Godfather of Poker [Cardoza Publishing](#) *The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. Its a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie Casino), murderers, and a death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told hes going to die with a gunman pointing a pistol at his forehead. Again, he lived. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah Ark and raise the Titanic. Doyles rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions sometimes in seconds but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary Babe Ruth of Poker the greatest gambler and poker player who has ever lived. **The Godfather of Poker An Autobiography Doyle Brunson's Super System** [Cardoza Publishing](#) This classic book is considered by the pros to be the best book ever written on poker! This book has it all: drugs, sex, partying like a rock star, jail, suicidal depression, bipolar bouts and world championship poker. Mike "The Mouth" Matusow, one of the top professional poker players in the world (with over \$6 million in tournament earnings) has become more than just a household name. He's a favorite among the millions of television viewers who have come to count on his outrageously candid comments, emotional outbursts, and constant taunts that affirm the aptness of his nickname and make for great television theatre. A rags-to-riches success story, Matusow's life has been as much nightmare as it has been dream. His struggle with undiagnosed bipolar and ADHD disorders led to self-medication with illegal drugs, such as crystal meth and ecstasy, and a tumultuous descent in the drug-fueled Las Vegas club scene. As drug use turned to drug abuse, Matusow's descent, taking his multi-million dollar bankroll along, went on the downward spiral that led to an arrest for a narcotics buy and the specter of a ten-year prison term (subsequently plea bargained down to a six month jail sentence). The Mouth's story is a high stakes rollercoaster ride featuring an insider's view of some of the world's largest poker tournaments, unbearable depression and suicidal tendencies, the Las Vegas party scene, rock star-like excess, outrageous antics, drug abuse, jail, and, in many ways, salvation. And through the worst of it, Matusow's phenomenal talent and tenacity prevailed; there was never a year that Mike failed to make a final table in a World Series of Poker event. This memoir is funny, outspoken and brash, while humbly and painfully honest about the highs and lows of poker, life, and the odyssey of overcoming psychological illness in a bastion of pressure and temptation. There is also a foreword by Phil Hellmuth, 11-time World Series of Poker bracelet holder. **Online Poker** Cardoza Publishing Two-time world champion Doyle Brunson, shows how to win big-time money online or play for free.
