But I sure as hell wouldn't let it break me.--- This story contains a reverse harem (m/m/f/m/m) of fish-man, element wielding, alien heroes, mature content, violence, and probably too much language! *Tempest* is best enjoyed after reading *Alluvial* (Valos of Sonhadra #1) The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Aduun, Vortok, and Balir have existed in a state of constant rage and ravenous hunger for centuries, locked away in the beastly forms that were forced upon them. Their only thoughts were of revenge on their Creator -- until a mysterious female falls into their underground prison, restoring their heartstones and their sanity. They know nothing about her, yet she may be their only chance at reclaiming their freedom. Unable to deny their intense attraction, they set out together to escape their Creator's trap and rescue their lost people. But the sadistic experiments performed on her by the prison's scientist make the heat intolerable for her. When the opportunity to go to the frozen city of E'Lek presents itself, Kira believes she'll finally be at peace. Duke is confused by the strange human female. PERILOUS WAIF

My name is Alice Long, and I've always known I was different. When I was little I used to climb up to the highest branches of the housetree at night, and watch the starships docking at the orbital stations high above. Forty meters off the ground, watching ships thirty thousand kilometers overhead, with senses that could pick out radar pings and comm chatter as easily as the ships themselves. It all seemed perfectly natural at the time. There were other kids with mods at the orphanage, but nothing like that. I learned fast to downplay my abilities, keep my mouth shut and try to blend in. Even as a kid I knew not to trust the Matrons. What would they do, if they realized the Adjustments that were supposed to make me a meek little herd animal didn't do anything? Then I messed up, and gave myself away. Now I'm on the run, hoping against hope that the Matrons won't try too hard to find me. Hoping to survive all the awful things that can happen to a girl on her own in space. Kidnappers, slavers, pirates and yakuza - no matter where I go, trouble always seems to find me. Good thing I'm not as helpless as I look.
