The Great Race

The Story of the Chinese Zodiac

Frances Lincoln Children's Books Celebrate Chinese New Year and learn how every animal earned its place in the Chinese zodiac by taking part in the Great Race! Discover who will come first to win the ultimate prize, and find out why Cat will never forgive his friend Rat in this ancient folk tale that has been passed from generation to generation. Praise for Deep in the Woods, the previous title from Christopher Corr: '... the book looks like a delectable candy box... There is a lesson here -- about friendship, and sharing -- but the book never feels plodding or pedantic... Which may be why the lesson just goes down like the truth.'

The Great Race

The Story of the Chinese Zodiac

Meanwhile, Cockeral had spotted something. A raft, he crowed triumphantly. Come on up, he called to Monkey and Sheep.

The Great Race

The Story of the Chinese Zodiac

Createspace Independent Publishing Platform **The Story of the Chinese Zodiac. As the new year approaches, each animal wants it to be named after them, but no one can agree. The Jade Emperor decides there should be a race to decide the winner, but who will win?**

The Great Race

The Global Quest for the Car of the Future

Simon and Schuster The Great Race recounts the exciting story of a century-long battle among automakers for market share, profit, and technological dominance—and the thrilling race to build the car of the future. The world's great manufacturing juggernaut—the \$3 trillion automotive industry—is in the throes of a revolution. Its future will include cars Henry Ford and Karl Benz could scarcely imagine. They will drive themselves, won't consume oil, and will come in radical shapes and sizes. But the path to that future is fraught. The top contenders are two traditional manufacturing giants, the US and Japan, and a newcomer, China. Team America has a powerful and little-known weapon in its arsenal: a small group of technology buffs and regulators from California. The story of why and how these men and women

could shape the future—how you move, how you work, how you live on Earth—is an unexpected tale filled with unforgettable characters: a scorned chemistry professor, a South African visionary who went for broke, an ambitious Chinese ex-pat, a quixotic Japanese nuclear engineer, and a string of billion-dollar wagers by governments and corporations. “To explain the scramble for the next-generation auto—and the roles played in that race by governments, auto makers, venture capitalists, environmentalists, and private inventors—comes Levi Tillemann’s *The Great Race*...Mr. Tillemann seems ideally cast to guide us through the big ideas percolating in the world’s far-flung workshops and labs” (*The Wall Street Journal*). His account is incisive and riveting, explaining how America bounced back in this global contest and what it will take to command the industrial future.

The Great Race

Story of the Chinese Zodiac (Traditional Chinese, English, Pinyin)

The Jade Emperor has invited all the animals of the kingdom for The Great Race. Which 12 animals will cross the river first and become a part of the Chinese Zodiac? Teach young readers Chinese through this retelling of a classic Chinese legend passed through the generations. Follow along in Traditional Chinese, Pinyin, and English. Children, parents, and teachers will enjoy the beautiful, immersive illustrations and dynamic story. A free audio reading in Mandarin is included to help with pronunciation. Ollie the Ostrich

In The Great Race

J Hothi Join Ollie as he goes on an adventure to prove that being different isn't so bad. Ollie the Ostrich is a perfect heart-filled story with plenty of illustrations. Ideal for ages 2 - 7.

The Passing of the Great Race

The Palingenesis Project (Wermod and Wermod Publishing Group) The Passing of the Great Race is one of the most prominent racially oriented books of all times, written by the most influential American conservationist that ever lived. Historically, topically, and geographically, Grant's magnum opus covers a vast amount of ground, broadly tracing the racial basis of European history, emphasising the need to preserve the northern European type and generally improve the White race. Grant was, logically, a proponent of eugenics, and along with Lothrop Stoddard was probably the

single most influential creator of the national mood that made possible the immigration control measures of 1924. The *Passing of the Great Race* remains one of the foremost classic texts of its kind. This new edition supersedes all others in many respects. Firstly, it comes with a number of enhancements that will be found in no other edition, including: an introductory essay by Jared Taylor (*American Renaissance*), which puts Grant's text into context from our present-day perspective; a full complement of editorial footnotes, which correct and update Grant's original narration; an expanded index; a reformatted bibliography, following modern conventions of style and meeting today's more demanding requirements. Secondly, great care has been placed on producing an aesthetically appealing volume, graphically and typographically—something that will not be found elsewhere.

Thomas and the Great Race

Random House Books for Young Readers When his friend Bertie the Bus challenges him to a race, Thomas really pours on the steam, in a train-shaped book with die-cut board pages and wheels.

The Great Race

Raincoast Books The fable is told in this re-creation of the origins of the Chinese zodiac. The Great Race sets in motion a timeless contest that pits creatures such as the ox, rat, horse and dragon against one another to see who will reach the Jade City first.'

The Great Race

Perfection Learning A retelling of the Cheyenne and Sioux myth about the Great Race, a contest called by the Creator to settle the question of whether man or buffalo should have supremacy and thus become the guardians of Creation.

The Great Race to Sycamore Street

Kube Publishing Ltd A topsy turvy adventure that reconnects city dwelling Hude and Amani to nature, faith and their family's roots.

The Great Race (Thomas & Friends)

Random House Books for Young Readers Bertie the Bus wants to race, and Thomas happily takes up the challenge. Bertie takes an early lead, but a patient Thomas proves there are advantages to riding on tracks instead of roads. Beginning readers will delight in this charming adaptation of the classic Thomas the Tank Engine story Thomas and Bertie. From the Trade Paperback edition.

To Conquer the Air

The Wright Brothers and the Great Race for Flight

Simon and Schuster James Tobin, award-winning author of Ernie Pyle's War and The Man He Became, has penned the definitive account of the inspiring and impassioned race between the Wright brothers and their primary rival Samuel Langley across ten years and two continents to conquer the air. For years, Wilbur Wright and his younger brother, Orville, experimented in obscurity, supported only by their exceptional family. Meanwhile, the world watched as Samuel Langley, armed with a contract from the US War Department and all the resources of the Smithsonian Institution, sought to create the first manned flying machine. But while Langley saw flight as a problem of power, the Wrights saw a problem of balance. Thus their machines took two very different paths—Langley's toward oblivion, the Wrights' toward the heavens—though not before facing countless other obstacles. With a historian's accuracy and a novelist's eye, Tobin has captured an extraordinary moment in history. To Conquer the Air is itself a heroic achievement.

Windy Miller and the Great Race

One of a series of books based on the animated television series, Camberwick Green. Farmer Bell has bought a very fast truck. When he challenges Windy Miller to race him on his tricycle, it doesn't seem a fair contest. Can Windy beat him with pedal power?

Born to Run

The hidden tribe, the ultra-runners, and the greatest race the world has never seen

Profile Books At the heart of **Born to Run** lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

Thomas and Friends: the Great Race Movie Storybook

Join **Thomas and Friends** for a racing adventure! **Thomas** competes with amazing engines from all over the world in the **Great Railway Show**, but will **Diesel** ruin everything? Fans of **Thomas & Friends** can relive all the action from the hit movie in this action-packed storybook! **Thomas & Friends** is a great way to pass on the tradition of **Thomas** to early readers. Children aged 2 and up will love meeting classic characters such as **Percy**, **James**, **Gordon**, and **Toby** down on **The Fat Controller's** railway.

The Great Race

Sticker Storybook

The Great Race

Oxford Reading Tree remains the nation's favourite reading scheme and countless children have learnt to read with Biff, Chip, and Kipper. The Great Race to Nome

Updated edition of Bill Sherwonit's 2002.

The Great Race of Kakadu

Austin Macauley Elliot is an emu who lives in Kakadu National Park. He spends his days running on his very, very long legs, looking for bugs and pebbles to eat. He loves living in the Kakadu National Park and he loves the Great Land and Air Races that are held there. He is never allowed to enter the races though because he is a bird that cannot fly. Elliot thinks that this is unfair and has been told that a platypus had once won the Great Land Race, and let's be honest, nobody really knows what a platypus is! Elliot decides to protest and a meeting is held with all the animals of the bush, who vote to see if Elliot should be allowed to run in the Great Land Race. Will Elliot be allowed to run in the Greatest Race in the bush and can he win with his very, very long legs?

Teaching Notes

Teaching notes for the non-fiction books in the 'Floppy's Phonics' series. The series provides fun, decodable stories and non-fiction, developed to be interwoven with existing much-loved Biff, Chip and Kipper stories for focused synthetic

phonics practice.

Iron War

Dave Scott, Mark Allen, and the Greatest Race Ever Run

VeloPress The 1989 Ironman World Championship was the greatest race ever in endurance sports. In a spectacular duel that became known as the Iron War, the world's two strongest athletes raced side by side at world-record pace for a grueling 139 miles. Driven by one of the fiercest rivalries in triathlon, Dave Scott and Mark Allen raced shoulder to shoulder through Ironman's 2.4-mile swim, 112-mile bike race, and 26.2-mile marathon. After 8 punishing hours, both men would demolish the previous record--and cross the finish line a mere 58 seconds apart. In his new book *Iron War*, sports journalist Matt Fitzgerald writes a riveting epic about how Allen and Scott drove themselves and each other through the most awe-inspiring race in sports history. *Iron War* goes beyond the pulse-pounding race story to offer a fascinating exploration of the lives of the world's two toughest men and their unquenchable desire to succeed. Weaving an examination of mental resolve into a gripping tale of athletic adventure, *Iron War* is a soaring narrative of two champions and the paths that led to their stunning final showdown.

The Great Race

HarperCollins UK Small loves his favourite toy - a super fast blue car with lightening bolts on it. He zooms around the house causing mischief wherever he goes until Ruby challenges him to a race! Who will win the Great Race?

That is, until his ideas book and his favourite car, Arabella, were stolen by greedy rival Mr Grabber. Can Max find a way to get back what Grandfather Gus lost? And will Arabella ever be

seen again?

Atlantic

The Last Great Race of Princes

Wiley Advance praise for ATLANTIC "Atlantic is a stirring story that illuminates a magical period in our maritime history. Scott Cookman weaves the compelling plot in a manner that will fascinate both the landlubber and the sailor alike. The schooner Atlantic's transatlantic racing record has remained unbeaten for nearly a century-and the story behind the race makes that achievement even more impressive. Cookman has done his homework well and unfolds that story page by page . . . the reader can just about feel the icy lash of a North Atlantic swell crashing aboard as the massive sailing craft are driven toward their destination by men and women whose dreams and goals (and even the pride of their countries) hang in the balance." -Peter Isler, America's Cup veteran, author of the bestselling *Sailing for Dummies*, and Editor at Large for *Sailing World* "Outstanding. Cookman is equally adept at depicting the gut-wrenching tension of ocean racing; the politics, intrigues, and skullduggery of billionaires, society snobs, and sailors who make Captain Ahab seem the model of restraint; and a gilded, vanished era under the gathering storm clouds of war." -Neil Hanson, author of *The Custom of the Sea* "In 1905, the key to unlocking America's economic potential was swift travel across the Atlantic. Scott Cookman recounts in meticulous detail the fanatical race for maritime supremacy. Scions and captains of industry took the challenge by racing across the ocean." -Gary Jobson, America's Cup--winning tactician on *Ted Turner's Courageous* (1977) and ESPN sailing analyst "Anyone who has ever been to sea, or dreamed of a sailing adventure, will be captivated by this extraordinary seafaring story. It is a perfect balance of history, intrigue, and period personalities that will make your palms sweat as you rush headlong through storm and fog to the finish." -Rockwell B. Harwood, Commodore, Stamford Yacht Club (1999--2001)

Zal and Zara and the Great Race of Azamed

Zal and Zara "It's time for the Great Race of Azamed--the most exciting magic carpet race in the world. Two young contestants, Zal and Zara, are confident they can win -- until thier carpet is sabotaged by their deadliest rival".--

backcover.

The Great Race

The Amazing Round-the-World Auto Race of 1908

Harry N. Abrams In February of 1908, six cars from four countries gathered in Times Square for the pistol shot that began the first around-the-world automobile race. Published to coincide with the 100th anniversary of the race, this book is illustrated with original, never-before-published photographs throughout.

Balto and the Great Race

Random House Books for Young Readers Recounts how the sled dog Balto saved Nome, Alaska, in 1925 from a diphtheria epidemic by delivering medicine through a raging snowstorm. Simultaneous.

The Return of the King

HarperCollins UK The Companions of the Ring have become involved in separate adventures as the quest continues. Aragorn, revealed as the hidden heir of the ancient Kings of the West, joined with the Riders of Rohan against the forces of Isengard, and took part in the desperate victory of the Hornburg. Merry and Pippin, captured by orcs, escaped into Fangorn Forest and there encountered the Ents. Gandalf returned, miraculously, and defeated the evil wizard, Saruman. Meanwhile, Sam and Frodo progressed towards Mordor to destroy the Ring, accompanied by Smagol - Gollum, still obsessed by his 'precious'. After a battle with the giant spider, Shelob, Sam left his master for dead; but Frodo is still alive - in the hands of the orcs. And all the time the armies of the Dark Lord are massing. JRR Tolkien's great work of imaginative fiction has been labelled both a heroic romance and a classic fantasy fiction. By turns comic and homely, epic and diabolic, the narrative moves through countless changes of scene and character in an imaginary world which is totally convincing in its detail.

The Last Great Race

Portrays a 1,049 mile dog sled race across the state of Alaska and depicts the experiences of the participants

The Great Space Race

The Story of How America Put a Man on the Moon!

This historic tale tells the story of the race between the United States and the Soviet Union to put a man on the moon. The world watched on as these two countries went back and forth, each attempt getting closer and closer to making history! This story is told in rhyming couplets with exceptional illustrations that will captivate readers of all ages.

Statebuilding

John Wiley & Sons After civil wars end, what can sustain peace in the long-term? In particular, how can outsiders facilitate durable conflict-managing institutions through statebuilding - a process that historically has been the outcome of bloody struggles to establish the state's authority over warlords, traditional authorities, and lawless territories? In this book, Timothy Sisk explores international efforts to help the world's most fragile post-civil war countries today build viable states that can provide for security and deliver the basic services essential for development. Tracing the historical roots of statebuilding to the present day, he demonstrates how the United Nations, leading powers, and well-meaning donors have engaged in statebuilding as a strategic approach to peacebuilding after war. Their efforts are informed by three key objectives: to enhance security by preventing war recurrence and fostering community and human security; to promote development through state provision of essential services such as water, sanitation, and education; to enhance human rights and democracy, reflecting the liberal international order that reaffirms the principles of democracy and human rights, . Improving governance, alongside the state's ability to integrate social differences and manage conflicts over resources, identity, and national priorities, is essential for long-term peace. Whether the global statebuilding enterprise can succeed in creating a world of peaceful, well-governed, development-focused states is unclear. But the book concludes with a road map toward a better global

regime to enable peacebuilding and development-oriented statebuilding into the 21st century.
