One year has passed since William Trundle's incredible adventure with the most extraordinary dinosaur: the Christmasaurus. Now, William is swept back to the magical North Pole, where he meets the mysterious, icy Winter Witch - whose power to control time allows Santa Claus to make the long journey all around the world every Christmas Eve. And when they learn that the fate of Christmas itself hangs in the balance, William and the Christmasaurus must work with the Winter Witch to protect it... Full of magic and music, humour and heart, and a friendship like no other, The Christmasaurus and the Winter Witch is the most enchanting Christmas read for the whole family by Tom Fletcher, star of BBC's Strictly Come Dancing

McFly - Unsaid Things...Our Story

Random House The intimate - and surprising - autobiography of Britain's most adored band Prepare to meet the real McFly ... In 2003, Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter came together and formed what would become one of the most popular and successful bands in the UK. Just teenagers at the time, they were catapulted into the limelight and had to adapt quickly to their new-found fame - and everything that came with it. Now, at last, they have decided to tell their story, in full and revealing detail. Speaking with candour and their trademark humour, Tom, Danny, Harry and Dougie share both the stories of their own lives and that of McFly. They give their personal insights into their contrasting childhoods, the individual paths that led them to the band, the struggles they have each overcome, their love lives and, of course, their music. Packed with previously untold stories, a lot of laughter and the occasional tear, *Unsaid Things* offers a privileged look into the lives of four guys who started out as bandmates and became best friends. Their unique camaraderie radiates from every page and by the end of the book, you'll know them almost as well as they know each other ... Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter have been together as McFly since 2003. They hold the record for being the youngest band to have a debut No 1 album in the UK. Their hits include: 'Five Colours in Her Hair', 'All About You', 'Please, Please' and 'Shine a Light'. They are one of the biggest bands in the UK.

Radio Life

'Gripping, clever, frightening' Val McDermid

Hachette UK *Radio Life*: a gripping adventure and a riveting political thriller: The Commonwealth, a post-apocalyptic civilisation on the rise, is locked in a clash of ideas with the Keepers . . . a fight which threatens to destroy the world . . . again. When Lilly was first Chief Engineer at The Commonwealth, nearly fifty years ago, the Central Archive wasn't yet the greatest repository of knowledge in the known world, protected by scribes copying every piece of found material - books, maps, even scraps of paper - and disseminating them by Archive Runners to hidden off-site locations for safe keeping. Back then, there was no Order of Silence to create and maintain secret routes deep into the sand-covered towers of the Old World or into the northern forests beyond Sea Glass Lake. Back then, the world was still quiet, because Lilly hadn't yet found the Harrington Box. But times change. Recently, the Keepers have started gathering to the east of Yellow Ridge - thousands upon thousands of them - and every one of them determined to burn the Central Archives to the ground, no matter the cost, possessed by an irrational fear that bringing back the ancient knowledge will destroy the world all over again. To prevent that, they will do anything. Fourteen days ago the Keepers chased sixteen-year-old Archive Runner Elimisha into a forbidden Old World Tower and brought the entire thing down on her. Instead of being killed, though, she slipped into an ancient unmapped bomb shelter where she has discovered a cache of food and fresh water, a two-way radio like the one Lilly's been working on for years . . . and something else. Something that calls itself 'the internet' . . .

I was convinced that when they'd happen, the world would end. But the world didn't end. In fact, it

Shakespeare's Sonnets, Retold

Classic Love Poems with a Modern Twist

Random House 'James Anthony has done something I would have confidently stated to be impossible. He has "translated" Shakespeare's sonnets and he has done so with an insolent, loveable charm . . . A dazzling success' - Stephen Fry Rediscover the greatest love poetry ever written Shall I compare you to a summer's day? You're more delightful, always shining strong; High winds blow hard on flowering buds in May, And summer never seems to last that long... Shakespeare's sonnets are some of the nation's favourite lines of verse, but the Elizabethan language can make it difficult to really understand them. Many guides offer to clarify the meaning, but lose the magic of the words by explaining them away. James Anthony has done something boldly different. He has rewritten the whole series of poems as sonnets using modern language, while retaining the rhythm and rhyme patterns that gives them such power. In doing so he breathes new life into the original poems and opens them up for a modern readership, demystifying Shakespeare's eternal poetry with provocative new translations and delightful new lines. Presented as an attractive book with the original sonnets facing their new translations, this is a stunning collection of beautiful love poems, made new.
