THE HEART OF CHANGE

REAL-LIFE STORIES OF HOW PEOPLE CHANGE THEIR ORGANIZATIONS

Harvard Business Press Moving beyond the process of change Why is change so hard? Because in order to make any transformation successful, you must change more than just the structure and operations of an organization—you need to change people's behavior. And that is never easy. The Heart of Change is your guide to helping people think and feel differently in order to meet your shared goals. According to bestselling author and renowned leadership expert John Kotter and coauthor Dan Cohen, this focus on connecting with people's emotions is what will spark the behavior change and actions that lead to success. Now freshly designed, The Heart of Change is the engaging and essential complement to Kotter's worldwide bestseller Leading Change. Building off of Kotter's revolutionary eight-step process, this book vividly illustrates how large-scale change can work. With real-life stories of people in organizations, the authors show how teams and individuals get motivated and activated to overcome obstacles to change—and produce spectacular results. Kotter and Cohen argue that change initiatives often fail because leaders rely too exclusively on data and analysis to get buy-in from their teams instead of creatively showing or doing something that appeals to their emotions and inspires them to spring into action. They call this the see-feel-change dynamic, and it is crucial for the success of any true organizational transformation. Refreshingly clear and eminently practical, The Heart of Change is required reading for anyone facing the challenges inherent in leading change.

THE HEART OF CHANGE FIELD GUIDE

TOOLS AND TACTICS FOR LEADING CHANGE IN YOUR ORGANIZATION

Harvard Business Press In 1996, John P. Kotter's Leading Change became a runaway best seller, outlining an eight-step program for organizational change that was embraced by executives around the world. Then, Kotter and co-author Dan Cohen's The Heart of Change introduced the revolutionary "see-feel-change" approach, which helped executives understand the crucial role of emotion in successful change efforts. Now, The Heart of Change Field Guide provides leaders and managers tools, frameworks, and advice for bringing these breakthrough change methods to life within their own organizations. Written by Dan Cohen and with a foreword by John P. Kotter, the guide provides a practical framework for implementing each step in the change process, as well as a new three-phase approach to execution: creating a climate for change, engaging and enabling the whole organization, and implementing and sustaining change. Hands-on diagnostics—including a crucial "change readiness module"—reveal the dynamics that will help or hinder success at each phase of the change process. Both flexible and scaleable, the frameworks presented in this guide can be tailored for any size or type of change initiative. Filled with practical tools, checklists, and expert commentary, this must-have guide translates the most powerful approaches available for creating successful change into concrete, actionable steps for you and your organization. Dan Cohen is the co-author, with John P. Kotter, of The Heart of Change, and a principal with Deloitte Consulting, LLC.

CHANGE

HOW ORGANIZATIONS ACHIEVE HARD-TO-IMAGINE RESULTS IN UNCERTAIN AND VOLATILE TIMES

John Wiley & Sons Transform your organization with speed and efficiency using this insightful new resource Incremental improvement is no longer sufficient in helping organizations navigate the complexity, uncertainty and volatility of today's world. In *Change: How Organizations Achieve Hard-to-Imagine Results in Uncertain and Volatile Times*, authors John P. Kotter, Vanessa Akhtar, and Gaurav Gupta explore how to create non-linear, dramatic change in your organization. You'll discover the emerging science of change that teaches us about how to build organizations - from businesses to governments - that change and adapt rapidly. In *Change* you'll discover: Why the ability of organizations to deal with threats and take advantage of opportunities in the face of ever greater complexity and uncertainty is being severely challenged In-depth, evidence-based, actionable solutions for dealing with institutional resistance to change Case studies and success stories that describe organizations who have successfully built the ability to change quickly into their DNA A universal approach for how to dramatically improve outcomes from various change efforts, including: strategy execution, digital transformation, restructuring, and more Perfect for managers, executives, and leaders at companies of all types and sizes, *Change* will also prove to be a valuable asset to other professionals who serve these organizations. This book is for anyone seeking a proven approach for delivering fast, sustainable and comprehensive results.

LEADING CHANGE, WITH A NEW PREFACE BY THE AUTHOR

Harvard Business Press The international bestseller—now with a new preface by author John Kotter. Millions worldwide have read and embraced John Kotter's ideas on change management and leadership. From the ill-fated dot-com bubble to unprecedented M&A activity to scandal, greed, and ultimately, recession—we've learned that widespread and difficult change is no longer the exception. It's the rule. Now with a new preface, this refreshed edition of the global bestseller *Leading Change* is more relevant than ever. John Kotter's now-legendary eight-step process for managing change with positive results has become the foundation for leaders and organizations across the globe. By outlining the process every organization must go through to achieve its goals, and by identifying where and how even top performers derail during the change process, Kotter provides a practical resource for leaders and managers charged with making change initiatives work. *Leading Change* is widely recognized as his seminal work and is an important precursor to his newer ideas on acceleration published in *Harvard Business Review*. Needed more today than at any time in the past, this bestselling business book serves as both visionary guide and practical toolkit on how to approach the difficult yet crucial work of leading change in any type of organization. Reading this highly personal book is like spending a day with the world's foremost expert on business leadership. You're sure to walk away inspired—and armed with the tools you need to inspire others. Published by Harvard Business Review Press.

POWER AND INFLUENCE

Simon and Schuster In today's complex work world, things no longer get done simply because someone issues an order and someone else follows it. Most of us work in socially intricate organizations where we need the help not only of subordinates but of colleagues, superiors, and outsiders to accomplish our goals. This often leaves us in a "power gap" because we must depend on people over whom we have little or no explicit control. This is a book about how to bridge that gap: how to exercise the power and influence you need to get things done through others when your responsibilities exceed your formal authority. Full of original ideas and expert insights about how organizations—and the people in them—function, *Power and Influence* goes further, demonstrating that lower-level personnel also need strong leadership skills and interpersonal know-how to perform well. Kotter shows how you can develop sufficient resources of "unofficial" power and influence to achieve goals, steer clear of conflicts, foster creative team behavior, and gain the cooperation and support you need from subordinates, coworkers, superiors—even people outside your department or organization. He also shows how you can avoid the twin traps of naivete and cynicism when dealing with power relationships, and how to use your power without abusing it. *Power and Influence* is essential for top managers who need to overcome the infighting, foot-dragging, and politicking that can destroy both morale and profits; for middle managers who don't want their careers sidetracked by unproductive power struggles; for professionals hindered by bureaucratic obstacles and deadline delays; and for staff workers who have to "manage the boss." This is not a book for those who want to "grab" power for their own ends. But if you'd like to create smooth, responsive working relationships and increase your personal effectiveness on the job, Kotter can show you how—and make the dynamics of power work for you instead of against you.

CHANGE OF HEART

A NOVEL

Simon and Schuster The acclaimed #1 "New York Times"-bestselling author presents a spellbinding tale of a mother's tragic loss and one man's last chance at gaining salvation. Once again, Picoult mesmerizes and entralls readers with this story of redemption, justice, and love.

JOHN P. KOTTER ON WHAT LEADERS REALLY DO

Harvard Business Press Widely acknowledged as the world's foremost authority on leadership, John Kotter has devoted his remarkable career to studying organizations and those who run them, and his

bestselling books and essays have guided and inspired leaders at all levels. Here, in this collection of his acclaimed Harvard Business Review articles, is an astute assessment of the real work of leaders, as only John Kotter can offer. To complement the HBR articles, Kotter also contributes a new piece, a thoughtful reflection on the themes that have developed throughout his work. Convinced that most organizations today lack the leadership they need, Kotter's mission is to help us better understand what leaders--real leaders--do. True leadership, he reminds us, is an elusive quality, and too often we confuse management duties and personal style with leadership, or even mistake unworthy leaders for the real thing. Yet without leadership, organizations move too slowly, stagnate, and lose their way. With John Kotter on What Leaders Really Do, readers will learn how to become more effective leaders as they explore pressing issues such as power, influence, dependence, and strategies for change.

MANAGING CHANGE AND TRANSITION

Harvard Business Press Harvard Business Essentials are comprehensive, solution-oriented paperbacks for business readers of all levels of experience. Managing through change and crisis is difficult in any business environment, let alone one as turbulent as managers face today. This timely guide offers authoritative advice on how to recognize the need for organizational change, communicate the vision, prepare for structural change such as M&A, and address emotional responses to downsizing. With tools for managing stress levels and advice on gathering and sharing information during a transition, Managing Change and Transition is an indispensable guide for managers at any level of the organization.

THE HEART OF CHANGE

REAL-LIFE STORIES OF HOW PEOPLE CHANGE THEIR ORGANIZATIONS

LEADING CHANGE

Harvard Business Press Offers advice on how to lead an organization into change, including establishing a sense of urgency, developing a vision and strategy, and generating short-term wins.

BUY-IN

SAVING YOUR GOOD IDEA FROM GETTING SHOT DOWN

Harvard Business Press You've got a good idea. You know it could make a crucial difference for you, your organization, your community. You present it to the group, but get confounding questions, inane comments, and verbal bullets in return. Before you know what's happened, your idea is dead, shot down. You're furious. Everyone has lost: Those who would have benefited from your proposal. You. Your company. Perhaps even the country. It doesn't have to be this way, maintain John Kotter and Lorne Whitehead. In Buy-In, they reveal how to win the support your idea needs to deliver valuable results. The key? Understand the generic attack strategies that naysayers and obfuscators deploy time and time again. Then engage these adversaries with tactics tailored to each strategy. By "inviting in the lions" to critique your idea--and being prepared for them--you'll capture busy people's attention, help them grasp your proposal's value, and secure their commitment to implementing the solution. The book presents a fresh and amusing fictional narrative showing attack strategies in action. It then provides several specific counterstrategies for each basic category the authors have defined--including: · Death-by-delay: Your enemies push discussion of your idea so far into the future it's forgotten. · Confusion: They present so much data that confidence in your proposal dies. · Fearmongering: Critics catalyze irrational anxieties about your idea. · Character assassination: They slam your reputation and credibility. Smart, practical, and filled with useful advice, Buy-In equips you to anticipate and combat attacks--so your good idea makes it through to make a positive change.

THE MORE BEAUTIFUL WORLD OUR HEARTS KNOW IS POSSIBLE

North Atlantic Books As seen on Oprah's SuperSoul Sunday In a time of social and ecological crisis, what can we as individuals do to make the world a better place? This inspirational and thought-provoking book serves as an empowering antidote to the cynicism, frustration, paralysis, and overwhelm so many of us are feeling, replacing it with a grounding reminder of what's true: we are all connected, and our small, personal choices bear unsuspected transformational power. By fully embracing and practicing this principle of interconnectedness--called interbeing--we become more effective agents of change and have a stronger positive influence on the world. Throughout the book, Eisenstein relates real-life stories showing how small, individual acts of courage, kindness, and self-trust can change our culture's guiding narrative of separation, which, he shows, has generated the present planetary crisis. He brings to conscious awareness a deep wisdom we all innately know: until we get our selves in order, any action we take--no matter how good our intentions--will ultimately be wrongheaded and wronghearted. Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.

THAT'S NOT HOW WE DO IT HERE!

A STORY ABOUT HOW ORGANIZATIONS RISE AND FALL--AND CAN RISE AGAIN

Penguin What's the worst thing you can hear when you have a good idea at work? "That's not how we do it here!" In their iconic bestseller *Our Iceberg Is Melting*, John Kotter and Holger Rathgeber used a simple fable about penguins to explain the process of leading people through major changes. Now, ten years later, they're back with another must-read story that will help any team or organization cope with their biggest challenges and turn them into exciting opportunities. Once upon a time a clan of meerkats lived in the Kalahari, a region in southern Africa. After years of steady growth, a drought has sharply reduced the clan's resources, and deadly vulture attacks have increased. As things keep getting worse, the harmony of the clan is shattered. The executive team quarrels about possible solutions, and suggestions from frontline workers face a soul-crushing response: "That's not how we do it here!" So Nadia, a bright and adventurous meerkat, hits the road in search of new ideas to help her troubled clan. She discovers a much smaller group that operates very differently, with much more teamwork and agility. These meerkats have developed innovative solutions to find food and evade the vultures. But not everything in this small clan is as perfect as it seems at first. Can Nadia figure out how to combine the best of both worlds—a large, disciplined, well-managed clan and a small, informal, inspiring clan—before it's too late? This book distills Kotter's decades of experience and award-winning research to reveal why organizations rise and fall, and how they can rise again in the face of adversity.

CHANGE LEADERSHIP: THE KOTTER COLLECTION (5 BOOKS)

Harvard Business Review Press This impressive collection features the best works by John P. Kotter, known worldwide as the authority on leadership and change. Curated by Harvard Business Review, the longtime publisher of some of Kotter's most important ideas, the Change Leadership set features full digital editions of the author's classic books, including bestsellers *Leading Change*, *The Heart of Change*, and *A Sense of Urgency*, as well as "What Leaders Really Do" and his newly published book *Accelerate*, which is based on the award-winning article of the same name that appeared in Harvard Business Review in late 2013. Kotter's books and ideas have guided and inspired leaders at all levels. He is the Konosuke Matsushita Professor of Leadership, Emeritus at Harvard Business School, an award-winning business and management thought leader, a successful entrepreneur, and an inspirational speaker. His ideas have helped to mobilize people around the world to better lead organizations, and their own lives, in an era of increasingly rapid change. This specially priced collection offers Kotter's best practical advice, management insights, and useful tools to help you successfully lead and implement change in your organization—and master the art of change leadership.

A SENSE OF URGENCY

Harvard Business Press Most organizational change initiatives fail spectacularly (at worst) or deliver lukewarm results (at best). In his international bestseller *Leading Change*, John Kotter revealed why change is so hard, and provided an actionable, eight-step process for implementing successful transformations. The book became the change bible for managers worldwide. Now, in *A Sense of Urgency*, Kotter shines the spotlight on the crucial first step in his framework: creating a sense of urgency by getting people to actually see and feel the need for change. Why focus on urgency? Without it, any change effort is doomed. Kotter reveals the insidious nature of complacency in all its forms and guises. In this exciting new book, Kotter explains:

- How to go beyond "the business case" for change to overcome the fear and anger that can suppress urgency
- Ways to ensure that your actions and behaviors -- not just your words -- communicate the need for change
- How to keep fanning the flames of urgency even after your transformation effort has scored some early successes

Written in Kotter's signature no-nonsense style, this concise and authoritative guide helps you set the stage for leading a successful transformation in your company.

ATLAS OF THE HEART

MAPPING MEANINGFUL CONNECTION AND THE LANGUAGE OF HUMAN EXPERIENCE

Random House In her latest book, five-time #1 New York Times bestselling author Dr Brené Brown, writes, "If we want to find the way back to ourselves and each other, we need language and the grounded confidence to both tell our stories, and to be stewards of the stories that we hear. This is the framework for meaningful connection." In *Atlas of the Heart*, Brown takes us on a journey through 87 of the emotions and experiences that define what it means to be human. As she maps the necessary skills and lays out an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances - a universe where we can share and steward the stories of our bravest and most heart-breaking moments with one another in a way that builds connection. Over the past two decades, Brown's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as Brown's singular skills as a researcher/storyteller, to lay out an invaluable, research-based framework that shows us that naming an experience doesn't give the experience more power, it gives us the power of understanding, meaning and choice. Brown shares, "I want this to be an atlas for all of us, because I believe that,

with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves. Even when we have no idea where we are."

ACCELERATE

BUILDING STRATEGIC AGILITY FOR A FASTER-MOVING WORLD

Harvard Business Review Press Describes how organizations can learn to move swiftly to accommodate change while still providing the necessary structures that nurture employees and long-term success.

WHEN CAN I STOP RUNNING?

John Podlaski John Podlaski's encore Vietnam War novel brings back John ('Polack') Kowalski, the central character in 'Cherries', and introduces us to Louis ('LG') Gladwell, his irrepressible black friend. Polack and LG are a 'Salt and Pepper' team, best buddies and brothers in a way that only those who have fought side-by-side in a war can ever truly understand. The year is 1970, and the story follows the two soldiers - impressionable Detroit teenagers - during their long night in a Listening Post ('LP'), some 500 meters beyond the bunker line of the new firebase. Their assignment as a "human early warning system", is to listen for enemy activity and forewarn the base of any potential dangers. As they were new to the "Iron Triangle" and its reputation, little did they know that units before them lost dozens of soldiers in this nightly high-risk task and referred to those assigned as "bait for the enemy" and "sacrificial lambs". Sitting in the pitch black tropical jungle - with visibility at less than two feet - John's imagination takes hold throughout the agonizing night, and at times, transports him back to some of his most vivid childhood memories - innocent, but equally terrifying at the time. As kids, we instinctively run as fast as we can to escape imaginary or perceived danger, but as soldiers, men are trained to conquer their fears and develop the confidence to stand their ground and fight. Running is not an option. In 'When Can I Stop Running?' the author juxtaposes his nightmarish hours in the bush with some of his most heart-pounding childhood escapades. Readers will relate to the humorous childish antics with amusement; military veterans will find themselves relating to both of the entertaining and compelling recollections.

WOMEN AND HEART DISEASE

THE REAL STORY

Createspace Independent Publishing Platform Heart disease remains the number one killer of women in the United States. It kills more women than breast and lung cancer combined. This book aims to educate women about heart disease, risk factors, signs and symptoms of a heart attack. It also teaches lifestyle habits that can be adopted to prevent heart disease.

A LITTLE LIFE

SHORTLISTED FOR THE MAN BOOKER PRIZE 2015

Pan Macmillan CELEBRATING 50 YEARS OF PICADOR BOOKS Shortlisted for the Booker Prize 2015 Shortlisted for the Baileys Prize for Women's Fiction 2016 Winner of Fiction of the Year at the British Book Awards 2016 Finalist for the National Book Awards 2015 The million-copy bestseller, A Little Life by Hanya Yanagihara is an immensely powerful and heartbreaking novel of brotherly love and the limits of human endurance. When four graduates from a small Massachusetts college move to New York to make their way, they're broke, adrift, and buoyed only by their friendship and ambition. There is kind, handsome Willem, an aspiring actor; JB, a quick-witted, sometimes cruel Brooklyn-born painter seeking entry to the art world; Malcolm, a frustrated architect at a prominent firm; and withdrawn, brilliant, enigmatic Jude, who serves as their centre of gravity. Over the decades, their relationships deepen and darken, tinged by addiction, success, and pride. Yet their greatest challenge, each comes to realize, is Jude himself, by midlife a terrifyingly talented litigator yet an increasingly broken man, his mind and body scarred by an unspeakable childhood, and haunted by what he fears is a degree of trauma that he'll not only be unable to overcome - but that will define his life for ever. Part of the Picador Collection, a new series showcasing the best of modern literature.

THREE IMPOSSIBLE PROMISES

THE INSPIRING TRUE STORY OF OLYMPIC GOLD AND HOW ORGANIZATIONAL CULTURE MEANS EVERYTHING

When Lynne Ruhl, average everyday housewife, takes a phone call in 1983, it sets off a series of events that dramatically change her life and the lives of others. A small, woefully substandard gym with unprepared leaders and below-average athletes transforms itself and produces Olympic gold medal winners. Along the way, Lynne receives three promises that defy logic and reason - yet they all come

true. The inescapable lesson is that when leaders get the culture right, human performance soars in ways we can barely imagine. This true story is written in a fast-paced, engaging style that will have you turning pages and maybe even finishing this book in one sitting. This is an inspiring, uplifting story about the truly remarkable talent and potential that sits untapped in every one of us and in every organization. The book finishes in text book style, with refreshingly clear insights about how organizational culture can be managed in such a way as to unleash human potential. It ends with practical ways for you to begin creating your own workplace environment that will draw out the very best from everyone in your group.

SWITCH

HOW TO CHANGE THINGS WHEN CHANGE IS HARD

Random House _____ Change is hard. It doesn't have to be. We all know that change is hard. It's unsettling, it's time-consuming, and all too often we give up at the first sign of a setback. But why do we insist on seeing the obstacles rather than the goal? This is the question that bestselling authors Chip and Dan Heath tackle in their compelling and insightful book. They argue that we need only understand how our minds function in order to unlock shortcuts to switches in behaviour. Illustrating their ideas with scientific studies and remarkable real-life turnarounds - from the secrets of successful marriage counselling to the pile of gloves that transformed one company's finances - the brothers Heath prove that deceptively simple methods can yield truly extraordinary results.

EVERYONE HAS A STORY

THE INVISIBLE LIFE OF ADDIE LARUE

Titan Books For someone damned to be forgettable, Addie LaRue is a most delightfully unforgettable character, and her story is the most joyous evocation of unlikely immortality. Neil Gaiman A Sunday Times-bestselling, award-nominated genre-defying tour-de-force of Faustian bargains, for fans of The Time Traveler's Wife and Life After Life, and The Sudden Appearance of Hope. When Addie La Rue makes a pact with the devil, she trades her soul for immortality. But there's always a price - the devil takes away her place in the world, cursing her to be forgotten by everyone. Addie flees her tiny home town in 18th-Century France, beginning a journey that takes her across the world, learning to live a life where no one remembers her and everything she owns is lost and broken. Existing only as a muse for artists throughout history, she learns to fall in love anew every single day. Her only companion on this journey is her dark devil with hypnotic green eyes, who visits her each year on the anniversary of their deal. Alone in the world, Addie has no choice but to confront him, to understand him, maybe to beat him. Until one day, in a second hand bookshop in Manhattan, Addie meets someone who remembers her. Suddenly thrust back into a real, normal life, Addie realises she can't escape her fate forever.

JOURNEY TO THE HEART

DAILY MEDITATIONS ON THE PATH TO FREEING YOUR SOUL

Harper Collins Journey to the Heart by New York Times bestselling author of Codependent No More, Beyond Codependency, and Lessons of Love, contains 365 insightful daily meditations that inspire readers to unlock their personal creativity and discover their divine purposes in life. "Melody Beattie gives you the tools to discover the magnificence and splendor of your being." -Deepak Chopra, author of Jesus and Buddha

STORIES FROM THE HEART: TALES OF CHANGE

Stories from the Heart Whatever happens in life, we can be sure things are going to change. However hard you try to avoid it, change always catches up with you. Whether it's a career pivot, a move to another country, or the breakdown of a relationship, change comes in all forms. How we deal with that inevitable change makes us who we are. Tales of change explores how you can go through change and come out the other side bolder than before. Each of the authors has experienced a significant change that has impacted them forever. But the most uncomfortable of changes provide the most important lessons, and those lessons are the gifts we are sharing with you.

MY OVERDUE BOOK

TOO MANY STORIES NOT TO TELL

CreateSpace My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed

early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

MULTIPLE STREAMS OF SUCCESS

REAL LIFE STORIES OF FAITH, HOPE, SUCCESS AND OVERCOMING ADVERSITY

Olmstead Publishing MULTIPLE STREAMS OF SUCCESS REAL LIFE STORIES OF FAITH for the discouraged, HOPE for the challenged, SUCCESS for the aspiring, and motivation for OVERCOMING ADVERSITY Multiple Streams of Success presents the personal accounts of men and women who have triumphed over adversities including: abusive situations, life and death experiences, cocaine dependency, pornography addiction, and physical disabilities.

HE LOVES ME HE LOVES ME NOT

This true story is filled with coincidences, love, intrigue, pain and bravery. Gillian met the boy of her dreams. They fell in love. Heartbreakingly, they were parted by circumstances. All she had to remember him by, was an engagement ring, along with her memories and a photograph. A photograph she would keep for the rest of her life.

GOD'S FEMINIST MOVEMENT

REDEFINING A "WOMAN'S PLACE" FROM A BIBLICAL PERSPECTIVE

Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the worldby being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

CHINESE VILLAGE, SOCIALIST STATE

Yale University Press This portrait of social change in the North China plain depicts how the world of the Chinese peasant evolved during an era of war and how it in turn shaped the revolutionary process. The book is based on evidence gathered from archives and interviews with villagers and rural officials.

WHEN WE CEASE TO UNDERSTAND THE WORLD

SHORTLISTED FOR THE 2021 INTERNATIONAL BOOKER PRIZE

Pushkin Press SELECTED FOR BARACK OBAMA'S SUMMER READING LIST 'A monstrous and brilliant book' Philip Pullman 'Wholly mesmerising and revelatory... Completely fascinating' William Boyd Sometimes discovery brings destruction When We Cease to Understand the World shows us great minds striking out into dangerous, uncharted terrain. Fritz Haber, Alexander Grothendieck, Werner Heisenberg, Erwin Schrödinger: these are among the luminaries into whose troubled lives we are thrust as they grapple with the most profound questions of existence. They have strokes of unparalleled genius, they alienate friends and lovers, they descend into isolated states of madness. Some of their discoveries revolutionise our world for the better; others pave the way to chaos and unimaginable suffering. The lines are never clear. With breakneck pace and wondrous detail, Benjamín Labatut uses the imaginative resources of fiction to break open the stories of scientists and mathematicians who expanded our notions of the possible.

THE TATTOOIST OF AUSCHWITZ

THE HEARTBREAKING AND UNFORGETTABLE BESTSELLER

Bonnier Publishing Fiction Ltd. One of the bestselling books of the 21st century with over 6 million copies sold. Don't miss the conclusion to The Tattooist of Auschwitz Trilogy, Three Sisters. Available now. I tattooed a number on her arm. She tattooed her name on my heart. In 1942, Lale Sokolov arrived in Auschwitz-Birkenau. He was given the job of tattooing the prisoners marked for survival - scratching numbers into his fellow victims' arms in indelible ink to create what would become one of the most potent symbols of the Holocaust. Waiting in line to be tattooed, terrified and shaking, was a young girl. For Lale - a dandy, a jack-the-lad, a bit of a chancer - it was love at first sight. And he was determined not only to survive himself, but to ensure this woman, Gita, did, too. So begins one of the most life-affirming, courageous, unforgettable and human stories of the Holocaust: the love story of the tattooist of Auschwitz. Discover Cilka's Journey, the incredible bestselling sequel to The Tattooist of Auschwitz. Out now. ----- 'Extraordinary - moving, confronting and uplifting . . . I recommend it unreservedly' Greame Simsion 'A moving and ultimately uplifting story of love, loyalties and friendship amidst the horrors of war . . . It's a triumph.' Jill Mansell 'A sincere . . . moving attempt to speak the unspeakable' Sunday Times

THE ETERNAL CHURCH

Destiny Image Publishers Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.

ATOMIC HABITS

AN EASY & PROVEN WAY TO BUILD GOOD HABITS & BREAK BAD ONES

Penguin The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

THE MAKING OF ASSISI

THE POPE, THE FRANCISCANS AND THE PAINTING OF THE BASILICA

For a moment at the close of the 13th century the town of Assisi was the focus for the two greatest powers in the Latin church. The election of Nicholas IV was the catalyst for the creation of frescoes in the Basilica of San Francesco. In this book the authors investigate the particular moment the frescoes were made casting new light on their patronage and iconography.

DISCOVERING THE MIRACLE OF THE SCARLET THREAD IN EVERY BOOK OF THE BIBLE

A SIMPLE PLAN FOR UNDERSTANDING THE BIBLE

Destiny Image Pub Yes you can understand the Bible! Discovering the Miracle of the Scarlet Thread in Every Book of the Bible takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself.

WARRIOR OF THE LIGHT

A MANUAL

Harper Collins Rise to Your Destiny Warrior of the Light is a timeless and inspirational companion to The Alchemist—an international bestseller that has beguiled millions of readers around the world. Every short passage invites us to live out our dreams, to embrace the uncertainty of life, and to rise to our own unique destiny. In his inimitable style, Paulo Coelho helps bring out the Warrior of the Light within each of us. He shows readers how to embark upon the way of the Warrior: the one who appreciates the miracle of being alive, the one who accepts failure, and the one whose quest leads to fulfillment and joy.
