The Sacred Romance Workbook and Journal Your Personal Guide for Drawing Closer to the Heart of God *Thomas Nelson*
In The Sacred Romance John Eldredge told readers, "It is possible to recover the lost life of our heart and with it the intimacy, beauty, and adventure of life with God." Now, in **The Sacred Romance Workbook and Journal**, Eldredge shows readers how to do that. This highly innovative workbook features Eldredge's profound writing style and guides readers through an experience of personal assessment and soulful reflection. Readers will gain a more passionate and personal relationship with God through interactive exercises that help them apply material from **The Sacred Romance**, a journaling section to document personal reflections on the thought-provoking questions raised in the workbook section, and even recommendations of film, music, and art to help them make emotional connections with the material. Readers will be guided away from a religion of duty and obligation toward a more deeply felt relationship with God.

The Sacred Romance Drawing Closer to the Heart of God *Thomas Nelson* If you long for something more, even if you don't know what that something is, then open this profound book. **The Sacred Romance** is the story of our lives; it is God's story. It is His invitation to experience His unfathomable love for us. Before long, you will find yourself eagerly turning the pages to find out what happens next. **The Sacred Romance** strikes a chord in us because more than in any other age, we have lost touch with our hearts. We have left that essential part of ourselves behind in the pursuit of efficiency, success, and even Christian service. From childhood on, something or Someone has called us on a journey of the heart. It is a journey full of intimacy, adventure, and beauty, but like any fairy tale it is also fraught with more than a little danger. To ignore this whispered call is to become one of the living dead who carry on their lives divorced from their most intimate selves, their heart. **The Sacred Romance** calls to us in our fondest memories, our greatest loves, our noblest achievements, even our deepest hurts. The reward is worth the risk. **Wild at Heart Field Manual A Personal Guide to Discover the Secret of Your Masculine Soul** *Thomas Nelson* In his book **Wild at Heart**, author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity?the soul of a man as God designed him. If you've already begun the journey, you know how thrilling?and hard?it can be. So you may have longed for a tool to maximize the impact, a guide to show the way. Packed with new information and insights, the **Wild at Heart Field Manual** guides you along "the road less traveled." Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition you from reading about the wild heart to living from it. For too long, the call of Christianity to men has evoked no higher goal, ultimately, than becoming a "nice guy." No wonder many men are bored to tears with church. The hero instinct has been trained out of them. But Eldredge invites men to come alive again, to find their great battle, adventure, and beauty. If you dare . . . keep reading. Your life will never be the same. **Captivating Revised and Updated Unveiling the Mystery of a Woman's Soul** *Thomas Nelson* What **Wild at Heart** does for men, **Captivating** does for women: Setting their hearts free. This groundbreaking book helps readers by: Providing a look into the glorious design of women. Describing how the feminine heart can be restored. Casting a vision for the power, freedom, and beauty of a woman released to be all she was meant to be. Healing the trauma of the past. The message of **Captivating** is this: Your heart matters more than anything else in all creation. The desires you had as a little girl and the longings you still feel as a woman are telling you of the life God created you to live. He offers to come now as the Hero of your story, to rescue your heart and release you to live as a fully alive and feminine woman. A woman who is truly captivating. **Captivating: A Guided Journal Unveiling the Mystery of a Woman's Soul** *Thomas Nelson* Every little girl has dreams of being rescued by the hero, of being swept away into a great adventure, of being the beautiful princess. Sadly, when women grow up, they are taught to be tough, efficient, and independent. Many Christian women are tired, struggling under the weight of the pressure to be a "good servant," a nurturing caregiver, passionate lover, or capable home manager. What the **Wild at Heart Field Manual** did for men, the **Captivating: A Guided Journal** can do for women. By revealing the three distinctly female desires every woman shares, John and Stasi Eldredge invite participants to recover their feminine hearts, which may have suffered many wounds but were originally defined in the image of a passionate God. **You Have What It Takes What Every Father Needs to Know** *Thomas Nelson* You have what it takes, Dad. Every boy wants to be a hero. He wants to be powerful, dangerous. He wants to know . . . Do I have what it takes? Every girl wants to believe that she is captivating, worth fighting for. She wants to know . . . Am I lovely? Only you, Dad, can help your children find the

Abandon resignation. Search again for the life they once dreamed of. Sometimes it seems we just can't get what we want. Circumstances thwart our best-laid plans. We struggle to live a heartfelt life.
