta, the doctrine of Oneness. Adams, an American student of the great master, Ramana Maharshi, discourses with wisdom and delightful humor as he clarifies for Westerners India's teaching of Ultimate Reality. *Vampirella The Essential Warren Years* Dynamite Entertainment This book collects the complete story of Vampirella, the raven-haired heroine and beloved horror hostess! Starting with her first appearance in 'Vampirella of Drakulon' by Forrest J. Ackerman and Tom Sutton, and spanning each and every fear-fraught issue from the first five years of Vampirella Magazine, this massive tome not only introduces one of the most iconic characters in horror comic history, but her hypnotic supporting cast: the Conjress, Pendragon, Adam Van Helsing, the Cult of Chaos, and the undead lord Dracula! *The 48 Laws Of Power* Profile Books THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. \_\_\_\_\_ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it. *Tank Girl: Free Comic Book Day 2018* Titan Comics As Tank Girl settles around the campfire with her friends to celebrate her big birthday, she recounts tales from her past that illustrate how she became the loveable, unhinged idiot that she is today. Written by series co-creator Alan Martin, with artwork by fan-favorite series artist Brett Parson, and friends. *Rooming Together An M/M Daddy Romance* After things went south with my last roommate, I'm determined to hide my little side until I graduate from college. That's not possible once Jayden learns my secret... Being a little in the dorms isn't easy. When my first roommate found out, he freaked. With a new semester and a new roommate, I promise myself I'll keep my gear locked away. Except at night when everyone is sleeping... Jayden's not nearly as inclined to let me hide after he finds my binkie in the laundry. Correction, after his mom finds it. Shoot me now. Even though he's never considered himself to be a Caregiver, Jayden makes it his mission to help me find a daddy. Neither of us knew he'd be the best fit for the job. He's always there and he's a natural caretaker. No matter how close we get, the D word is off-limits for him. Will he ever accept the role he's assumed in my life? Or will I start the next school year once again looking for a place to stay? *Rooming Together* is the first in a new series set in the kinky town of Annandale featuring binkies, stuffies, and adorably padded backsides. It features cameo appearances from *The Lodge* series characters but can be read as a standalone. *The Art of Army of Darkness* Dynamite Entertainment Since July 2004, Ash Williams - the reluctant hero of the cult classic film, *Army of Darkness* - has been an integral part of Dynamite Entertainment's publishing line. Throughout the years, dozens of highly skilled comic artists have tried their hand at drawing Ash (not to mention the Chosen One's interchangeable armament of chainsaws and mechanical gauntlets, of course). This gorgeous hardcover art book stands as a testament to the unyielding spirit of a horror cinema icon, as captured by some of the comic industry's most beloved talents: J. Scott Campbell, Arthur Suydam, Nick Bradshaw, John Bolton, Ben Templesmith, Tim Seeley, George Perez, and many more! *You Can Draw in 30 Days The Fun, Easy Way to Learn to Draw in One Month or Less* Hachette UK Pick up your pencil, embrace your inner artist, and learn how to draw in thirty days with this approachable step-by-step guide from an Emmy award-winning PBS host. Dick's short story *Minority Report*, the institution of Precrime punishes people with imprisonment for crimes they would have committed had they not been prevented. With Dick's allegorical inspiration, the authors of *Criminal Law and Precrime: Legal Studies in Canadian Punishment and Surveillance in Anticipation of Criminal Guilt* posit that recent developments in Canadian law indicate a trend toward imposing punitive measures at increasingly earlier stages of the prosecutorial process. The result is a potentially new field of criminal management that could be characterized as "precrime"—particularly the use of the law as a technology of surveillance and prevention since "terror" became a justification for intervention. The authors note that as risk management logics (based in actuarial sciences) have shifted to precautionary ones (based in administrative sciences), the law has responded by developing techniques in the arena of criminal regulation in light of the "war on terror": the need to ensure security, the proliferation of digital data, and the development of drones, social networking, and cloud storage to gather personal data. The authors view shifts in criminal investigation; the substantive criminal law of sexual expression, conduct, and work; and civil forfeiture as emblematic of precrime populism. The unifying theme of these techniques is that they occur prior to state-identified crime, arise out of a precautionary philosophy, and seek to presume (or circumvent) criminality. The book is a provocative read for scholars and students in criminal law, policing, and surveillance, as well as for those interested in how areas of law, such as immigration, health, and anti-terrorism, are mobilizing the logics of risk and surveillance in new ways that emphasize precaution. The authors invite legal scholars to place the analytical lens of precrime on criminal and regulatory practices in Canada as well as other Western nations across the globe. *With Respect to Sex Negotiating Hijra Identity in South India* University of Chicago Press *With Respect to Sex* is an intimate ethnography that offers a provocative account of sexual and social difference in India. The subjects of this study are hijras or the "third sex" of India—individuals who occupy a unique, liminal space between male and female, sacred and profane. Hijras are men who sacrifice their genitalia to a goddess in return for the power to confer fertility on newlyweds and newborn children, a ritual role they are respected

for, at the same time as they are stigmatized for their ambiguous sexuality. By focusing on the hijra community, Gayatri Reddy sheds new light on Indian society and the intricate negotiations of identity across various domains of everyday life. Further, by reframing hijra identity through the local economy of respect, this ethnography highlights the complex relationships among local and global, sexual and moral, economies. This book will be regarded as the definitive work on hijras, one that will be of enormous interest to anthropologists, students of South Asian culture, and specialists in the study of gender and sexuality. Decalogue The Ten Commandments *Faber & Faber* Ten short films, each based on a broken commandment, set in and around an apartment block in Warsaw. The stories are simple, describing experiences and emotions common to us all - the fractured quality of modern family life, its sadnesses and hopes. These brilliant films explore the significance of the choices we all make, every day of our lives. This edition includes an introduction by Kieslowski about his work, together with the feature-length scripts for A Short Film about Killing and A Short Film about Love. Hillbilly Elegy: A Memoir of a Family and Culture in Crisis *HarperCollins UK* THE INTERNATIONAL BESTSELLER Coming November 2020 as a major motion picture from Netflix starring Amy Adams and Glenn Close 'The political book of the year' Sunday Times 'A frank, unsentimental, harrowing memoir ... A superb book' New York Post The Whole-Brain Child 12 Proven Strategies to Nurture Your Child's Developing Mind *Hachette UK* In this pioneering, practical book for parents, neuroscientist Daniel J. Siegel and parenting expert Tina Payne Bryson explain the new science of how a child's brain is wired and how it matures. Different parts of a child's brain develop at different speeds and understanding these differences can help you turn any outburst, argument, or fear into a chance to integrate your child's brain and raise calmer, happier children. Featuring clear explanations, age-appropriate strategies and illustrations that will help you explain these concepts to your child, The Whole-Brain Child will help your children to lead balanced, meaningful, and connected lives using twelve key strategies, including: Name It to Tame It: Corral raging right-brain behavior through left-brain storytelling, appealing to the left brain's affinity for words and reasoning to calm emotional storms and bodily tension. Engage, Don't Enrage: Keep your child thinking and listening, instead of purely reacting. Move It or Lose It: Use physical activities to shift your child's emotional state. Let the Clouds of Emotion Roll By: Guide your children when they are stuck on a negative emotion, and help them understand that feelings come and go. SIFT: Help children pay attention to the Sensations, Images, Feelings, and Thoughts within them so that they can make better decisions and be more flexible. Connect Through Conflict: Use discord to encourage empathy and greater social success. Sextasy Vivid Sex Stories *CreateSpace* Sextasy: Vivid Sex Stories is part two in a hot new erotica series.
