THE BEGINNING AND THE END

THE MEANING OF LIFE IN A COSMOLOGICAL PERSPECTIVE

Springer In this fascinating journey to the edge of science, Vidal takes on big philosophical questions: Does our universe have a beginning and an end or is it cyclic? Are we alone in the universe? What is the role of intelligent life, if any, in cosmic evolution? Grounded in science and committed to philosophical rigor, this book presents an evolutionary worldview where the rise of intelligent life is not an accident, but may well be the key to unlocking the universe's deepest mysteries. Vidal shows how the fine-tuning controversy can be advanced with computer simulations. He also explores whether natural or artificial selection could hold on a cosmic scale. In perhaps his boldest hypothesis, he argues that signs of advanced extraterrestrial civilizations are already present in our astrophysical data. His conclusions invite us to see the meaning of life, evolution and intelligence from a novel cosmological framework that should stir debate for years to come.

THE BEGINNING OF THE END

Invincible Publishers Blake is just a normal 13 year-old living in an ordinary world. But when he is caught between a multi-dimensional war which also threatens the Earth,he soon comes to know that he is part of a prophecy which will either save the world or end it. He must choose, whether to continue living his normal life or accept the prophecy and risk himself to save the world.

THE BEGINNING AND THE END OF EVERYTHING

FROM THE BIG BANG TO THE END OF THE UNIVERSE

Michael O'Mara Books 'Prepare to have your mind blown! A brilliantly written overview of the past, present and future of modern cosmology.' - DALLAS CAMPBELL, author of Ad Astra The Beginning and the End of Everything is the whole story as we currently understand it - from nothing, to the birth of our universe, to its ultimate fate. Authoritative and engaging, Paul Parsons takes us on a rollercoaster ride through billions of light years to tell the story of the Big Bang, from birth to death. 13.8 billion years ago, something incredible happened. Matter, energy, space and time all suddenly burst into existence in a cataclysmic event that's come to be known as the Big Bang. It was the birth of our universe. What started life smaller than the tiniest subatomic particle is now unimaginably vast and plays home to trillions of galaxies. The formulation of the Big Bang theory is a story that combines some of the most far-reaching concepts in fundamental physics with equally profound observations of the cosmos. From our realization that we are on a planet orbiting a star in one of many galaxies, to the discovery that our universe is expanding, to the groundbreaking theories of Einstein that laid the groundwork for the Big Bang cosmology of today - as each new discovery deepens our understanding of the origins of our universe, a clearer picture is forming of how it will all end. Will we ultimately burn out or fade away? Could the end simply signal a new beginning, as the universe rebounds into a fresh expanding phase? And was our Big Bang just one of many, making our cosmos only a small part of a sprawling multiverse of parallel universes?

A BEGINNING AT THE END

Mira Books How do you start over after the end of the world? "Not just an apocalyptic thriller, but also a timely reminder of what is most important in life--family, love, and hope." --Peng Shepherd, author of The Book of M Six years after a global pandemic wiped out most of the planet's population, the survivors are rebuilding the country, split between self-governing cities, hippie communes and wasteland gangs. In postapocalyptic San Francisco, former pop star Moira has created a new identity to finally escape her past--until her domineering father launches a sweeping public search to track her down. Desperate for a fresh start herself, jaded event planner Krista navigates the world on behalf of those too traumatized to go outside, determined to help everyone move on--even if they don't want to. Rob survived

the catastrophe with his daughter, Sunny, but lost his wife. When strict government rules threaten to separate parent and child, Rob needs to prove himself worthy in the city's eyes by connecting with people again. Krista, Moira, Rob and Sunny are brought together by circumstance, and their lives begin to twine together. But when reports of another outbreak throw the fragile society into panic, the friends are forced to finally face everything that came before--and everything they still stand to lose. Because sometimes having one person is enough to keep the world going.

THE BEGINNING AND END OF US

[Bookouture](#) I wish it didn't have to be this way. I willed the thought to fly to you, so you'd know how hard it was to leave you behind. That was the night I lost you, and gained myself. Born in a honeysuckle-choked garden deep in the forest, Aphrodite - young, sensitive and beautiful - learns her true purpose in the world moments before she's cast out of the only home she's ever known. Haunted by loneliness, she begins a journey to fulfill her destiny. It is a path that will lead her into the arms of four very different men - a dreamer, a fighter, an artist and a lost soul. All human, all flawed and all on their own journeys of painful self-discovery. But could it be the secrets she left behind - and the one person she thought she had lost forever - that hold the answers to the questions she's seeking? For while life may take you unexpected places, truth will bring you home... An unputdownable, life-affirming epic, filled with ordinary yet extraordinary people, *The Beginning and End of Us* is a magical story in which you will recognise yourself, from the sweetness of a rain-drenched first kiss to the terrible pain when you realise it's finally over. Perfect for fans of *Where the Forest Meets the Stars*, *The Secrets of Lost Stones* and *The Light We Lost*. What readers are saying about *The Beginning and End of Us*: 'Wow what an amazing book! This is my first from this author but won't be my last. Absolutely amazing. Loved the story... Finished in a day. I couldn't put it down it was so good.' Goodreads reviewer, 5 stars '...James' descriptive, expressive, lyrical writing builds and blends an enchanting world of surreal pleasure of the senses with a magical mournful melancholy. Colorfully illustrating the sights, sounds and tastes of all the places of Aphrodite's journey, James captivates the reader... *The Beginning and End of Us* is an enchanting, spellbinding read.' Goodreads reviewer 'The words grip you, the emotions are vivid. Rose James wrote a very creative book and did an excellent job making the words on the pages come alive.' Goodreads reviewer 'This book takes you on a journey from the first page. This journey doesn't really have a beginning or an ending it simply is... This book is beautiful and will make you see the magical all around you.' Insights Into Books Blog, 4 stars

THE BEGINNING AND THE END OF 'RELIGION'

[Cambridge University Press](#) What is the subject of theology? These fourteen essays argue against the view that "religion" is the name of one particular territory that we may consider or ignore if we feel so inclined. That "religion" is a subject quite different from others, such as politics, art, science, law and economics, is peculiar to modern Western culture. But Professor Lash states that the "modern" world is ending, and in the consequent confusion is the possibility of discovering new forms of ancient wisdom that the "modern" world obscured from view. Part I explores the dialogue between Christianity and Hinduism. Those essays in Part II (six were published between 1988 and 1994, and five are unpublished) consider relations between theology and science, the secularity of Western culture and questions of Christian hope or eschatology.

ASCENSION, BOOK 8

[TurtleMe](#) I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

BETWEEN THE BEGINNING AND THE END

A RADICAL KINGDOM VISION

[Wm. B. Eerdmans Publishing](#) Radical, comprehensive vision of the kingdom of God in light of the new creation Twentieth-century Dutch missiologist and prolific author J. H. Bavinck was committed to confronting the world with the saving message of Christ. In this first English translation of the Dutch work published in 1946, Bavinck presents a cosmic kingdom vision and champions the coming of the kingdom of Christ as the basic message of the gospel. Bavinck eloquently challenges believers to live as kingdom people as he expresses a uniquely Reformed perspective on the eternal significance of our temporal world. His eschatological vision, which permeates the book, is now more relevant than ever as climate change, resource depletion, financial turmoil, and other issues increasingly threaten our world. With Bert Hielema's skillful translation capturing the beauty and power of Bavinck's original text, *Between the Beginning and the End* calls all Christians to consider anew the entire scope of the church and Christ's kingdom.

[iUniverse](#) The world will soon end. In the blink of an eye, the whole world will be changed. Destruction will come upon the earth in a wave of terror. The way we live will change and the world as we know it will suddenly disappear in utter destruction. Millions will die and death will reign upon this earth. Moment by moment, second by second, time ticks away as the end draws near. Will you be left behind?

THE BEGINNING OF THE END

[Createspace Independent Publishing Platform](#) Marcus Abaddon has been "chosen" to carry out a corrupt United States government agenda by crime lord Devin Bolos. Alongside Charles, Bolos runs an illegal drug operation, which includes some "atypical" chemicals that begin to alter Abaddon's state of mind. However, throughout the book Abaddon cannot help but feel the pull of holy spirit within (God) as he fights a spiritual warfare before seeking the spiritual guidance needed from old classmate Josh Slothers. Josh has become a successful pastor of a large church near Abaddon. As the end draws near for a clueless Abaddon, he is duped into a catastrophic event that ignites the government's push for a new world order, a concept very prevalent in today's society. God's power, however, is unbreakable, and Christian's are reminded to keep the faith and push forward in a coming time of despair.

[Lulu.com](#) This book is ambitious in its scope and in the course of over 400 pages, it begins with the creation of the Universe and ends when all time and space ends in a singularity. Read the book to find out why the Universe was created and what happens to man after death. Are the atheists right and there is nothing but extinction or is there a better hope and an eternal future. Was Adam and Eve ejected from the Garden of Eden because they ate the wrong piece of fruit? Why was it necessary to kill all living people and creatures with a worldwide Flood bar one family? Did God really tell the Israel nation to kill all the men, women and children in Canaan? How can Jesus Christ be God incarnate who is eternal when he dies on the cross? How can all Christians go to heaven? What happens after the Kingdom of God is established in the New Heaven and New Earth? The spiritual messages contained in this book answer all these questions and much more, with full notes and references for each section of the book.

THE BEGINNING OF THE END

[Sudden Insight Publishing](#) Hope dwindles as the world dies... Prologue Prequel is a memory from the mind of a certain general that first encountered zombies years ago. When a top secret experiment goes horribly wrong, only he stands between the world and outbreak. John's Stones are his last chance at redeeming himself. Caught between the world of humans and the mind of the monster, John might be able to make a difference; or he may be throwing stones at a

hurricane. Tina's Bedside has become a place for her husband to sit and watch her grow old. The zombie apocalypse requires his attention more than she does, and Tina finds her own grim solution to the problem. **The Beginning of the End** is the second volume in the **Zombie Zero** short story collection. It details the events preceding humanity's last stand against the cataclysm documented in **Zombie Zero: The First Zombie**. Tina's Bedside is about a woman who has been well loved and protected for a long happy life. When the zombies come, Tina realizes what she has been protected from all this time. She's too old to handle a zombie apocalypse right now; too old, and too tired. Tina finds her own solution to the sudden global problem.

A HISTORY OF THE SOVIET UNION FROM THE BEGINNING TO THE END

[Cambridge University Press](#) An examination of political, social and cultural developments in the Soviet Union. The book identifies the social tensions and political inconsistencies that spurred radical change in the government of Russia, from the turn of the century to the revolution of 1917. Kenez envisions that revolution as a crisis of authority that posed the question, 'Who shall govern Russia?' This question was resolved with the creation of the Soviet Union. Kenez traces the development of the Soviet Union from the Revolution, through the 1920s, the years of the New Economic Policies and into the Stalinist order. He shows how post-Stalin Soviet leaders struggled to find ways to rule the country without using Stalin's methods but also without openly repudiating the past, and to negotiate a peaceful but antipathetic coexistence with the capitalist West. In this second edition, he also examines the post-Soviet period, tracing Russia's development up to the time of publication.

THE BEGINNING AFTER THE END

DIVERGENCE, BOOK 7

[TurtleMe](#) Not every human, elf, or dwarf could be equally important to me, and that's a fact that I had accepted long ago. I was here to serve my role, to help end this war, but it wasn't for world peace or to save mankind—it was so, one day, I could lead a comfortable and happy life with the people I loved and cared for. Arthur Leywin has experienced two lifetimes of challenge and adventure. He has lived as a swordsman, a mage, an adventurer, and a king. Now his two lives, old and new, will collide, revealing the connection between King Grey and Arthur Leywin, but at what cost? And how will this affect the ongoing war between the nations of Alacrya and Dicathen? Enemy forces threaten the coastal cities, the elven forests, and the fortified mountain passes; Dicathen's most powerful allies have vanished; and the military alliance between men, elves, and dwarves threatens collapse. Arthur may be the last hope for his people, but when forced to choose between family and country, where will his loyalty lie?

THE BEGINNING, THE END, AND EVERYTHING IN BETWEEN

This collection is in no particular order, just poems about life as I have known it, since I started writing when I was 11. They are about life's beginnings - not just new life, but all new beginnings, new starts. They are about the end of situations and, as the title states, everything in between. It's about connections I have made and my interpretations of those connections. In short, this is the world through my eyes. I hope that you can relate to them at some level, and I hope that one or more poem will open your mind to a different perspective. Enjoy.

HOW HOLLYWOOD—AND AMERICA—LEARNED TO STOP WORRYING AND LOVE THE BOMB

The New Press **One of Vanity Fair's 21 Best Books of 2020** The shocking and significant story of how the White House and Pentagon scuttled an epic Hollywood production. Soon after atomic bombs exploded over Hiroshima and Nagasaki in 1945, MGM set out to make a movie studio chief Louis B. Mayer called "the most important story" he would ever film: a big budget dramatization of the Manhattan Project and the invention and use of the revolutionary new weapon. Over at Paramount, Hal B. Wallis was ramping up his own film version. His screenwriter: the novelist Ayn Rand, who saw in physicist J. Robert Oppenheimer the model for a character she was sketching for Atlas Shrugged. Greg Mitchell's *The Beginning or the End* chronicles the first efforts of American media and culture to process the Atomic Age. A movie that began as a cautionary tale inspired by atomic scientists aiming to warn the world against a nuclear arms race would be drained of all impact due to revisions and retakes ordered by President Truman and the military—for reasons of propaganda, politics, and petty human vanity (this was Hollywood). Mitchell has found his way into the lofty rooms, from Washington to California, where it happened, unearthing hundreds of letters and dozens of scripts that show how wise intentions were compromised in favor of defending the use of the bomb and the imperatives of postwar politics. As in his acclaimed Cold War true-life thriller *The Tunnels*, he exposes how our implacable American myth-making mechanisms distort our history.

THE ALPHA AND OMEGA

THE BEGINNING AND THE END OF BIBLICAL INTERPRETATION

WestBow Press This book is about the amazing revelation of God's plan for the whole world. He knows the end from the beginning. The first part of the book encompasses all the aspects of salvation; and the consequences of not accepting his plan of salvation and obeying his word. This is a wonderful eye-opening book that enables us to walk through the corridors of time until we see the New Heaven and earth. It reveals the contrast between the Old and New Testament. This book answers the question of predestination. It also shows that the Father, Son, and Holy Spirit are one... unequivocally. It tells us what the definition of belief is. Scripture interprets scripture. With any doctrinal truth scattered throughout the Bible, when brought together according to topic, there can be no doubts of the truth of each doctrine. Part two of the book is all about interpreting the book of Revelation. Some of the scriptures have many topics. There are seven topics in Revelation 1:4: These are.... the seven churches; grace; peace; from him which is, and which was, and which is to come, and from the seven spirits: I have capitalized REVELATION and each subsequent TOPIC. The first time I write the scripture I do not put an asterisk in front of REVELATION. After the initial scripture I put an * in the front of every scripture ... *REVELATION until all the topics have been exhausted. EACH NEW SCRIPTURE IN REVELATION IS CAPITALIZED.

REREADING GENESIS'S STORIES AND REVELATION'S VISIONS

Wipf and Stock Publishers Have you ever wondered if there might be more to Genesis than fodder for anti-evolutionism? Or have you ever thought, "Revelation has to be more than simply a roadmap for the future of the Middle East"? You're not alone. In *The Beginning and the End* Michael Pahl surveys the opening chapters of Genesis and the concluding chapters of Revelation, taking seriously both their historical and literary features as ancient texts and their theological purposes as inspired Scripture. The result is a reading of the first and last books of the Bible that sketches out, from beginning to end, a story of God, humanity, and all creation--a grand narrative in which we are placed in the middle, and which calls us to live in a particular way as our identity and our values are shaped in light of our origins and our destiny.

THE END OF THE WORLD IS JUST THE BEGINNING

MAPPING THE COLLAPSE OF GLOBALIZATION

HarperCollins 2019 was the last great year for the world economy. For generations, everything has been getting faster, better, and cheaper. Finally, we reached the point that almost anything you could ever want could be sent to your home within days - even hours - of when you decided you wanted it. America made that happen, but now America has lost interest in keeping it going. Globe-spanning supply chains are only possible with the protection of the U.S. Navy. The American dollar underpins internationalized energy and financial markets. Complex, innovative industries were created to satisfy American consumers. American security policy forced warring nations to lay down their arms. Billions of people have been fed and educated as the American-led trade system spread across the globe. All of this was artificial. All this was temporary. All this is ending. In *The End of the World is Just the Beginning*, author and geopolitical strategist Peter Zeihan maps out the next world: a world where countries or regions will have no choice but to make their own goods, grow their own food, secure their own energy, fight their own battles, and do it all with populations that are both shrinking and aging. The list of countries that make it all work is smaller than you think. Which means everything about our interconnected world - from how we manufacture products, to how we grow food, to how we keep the lights on, to how we shuttle stuff about, to how we pay for it all - is about to change. A world ending. A world beginning. Zeihan brings readers along for an illuminating (and a bit terrifying) ride packed with foresight, wit, and his trademark irreverence.

The goal is to throw the entire country into chaos, but who will get the blame?

CHRIST FROM BEGINNING TO END

HOW THE FULL STORY OF SCRIPTURE REVEALS THE FULL GLORY OF CHRIST

Zondervan Fully grasp how every part of Scripture fits together to point to and reveal the glory of Christ Jesus. From beginning to end, the Bible reveals the glory of Jesus. But for many Bible readers, it doesn't seem that simple. We're often unsure how the Bible's many stories, characters, events relate together and connect to Jesus. Some are tempted to force the pieces of the Bible together, making superficial jumps to him. Others give up trying to understand the Bible altogether. Christ from Beginning to End is written to help Christians understand just how the different stories and parts of Scripture fits together to reveal the glory of Christ Jesus. In Part 1, Wellum and Hunter reintroduce us to the Bible—what it is, how it comes to us, and what it's centrally about. Then, in Part 2, they walk from one side of the Bible's story to the other, carefully tracing its storyline from Genesis to Revelation. As readers see how our triune God's plan unfolds through his covenants, they will be equipped for a lifetime of seeing Christ's glory in Scripture. From this book, you'll learn how to: Read the Bible according to the three biblical contexts: the immediate context, the context of the unfolding story, and the context of the whole story centered in Christ. Recognize how different parts of the Bible connect together as part of a unified story. Embrace the story of the Bible as our own, to live this story out, and to share this story with our neighbors and the nations. You will also see the Bible's multi-layered story and how it is held together by the one plan of God to glorify himself in salvation. You'll come away with a greater awareness of our need as sinners, of the triune God in all of his grace, and of Jesus as the incarnate Son in all of his glory.
