How else to get through three days of nonstop entertainment? Sage has scored a coveted place for her Ground Rules coffee cart thanks to her new-ish boyfriend, Bax, who's friendly with Maya, one of the musicians performing. The festivities begin with a stream of customers, friends, and acquaintances stopping by for Ground Rules' world-class blends, expertly brewed by Sage and her newest barista. But there are tensions between Maya and her former bandmates, who are on the cusp of making it big, and with Ian, the band's manager. When Sage stumbles upon Ian's dead body in the nearby woods—his hand still clutching one of her coffee mugs—it's clear that someone's grudge boiled over into murder. Can Sage work out who's responsible before another innocent life fades out, and the curtain falls on Campathon, and maybe her own future, for good? Instead, she had to search for queerness in the (largely straight) teen cultural phenomena the aughts had to offer: in Lindsay Lohan's fall from grace, *Gossip Girl*, Katy Perry's "I Kissed A Girl," country-era Taylor Swift, and Seth Cohen jumping on a coffee cart. And, for better or worse, these touch points shaped her adult identity. She came out on the other side like many millennials did: in her words, gay as hell. Throw on your Von Dutch hats and join Grace on a journey back through the pop culture moments of the aughts, before the cataclysmic shift in LGBTQ representation and acceptance—a time not so long ago, which many seem to forget. **Blood Like Cherry Ice** *trash books* When your best friend is all you have left in the world, murder comes naturally. Beryl now lives with Earl in Alaska, where the fissures in their relationship have started to spread. When Earl disappears one wintry night, some dark and desperate memories surface, forcing Beryl to take inventory and withdraw from her friends while she works things out. Nance, on the heels of a string of devastating miscarriages, has

been advised to stop trying for a baby. Phoebe finds herself overwhelmed by her own daughter, Sally, who is five-years-old-going-on-thirty; meanwhile she is being romanced by an enigmatic Southern charmer named Andrew. And Ness tenderly nurses David Snow as he gradually succumbs to AIDS. The farm's successes have brought profits, but when a nursery opens across the road, the bar is set higher yet again. But life rolls on, and in the midst of myriad misfortunes come explosive surprises. The old friends are challenged to reunite once again, to rediscover with fresh eyes the powerful words in Aunt Sadie's journal: Live life to the fullest. Love as often as you can. Regret nothing.
