THE MILITARY GENIUS OF ABRAHAM LINCOLN

Pickle Partners Publishing This work examines Lincoln's influence on the strategy of the Civil War and proves convincingly that Lincoln chose good generals and that he was an excellent, if completely unconventional, strategist. The author Brigadier C. R. Ballard, was a British General who saw much service in South Africa and the First World War before being seriously wounded during the battle of the Somme in 1916. "IF ONE wishes to know something about one's own country, it is often a very good idea to ask a foreigner what he thinks of it. He may not be quite as well informed as a native, and he may not have all his details straight; but the details he does have enable him to form a judgment unaffected by local prejudices and local controversies. That is, by seeing things from a distance, he will have a better grasp of the whole picture."-Fletcher Pratt

ABRAHAM LINCOLN

A LIFE FROM BEGINNING TO END

Hourly History Abraham Lincoln's determination to hold the North and South together would ultimately lead to the bloodiest war in American history, the abolition of slavery, and his own untimely death from an assassin's bullet. But to see Lincoln solely as a tragic figure consumed with the strife of mid-nineteenth century America is to miss meeting him as a man who never allowed himself to be defeated by adversity or grief or turmoil. From his earliest days on the frontier, he endured the loss of his beloved mother and the demanding physical challenges of a rough-and-ready land where death came easily and education was rare; where ambition was rewarded if a man proved himself willing to work hard; where love was attainable, even for a man whose physical appearance was most charitably described as homely. Inside you will read about... ✓ Born on the Frontier ✓ Lincoln's Life in New Salem ✓ The Election of 1860 ✓ The House Divides ✓ The Tide Turns ✓ The End ✓ The Legacy of Lincoln Lincoln arose from poverty and ignorance to become a man of influence and eloquence whose speeches continue to resonate with a nation that aspires to meet his ideals. Lincoln had his detractors and enemies but throughout his years, he had a remarkable ability to remain unpoisoned by his foes and to retain compassion for those who opposed him. Meet Abraham Lincoln, the frontier president whose death made him a martyr but whose life made him a hero.

THE LIFE AND WRITINGS OF ABRAHAM LINCOLN

Modern Library Abraham Lincoln, the greatest of all American presidents, left us a vast legacy of writings, some of which are among the most famous in our history. Lincoln was a marvelous writer—from the humblest letter to his great speeches, including his inaugural addresses, the Emancipation Proclamation, and the Gettysburg Address. His sentences were so memorably crafted that many resonate across the years. "Fourscore and seven years ago," begins the Gettysburg Address, "our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal." In 1940, the prolific author and historian Philip Van Doren Stern produced this volume as a guide to Lincoln's life through his writings. Stern's "Life of Abraham Lincoln" is a full biography of the man and includes a detailed chronology. Stern has collected all the essential texts of Lincoln's public life, from his first public address—a stump speech in New Salem, Illinois, in 1832 for an election he went on to lose—to his last piece of public writing, a pass to a congressman who was to visit the president the day after Lincoln went to Ford's Theater on April 14, 1865. Some 275 such documents are collected and placed in their historical context. Together with the "Life" and the Introduction, "Lincoln in His Writings," by noted historian Allan Nevins, they give a full and vivid picture of Abraham Lincoln.

ABRAHAM LINCOLN

Cosimo, Inc. One of the most important works on Abraham Lincoln from the era when he was passing out of living memory and into history, this 1917 classic is a rich, evocative portrait of the man and how actions as a leader were shaped by his character and ideals. From its British perspective, offering a fresh angle on an American legend, to its charming readability, Charnwood's treatise-which was called, in 1947, "the best one-volume life of Lincoln ever written" by historian Benjamin Thomas-today remains one of the most intriguing examinations of the great president, and a keystone for understanding the evolution of Lincoln scholarship. British author and academic GODFREY RATHBONE BENSON, 1st Baron Charnwood (1864-1945) also wrote the biography **Theodore Roosevelt** (1923).

ABE

ABRAHAM LINCOLN IN HIS TIMES

Penguin Now an Apple TV+ documentary, Lincoln's Dilemma, airing February 18, 2022. One of the Wall Street Journal's Ten Best Books of the Year | A Washington Post Notable Book | A Christian Science Monitor and Kirkus Reviews Best Book of 2020 Winner of the Gilder Lehrman Abraham Lincoln Prize and the Abraham Lincoln Institute Book Award "A marvelous cultural biography that captures Lincoln in all his historical fullness. . . . using popular culture in this way, to fill out the context surrounding Lincoln, is what makes Mr. Reynolds's biography so different and so compelling . . . Where did the sympathy and compassion expressed in [Lincoln's] Second Inaugural—'With malice toward none; with charity for all'—come from? This big, wonderful book provides the richest cultural context to explain that, and everything else, about Lincoln." —Gordon Wood, Wall Street Journal From one of the great historians of nineteenth-century America, a revelatory and enthralling new biography of Lincoln, many years in the making, that brings him to life within his turbulent age David S. Reynolds, author of the Bancroft Prize-winning cultural biography of Walt Whitman and many other iconic works of nineteenth century American history, understands the currents in which Abraham Lincoln swam as well as anyone alive. His magisterial biography Abe is the product of full-body immersion into the riotous tumult of American life in the

decades before the Civil War. It was a country growing up and being pulled apart at the same time, with a democratic popular culture that reflected the country's contradictions. Lincoln's lineage was considered auspicious by Emerson, Whitman, and others who prophesied that a new man from the West would emerge to balance North and South. From New England Puritan stock on his father's side and Virginia Cavalier gentry on his mother's, Lincoln was linked by blood to the central conflict of the age. And an enduring theme of his life, Reynolds shows, was his genius for striking a balance between opposing forces. Lacking formal schooling but with an unquenchable thirst for self-improvement, Lincoln had a talent for wrestling and bawdy jokes that made him popular with his peers, even as his appetite for poetry and prodigious gifts for memorization set him apart from them through his childhood, his years as a lawyer, and his entrance into politics. No one can transcend the limitations of their time, and Lincoln was no exception. But what emerges from Reynolds's masterful reckoning is a man who at each stage in his life managed to arrive at a broader view of things than all but his most enlightened peers. As a politician, he moved too slowly for some and too swiftly for many, but he always pushed toward justice while keeping the whole nation in mind. Abe culminates, of course, in the Civil War, the defining test of Lincoln and his beloved country. Reynolds shows us the extraordinary range of cultural knowledge Lincoln drew from as he shaped a vision of true union, transforming, in Martin Luther King Jr.'s words, "the jangling discords of our nation into a beautiful symphony of brotherhood." Abraham Lincoln did not come out of nowhere. But if he was shaped by his times, he also managed at his life's fateful hour to shape them to an extent few could have foreseen. Ultimately, this is the great drama that astonishes us still, and that Abe brings to fresh and vivid life. The measure of that life will always be part of our American education.

THE GETTYSBURG ADDRESS

Penguin UK The Address was delivered at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, on the afternoon of Thursday, November 19, 1863, during the American Civil War, four and a half months after the Union armies defeated those of the Confederacy at the decisive Battle of Gettysburg. In just over two minutes, Lincoln invoked the principles of human equality espoused by the Declaration of Independence and redefined the Civil War as a struggle not merely for the Union, but as "a new birth of freedom" that would bring true equality to all of its citizens, and that would also create a unified nation in which states' rights were no longer dominant. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

The great strain on the mind of Abraham Lincoln produced by four years of civil war might likewise have overcome his reason had it not found vent in the yarns and stories he constantly told. No more fun-loving or humor-loving man than Abraham Lincoln ever lived. He enjoyed a joke even when it was on himself, and probably, while he got his greatest enjoyment from telling stories, he had a keen appreciation of the humor in those that were told him. This wonderful collection is full of the witty anecdotes and stories told by and about Abraham

Lincoln. Here's an example: **SORRY FOR THE HORSES** When President Lincoln heard of the Confederate raid at Fairfax, in which a brigadier-general and a number of valuable horses were captured, he gravely observed: "Well, I am sorry for the horses." "Sorry for the horses, Mr. President!" exclaimed the Secretary of War, raising his spectacles and throwing himself back in his chair in astonishment. "Yes," replied Mr. Lincoln, "I can make a brigadier-general in five minutes, but it is not easy to replace a hundred and ten horses."
