Adventures with Barefoot Critters

Tundra Books Fans of the adorable characters in The Quiet Book will love this seasonal romp through the alphabet. Will have definite trade and gift appeal due to Teagan White's sweet anthropomorphic critters. Join an adorable cast of animal characters as they explore the alphabet through the seasons. From gathering honey in spring to building cozy campfires in fall, the friends make the most of each season, both enjoying the great outdoors and staying snug inside. Learning the alphabet is fun when adventuring with these critters, and children and adults alike will delight in Teagan White's sweet, nostalgic illustrations.

The Wheels on the Bus

When "The Wheels on the Bus," by Caldecott Medalist Paul O. Zelinsky, broke onto the scene back in 1990, it created a sensation with its clever characters, sly subplots, luscious colors, and the incomparable flair of its moving parts. Almost a million young readers have enjoyed the wheels that go round, doors that open and shut, and people who go bumpety-bump. Today it remains as fresh and engaging as when it was first published.

The Wheels on the Bus

Go Round and Round

Classic, simple stories for adults and young children to share together. Bestselling titles from Kate Toms are now available in a great paperback format. The sturdy, paper pages are easy for little hands to turn and large enough to read out in a group. Lively hand-stitched illustrations, together with gentle humor and charming rhymes will engage and amuse little ones and adults alike.

Out of My Mind

Simon and Schuster Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

With a sound chip and hands-on elements, this fun book is sure to be a story time staple!

Nineteen Eighty-Four

epubli "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Night Bus Hero

Hachette UK From Onjali Q. Rauf, the award-winning and best-selling author of The Boy at the Back of the Class, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' 'I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong...' Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

You're Two!

Allen & Unwin You're two! You're growing up! Look at you! You're one plus one, and that makes two. Running, jumping and cuddling are all part of a two-year-old's day. Enjoy a quiet moment with the busy toddler in your life with this picture book that lovingly captures the curiosity and wonder of a child who's turned two.

Breaking Through

Cambridge University Press Having come from Mexico to California ten years ago, fourteen-year-old Francisco is still working in the fields but fighting to improve his life and complete his education.

Born to Run

The hidden tribe, the ultra-runners, and the greatest race the world has never seen

Profile Books At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the

canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

The Millionaire Fastlane

Crack the Code to Wealth and Live Rich for a Lifetime

Viperion Publishing Corp 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Good Night, Mr. Tom

Harper Collins London is poised on the brink of World War 11. Timid, scrawny Willie Beech -- the abused child of a single mother -- is evacuated to the English countryside. At first, he is terrified of everything, of the country sounds and sights, even of Mr. Tom, the gruff, kindly old man who has taken him in. But gradually Willie forgets the hate and despair of his past. He learns to love a world he never knew existed, a world of friendship and affection in which harsh words and daily beatings have no place. Then a telegram comes. Willie must return to his mother in London. When weeks pass by with no word from Willie, Mr. Tom sets out for London to look for the young boy he has come to love as a son.

Saints and Misfits

Simon and Schuster Fifteen-year-old Janna Yusuf, a Flannery O'Connor-obsessed book nerd and the daughter of the only divorced mother at their mosque, tries to make sense of the events that follow when her best friend's cousin--a holy star in the Muslim community--attempts to assault her at the end of sophomore year.

The Wheels on the Bus

Phoenix International Publications This bus is full of sing-along fun! Read and sing along with a happy crowd of animal passengers all through the town.

The Time Traveler's Wife

Night Bookmobile Editions A most untraditional love story, this is the celebrated tale of Henry DeTamble, a dashing, adventuresome librarian who inadvertently travels through time, and Clare Abshire, an artist whose life takes a natural sequential course. Henry and Clare's passionate affair endures across a sea of time and captures them in an impossibly romantic trap that tests the strength of fate and basks in the bonds of love. "Niffenegger's inventive and poignant writing is well worth a trip" (Entertainment Weekly).

Who Says Quack?

Putnam Juvenile Looks at the sounds made by such familiar animals as hens, chicks, lambs, goats, dogs, cats, horses, cows, and ducks

Someone Comes to Town, Someone Leaves Town

A Novel

Tor Books The repackaged trade paperback of Cory Doctorow's miraculous novel of family history, Internet connectivity, and magical secrets—now with a new cover! Alan is a middle-aged entrepreneur who moves to a bohemian neighborhood of Toronto. Living next door is a young woman who reveals to him that she has wings—which grow back after each attempt to cut them off. Alan understands. He himself has a secret or two. His father is a mountain, his mother is a washing machine, and among his brothers are sets of Russian nesting dolls. Now two of the three dolls are on his doorstep, starving, because their innermost member has vanished. It appears that Davey, another brother who Alan and his siblings killed years ago, may have returned, bent on revenge. Under the circumstances it seems only reasonable for Alan to join a scheme to blanket Toronto with free wireless Internet, spearheaded by a brilliant technopunk who builds miracles from scavenged parts. But Alan's past won't leave him alone—and Davey isn't the only one gunning for him and his friends. Whipsawing between the preposterous, the amazing, and the deeply felt, *Someone Comes to Town, Someone Leaves Town* is unlike any novel you have ever read.

Inheritance

An Autobiography of Whiteness

Hachette UK "Bracing, candid, and rueful." —Kirkus Baynard Woods thought he had escaped the backwards ways of the South Carolina he grew up in, a world defined by country music, NASCAR, and the confederacy. He'd fled the South long ago, transforming himself into a politically left-leaning writer and educator. Then he was accused of discriminating against a Black student at a local university. How could I be racist? he wondered. Whiteness was a problem, but it wasn't really his problem. He taught at a majority Black school and wrote essays about education and Civil Rights. But it was his problem. Working as a reporter, it became clear that white supremacy was tearing the country apart. When a white kid from his hometown massacred nine Black people in Charleston, Woods began to delve into his family's history—and the ways that history has affected his own life. When he discovered that his family—both the Baynards and the Woodses—collectively claimed ownership of more than 700 people in 1860, Woods realized his own name was a confederate monument. Along with his name, he had inherited privilege, wealth, and all the lies that his ancestors passed down through the generations. In this gripping and perceptive memoir, Woods takes us along on his journey to understand how race has impacted his life. Unflinching and uninhibited, *Inheritance* explores what it means to reckon with whiteness in America today and what it might mean to begin to repair the past.

The Signal and the Noise

The Art and Science of Prediction

Penguin UK Every time we choose a route to work, decide whether to go on a second date, or set aside money for a rainy day, we are making a prediction about the future. Yet from the global financial crisis to 9/11 to the Fukushima disaster, we often fail to foresee hugely significant events. In The Signal and the Noise, the New York Times' political forecaster and statistics guru Nate Silver explores the art of prediction, revealing how we can all build a better crystal ball. In his quest to distinguish the true signal from a universe of noisy data, Silver visits hundreds of expert forecasters, in fields ranging from the stock market to the poker table, from earthquakes to terrorism. What lies behind their success? And why do so many predictions still fail? By analysing the rare prescient forecasts, and applying a more quantitative lens to everyday life, Silver distils the essential lessons of prediction. We live in an increasingly data-driven world, but it is harder than ever to detect the true patterns amid the noise of information. In this dazzling insider's tour of the world of forecasting, Silver reveals how we can all develop better foresight in our everyday lives.

Down By the Bay

Twin Sisters® Read the story. Then sing the story! It isn't a secret that using songs to teach children pre-reading skills is fun and successful. This classic song is featured as a read-along and a sing-along. And learning rhyming words has never been more fun! "Have you ever seen a snake baking a cake down by the bay?" "Have you ever seen a mouse painting his house down by the bay?" "Have you ever seen a pig doing a jig down by the bay?" Fun illustrations, rhyming text, and silly rhyming words encourage early literacy skills for young readers. This classic children's song will become your family's favorite story! The fun Sing A Story series includes: Five Little Monkeys Jumping On The Bed, Old MacDonald Had A Farm, Ten In The Bed, B-I-N-G-O, Down By The Bay, Humpty Dumpty & Other Nursery Rhymes, Six Little Ducks, Five Little Skunks, ABC Nursery Rhymes, The Wheels On The Bus, This Old Man, How Many Ducks?, Old MacDonald's Letter Farm, The ABCs, Singing The Consonant Sounds, The Farmer In The Dell and It's Silly Time!

Arrowsmith

Prabhat Prakashan First published in 1925, 'Arrowsmith' is a novel by American author Sinclair Lewis. It is arguably the earliest major novel to deal with the culture of science. It was written in the period after the reforms of medical education flowing from the Flexner Report on Medical Education in the United States and Canada: A Report to the Carnegie Foundation for the Advancement of Teaching, 1910, which had called on medical schools in the United States to adhere to mainstream science in their teaching and research.

Airplane Flight!

A Lift-the-Flap Adventure

Young readers can follow along as an airplane takes off, flies across the sky, and finally reaches its destination. On board pages.

Duck & Goose, 1, 2, 3

Schwartz & Wade PRESCHOOLERS WILL CHEER the return of Duck and Goose! All the favorite characters, including Bluebird and Thistle, return—this time to introduce basic counting concepts. One goose. Two ducks. Three friends. As the characters illustrate from numbers 1 to 10, children will love to follow along with the simple text and all-new original art. Easter egg-colored art makes this the perfect Easter gift for young children everywhere!

Hear Bear Roar

Howling, Hooting, Barking, Buzzing! With 30 sound buttons to press and captivating creatures on each page, Hear Bear Roar is an animal adventure everyone can enjoy! Each spread presents multiple animals found in one natural environment: - under water, up a tree, in the snow, etc. A sound icon for each animal appears in the short text.

A Fine Balance

McClelland & Stewart A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Children's Fiction.

We Play and Pretend

Dick and Jane (Hardcover) Presents classic stories of Dick and Jane, their family, and friends, drawn from collections used since the 1930s to teach reading to children.

Sports Camp

Knopf Books for Young Readers Riley feels like the smallest kid at sports camp. In fact, he is. He just turned eleven in April, but most kids here are twelve, and a few are even thirteen—and gigantic. It's hard enough for a shrimp like Riley to fit in. He just doesn't want to be the weak link as his bunk competes for the Camp Olympia Trophy. Riley knows he's no good at strength and accuracy games like basketball and softball. But when it comes to speed and endurance events, like running and swimming, he's better than he looks. He's pretty sure he can place in the top ten—and bring in major trophy points—in the final mile-long swim race across Lake Surprise. But he doesn't count on being followed by the shadow of Big Joe, the giant vicious snapping turtle of camp lore. Wasn't that supposed to be a legend?

Sammy Salami

Harry N. Abrams When chubby cat Sammy Salami's owner Pete goes missing, Sammy boards a train to look for him, is adopted by a passenger and has a nice vacation, but he continues to look for Pete.

Wheels on the Bus

Crown Books For Young Readers An exciting sing-along board book features a fun-filled rhythmic text and charming full-color illustrations for toddlers.

The Lightning Thief

Percy, expelled from six schools for being unable to control his temper, learns that his father is the Greek god Poseidon, and is sent to Camp Half Blood where he is befriended by a satyr and the daughter of Athena.
