Bookouture At least they'd found her. Once the site was processed and the girl's body removed, they'd be able to identify her so that her family could give her the burial she deserved. One look at the beautiful girl's broken body is enough to bring Beth out of hiding for the first time since an attempt on her own life a year ago... Beth doesn't believe it's a coincidence that the victim was found the same day a threatening gift was left on the doorstep of her secluded home. Her instincts are telling her that it's a trap, that she should run for safety. But she knows she's the only one with the expertise to help her trusted friend, Detective Josh Walker, crack the most shocking case of his career. The tiny traces of material Beth finds beneath the victim's fingernails is the break in the case the team need to chase down this twisted killer. But this critical lead comes at a dangerous price, exposing Beth's whereabouts and dragging her back into the line of fire once again. With Beth's own life on the line, the investigation is already cracking under the pressure. Then another local girl goes missing... He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted—neither of us anticipated that fateful night—has us fighting so hard to keep? DIARY OF A MURDERER

AND OTHER STORIES

Atlantic Books Parasite meets Han Kang in these twisted tales of murder, loyalty and obsession... Kim Byeongsu is losing his mind. Quite literally. He keeps forgetting the little things in life, like basic words, whether or not he has a dog, the last time he killed someone... In his prime, Byeongsu was one of the best murderers around, spending years obsessively trying to perfect his technique, only killing in the pursuit of artistry. And then he gave it all up to be a dedicated father to his adopted-daughter, Eunhui. Now though, suffering from the onset of dementia, he decides to come out of retirement one last time and for one final target: his daughter's boyfriend, who he believes is a serial killer just like him. After all, it takes a one to know one. In other dark and glittering tales, an affair between two childhood friends questions the limits of loyalty and love; a family disintegrates after a baby son is kidnapped and recovered years later; and a wild, erotic pursuit of creativity might just come at the expense of all sanity. 'Filled with the kind of sublime, galvanizing stories that strike like a lightning bolt, searing your nerves' Nylon
