Swift lowers his eyes, Sade shuts his candy box.” The Arthritic Grasshopper and Other Tales gathers together all of her literary prose from 1934 to 1944, an assortment of anxious dream tales drawn from journals and plaquettes, introduced and illustrated by such admirers as Paul Éluard, Man Ray and Hans Bellmer. The 72 stories include such longer, novella-length tales as “Sondue,” “The Executioner” and “The Dream.” Gisèle Prassinos (1920–2015) was born in Istanbul of a Greek father and an Italian mother. One summer day at the age of 13 and in a fit of boredom, she began to compose short absurdist vignettes, filling up pages of paper with tales of sarcastic stains, arrogant hair and liquid frogs. Her first collection was published in 1935, with a preface by Paul Éluard and a frontispiece portrait by Man Ray. With World War II, Prassinos stopped publishing, but in 1954 she returned to literature with a series of novels and stories still imbued with a Surrealist sensibility. **Big Sister Madison** Createspace Independent Publishing Platform Madison is a big sister. Notes upon a case of obsessional neurosis (1909) Psychoanalytic notes upon an autobiographical account of a case of paranoia (dementia paranoides) (1911) From the history of an infantile neurosis (1918) **Encyclopedia of Contemporary Chinese Culture** Taylor & Francis Collects entries on contemporary Chinese culture since 1980, discussing such topics as prisons, underground churches, and rock groups. **Transformations of Sensibility The Phenomenology of Meiji Literature** U of M Center for Japanese Studies First published in Japan in 1983, this book is now a classic in modern Japanese literary studies. Covering an astonishing range of texts from the Meiji period (1868-1912), it presents sophisticated analyses of the ways that experiments in literary language produced multiple new—and sometimes revolutionary—forms of sensibility and subjectivity. Along the way, Kamei Hideo carries on an extended debate with Western theorists such as Saussure, Bakhtin, and Lotman, as well as with such contemporary Japanese critics as Karatani Kojin and Noguchi Takehiko. Transformations of Sensibility deliberately challenges conventional wisdom about the rise of modern literature in Japan and offers highly original close readings of works by such writers as Futabatei Shimei, Tsubouchi Shoyo, Higuchi Ichiyo, and Izumi Kyoka, as well as writers previously ignored by most scholars. It also provides a new critical theorization of the relationship between language and sensibility, one that links the specificity of Meiji literature to broader concerns that transcend the field of Japanese literary studies. Available in English translation for the first time, it includes a new preface by the author and an introduction by the translation editor that explain the theoretical and historical contexts in which the work first appeared. **The Torrents of Spring** BoD – Books on Demand Reproduction of the original: *The Torrents of Spring* by Ivan Turgenev **The Sketch A Journal of Art and Actuality A Midsummer-night's Dream Young Marvel Little X-Men, Little Avengers, Big Trouble** Marvel The Children of the Atom meet the Mitey 'Vengers in this giant-sized collection of pint-sized super heroics! Ruthless gangsters, leaping vampires, biomechanical aliens all converge in a turf war of cosmic scope. It's not surprising to see a multicultural collision like this come out of Mr. Ross and Mr. Edwards' brains. What is shocking is that it works so well. Fast-paced, efficiently told and quite addictive!" --Guillermo del Toro (Pan's Labyrinth, Hellboy) **A Lear of the Steppes, etc.** Prabhat Prakashan An examination of *A Lear of the Steppes* is of especial interest to authors, as the story is so exquisite in its structure, so overwhelming in its effects, that it exposes the artificiality of the great majority of the clever works of art in fiction. *A Lear of the Steppes* is great in art because it is a living organic whole, springing from the deep roots of life itself; and the innumerable works of art that are fabricated and pasted together from an ingenious plan—works that do not grow from the inevitability of things—appear at once insignificant or false in comparison. **4 Girlfriends** Nbm Publishing Company The artist of the best-selling *Room-Mates* is back with a series of searing hot stories of four gorgeous girlfriends who aren't afraid to get their feet very wet. Traditional roles of family man and provider have been turned upside down as "pre-adult" men, stuck between adolescence and "real" adulthood, find themselves lost in a world where women make more money, are more educated, and are less likely to want to settle down and build a family. Their old scripts are gone, and young men find themselves adrift. Unlike women, they have no biological clock telling them it's time to grow up. Hymowitz argues that it's time for these young men to "man up." **A Midsummer-night's Dream Batman: Killing Time (2022-) #1** DC Comics Three villains, one Dark Knight, and a deadly heist gone wrong. Hadn't he (with the help of the notorious witches of Karres, of course) outmaneuvered the deadliest of space pirates and eliminated the threat of the Worm World (as told in *The Witches of Karres*), after which, at the least, he deserved some time off. No such luck, though, as the Empress herself sent him on a secret mission to stop the nanite plague, but an enemy had somehow convinced the Imperial Fleet that he was actually a wanted criminal, so after a battle leaving his ship in urgent need of repairs all three of them joined an interstellar traveling circus (don't ask!) in order to save the galaxy once again (as told in *The Wizard of Karres*). Time for a vacation? Don't be ridiculous! There's a new urgent mission that has Captain Pausert's name on it! Whoever it was who said that a change was as good as a vacation never met any of the Witches of Karres¾nor experienced their amazing talent for getting Captain Pausert into trouble. Senior's gift for fine characterization, for recreating the music of everyday speech, pervades these tales, which explore notions of home and exile as well as the intricate realm of the human spirit - its fallible nature, its indomitable strength against the sometimes downward pull of fate. Her finely etched characters include: Cissy and the Blackartman; Uncle, who returns from England with the heart taken out of him and an angry case against the Queen; Miss Evadney, of "the pressure and the arthritis", who fights to protect her precious chocho vine until matters are taken from her hands by her new Rasta neighbours; Eric, a mild-mannered businessman, and Sybil Pearson, in whom Eric glimpses hope - until their affair creates scandal, and changes events irrevocably; Sadie, a young girl caught between the refined world of Mother Dear and the more nourishing, troublesome one of their servant Desrine and her daughter Manuela. **Translation and Censorship Patterns of Communication and Interference** Four Courts Press Ltd Who are the censors of foreign literature?
